

**XIX FIGO World Congress of Gynecology and Obstetrics  
4 – 9 October 2009  
Cape Town, South Africa**

**Scientific Programme (*September 2009*)**

**Monday 5 October**

**09h00 – 10h30 Monday Sessions**

**Auditorium 1**

**Howard Taylor Lecture**

Chair: Ralph Hale, Washington DC, USA

The Ob-Gyn World is Flat: International Collaboration is Essential for Clinical and Scientific Advances - Joe Leigh Simpson, Houston, USA

**Auditorium 2**

**Assisted Reproductive Technology (ART) in Low-resource Settings**

Chair: Gamal Serour, Cairo, Egypt

Co-chair: Bharati Dhorepatil, Pune, India

1. Demand and Access - Gamal Serour, Cairo, Egypt
2. Stimulation Protocols in Low-resource Settings - Geeta Nargund, London, UK
3. Low Cost ART - Luca Gianaroli, Bologna, Italy
4. Ovarian Hyperstimulation Syndrome and Complications of Art - Thomas D'Hooghe, Leuven, Belgium

**Ballroom East**

**Caesarean Section**

Chair: Michael Robson, Dublin, Ireland

1. Auditing Caesarean Section Rates - Michael Robson, Dublin, Ireland
2. Vaginal Birth after Caesarean Section - Gordon Smith, Cambridge, UK
3. Surgical Techniques - Michael Stark, Berlin, Germany

**Ballroom West**

**New Advances in Surgical Treatment of Cervical Cancer**

Chair: Desmond Barton, London, UK

1. Sentinel Node in Cervical Cancer: Can It Replace Lymphadenectomy? - Eng Tay, Singapore
2. Role of Laparoscopic Surgery - Dennis Querleu, Toulouse, France
3. Nerve Sparing Operation in Treatment of Cervical Cancer - Desmond Barton, London, UK
4. How Radical Should a Radical Hysterectomy Be? - Prapaporn Suprasert, Chiang Mai, Thailand

**Westin Grand Ballroom**

**Keynote Lecture**

Chair: Justo Alonso, Montevideo, Uruguay

Appropriate Learning and Technology for Maternal Care in Low Resource Settings - David Woods, Cape Town, South Africa

**Roof Terrace**

**Non-Physician Human Resources for Major Emergency Obstetric Surgery**

Chair: Staffan Bergstrom, Stockholm, Sweden

1. Human Resources Necessary for Emergency Obstetric Surgery - Staffan Bergstrom, Stockholm, Sweden

2. Provision of Major Obstetric Surgery by Non-Physician Clinicians in Mozambique: 25 Years Experience - Caetano Pereira, Maputo, Mozambique
3. Non-Physician Clinician Experience with Emergency Obstetric Surgery in Tanzania Since 1962 - Godfrey Mbaruku, Dar-es-Salaam, Tanzania
4. Clinical Officers in Malawi Trained For Major Obstetric Surgery: A Nation-Wide Study - Garvey Chilopora, Malawi

#### **Room 1.4**

##### **Outcome Prediction in Pre-eclampsia**

Chair: Peter von Dadelszen, Vancouver, Canada

Co-chair: Hiralal Konar, Bengal, India

1. Putting the Maternal and Perinatal Risks of Pre-eclampsia in Context - Mario Merialdi, Geneva, Switzerland and Shereen Bhutta, Karachi, Pakistan
2. Predicting the Onset of Pre-eclampsia – Gareth Seaward, Toronto, Canada
3. Predicting Maternal Outcomes in Women with Pre-eclampsia - the PEIRS Model - Peter von Dadelszen, Vancouver, Canada

#### **Room 1.6**

##### **Information Technology for the Obstetrician/Gynaecologist**

Chair: Hans van der Slikke, Amsterdam, Netherlands

1. Is the Internet an Asset in Daily Practice? - Hans van der Slikke, Amsterdam, Netherlands
2. Scientific Publications on the Internet - Jim Thornton, Nottingham, UK
3. The African Madonna: A Telematic Solution for Supporting Women in Developing Countries - Peter Kenemans, Netherlands

#### **Room 2.4**

##### **New Strategies That Increase Access to Hormonal Contraceptives**

Chair: Jocelyn Berube, Quebec, Canada

1. Project of the Pharmacy Access Partnership in California - Belle Taylor-McGhee, Oakland, USA
2. Increasing Access to Hormonal Contraceptives through Collective Prescription to Nurses and Pharmacists in Quebec, Canada - Edith Guilbert, Quebec, Canada
3. Increased Access to Hormonal Contraceptives in Developing Countries - John Townsend, New York, USA

#### **Room 2.6**

##### **Antenatal Corticosteroids for Preterm Birth**

Chair: Kellie Murphy, Toronto, Canada

1. Background and Overview of Antenatal Corticosteroids - Kellie Murphy, Toronto, Canada
2. MACS Trial, Results and in site from a Participating Centre - Mario Palermo, Buenos Aires, Argentina
3. The Cochrane Review: "Repeat Doses of Prenatal Corticosteroids for Women at Risk of Preterm Birth for Preventing Neonatal Respiratory Disease." And Single vs. Repeated Doses of Antenatal Corticosteroid Randomized Controlled Trials - Kellie Murphy, Toronto, Canada
4. Longterm Follow-up on Repeat Doses of Antenatal Corticosteroids – Prakeshkhumar Shah, Toronto, Canada
5. Rescue Course Trials and Conclusions- Kellie Murphy, Toronto, Canada

<b>10h30 – 11h00 Refreshment Break</b>
--

<b>11h00 – 12h00 Monday Sessions</b>
--------------------------------------

#### **Auditorium 1**

##### **President's Session**

Chair: Dorothy Shaw, Vancouver, Canada

## **Key Links between Women's Rights and Their Health – Perspectives on Progress**

Participants:

Rebecca Cook, Professor in the Faculty of Law, the Faculty of Medicine and the Joint Centre for Bioethics; Co-Director, International Programme on Reproductive and Sexual Health Law, University of Toronto, Canada

Daisy Mafubelu, Assistant Director-General, Family and Community Health, World Health Organization

Thoraya Obaid, Executive Director UNFPA; UN Under Secretary General, New York, USA

Helen Rees, Professor, Executive Director of the Reproductive Health and HIV Research Unit (RHRU), University of the Witwatersrand, South Africa

Mary Robinson, First Woman President of Ireland and currently Founder and President of Realizing Rights: The Ethical Globalization Initiative, New York, USA

### **Auditorium 2**

#### **Diagnosis and Treatment of the Overactive Bladder**

Chair: Linda Cardozo, London, UK

1. Definitions and Diagnosis - PK Tan, Singapore
2. Medical Treatment - Linda Cardozo, London, UK
3. Surgical Treatment - Yik Lim, Melbourne, Australia

### **Ballroom East**

#### **Induction of Labour**

Chair: Jane Norman, Edinburgh, UK

Co-chair: Hephzibah Kirubamani, India

1. The Right Time to Induce: Predictive Tools - Jane Norman, Edinburgh, UK
2. Uterine Scar and Induction of Labour - Aris Antsaklis, Athens, Greece
3. Outpatient Induction: Is it Feasible? - Chiara Benedetto, Turin, Italy

### **Ballroom West**

#### **UNFPA: Human Rights in High Maternal Mortality Countries: What Progress?**

Chair: Vincent Fauveau, Geneva, Switzerland

1. Introduction - Vincent Fauveau, Geneva, Switzerland
2. Human Rights Implications of Maternal Mortality - Ebezener Durojaye, Bloemfontein, South Africa
3. Inequality in Access to Emergency Obstetric Care - Muna Abdullah, Addis Ababa, Ethiopia
4. Anthropology of a Public Health Practice: The Case of the Family Planning in Mali - Abdourahmane Coulibaly, Bamako, Mali
5. African Maternal and Newborn Health National Road Maps Assessment - Luc de Bernis, New York, USA

### **Westin Grand Ballroom**

#### **South African Representative Committee for the Royal College of Obstetricians and Gynaecologists: Implementing Recommendations from Confidential Enquiries into Maternal Deaths (CEMD) in Resource Constrained Countries**

Chair: Peter de Jong, Cape Town, South Africa

1. The Latest CEMD Report from South Africa - Jack Moodley, Durban, South Africa
2. Essential Steps in the Management of Obstetric Emergencies: A Training Strategy for Health Professionals - Robert Pattinson, Pretoria, South Africa
3. Reducing Maternal Deaths Associated with Hypertensive Disorders in Pregnancy - John Anthony, Cape Town, South Africa
4. Maternal Deaths Associated with PPH from Caesarean Sections – Sue Fawcus, Cape Town, South Africa
5. Promoting Family Planning - Petrus Steyn, Stellenbosch, South Africa

### **Roof Terrace**

#### **FIGO Committee on Women's Sexual and Reproductive Rights: Sexual and Reproductive Rights of Young People: Understanding and Meeting the Need**

Chair: Kamini Rao, Bangalore, India  
*Case Presentation and Panel Discussion:*  
Patrick Ndavi, Nairobi, Kenya  
Charles Ngwena, Bloemfontein, South Africa  
Eddie Mhlanga, KwaZulu-Natal, South Africa  
Naffisa Osman, Maputo, Mozambique  
Marion Stevens, Cape Town, South Africa

#### **Room 1.4**

##### **International Society for Fertility Preservation (ISFP): Clinical Aspects of Fertility Preservation**

Chair: Samuel Kim, Kansas, USA

1. Current and Future Technologies for Fertility Preservation in Cancer Patients - Samuel Kim, Kansas, USA
2. Human Ovarian Transplantation Update - Jacques Donnez, Brussels, Belgium

#### **Room 1.6**

##### **Marie Stopes International: Innovative Reproductive Health Service Delivery Models for Underserved Communities**

Chair: David Griffiths, Heidelberg, Germany

1. Introduction - David Griffiths, Heidelberg, Germany
2. Demand Side Programme Models - Leo Bryant, London, UK
3. Supply Side Programme Models - Senanu Arkuta, Accra, Ghana

#### **Room 2.4**

##### **FIGO Committee of Ethics - Ethics in Human Reproduction and Women's Health**

Chair: Jacques Milliez, Paris, France and Bernard Dickens, Toronto, Canada

1. HPV Vaccine and Prevention of Cervical Cancer - Joanna Cain, Providence, USA
2. Adolescent Reproduction Care and Confidentiality - Bernard Dickens, Toronto, Canada
3. Ethics of Fertility Treatment in Resource-poor Countries - Francoise Shenfield, London, UK

#### **Room 2.6**

##### **International Society of Psychosomatic Obstetrics and Gynaecology: The Role of Psychosomatic Obstetrics and Gynaecology in the Promotion of Women's Sexual Health**

Chair: Carlos Damonte, Alicante, Spain

1. Violence Against Women. The Role of the Gynaecologist in Prevention and Care - Mira Lal, Dudley, UK
2. Caesarean Section on Demand – A Psychosomatic Challenge - Sibil Tschudin, Basel, Switzerland
3. Teaching Sexual Medicine to Gynaecologists - Johannes Bitzer, Basel, Switzerland
4. Body Image Changes in Different Gynaecologic Disorders - Cristina Maggioni, Italy
5. Climacteric Medicine – Where to Go in the Future? - Carlos Damonte, Alicante, Spain

### **12h00 – 13h00 Monday Sessions**

#### **Auditorium 1**

**President's Session** continues

#### **Auditorium 2**

##### **Pregnancy and the Pelvic Floor**

Chair: Scott Farrell, Halifax, Canada

Co-chair: Nayna Dastur, Mumbai, India

1. Urinary Incontinence after Pregnancy - Pien Schraffordt-van Brummen, Netherlands
2. Utero-vaginal Prolapse and Pregnancy - Paul Riss, Moedling, Austria
3. Faecal Incontinence after Pregnancy - Scott Farrell, Halifax, Canada

### **Ballroom East**

#### **IUGR: Current Challenges**

Chair: Eghon Guzman, Santiago, Chile

1. The Detection and Diagnosis of IUGR - Graziano Clerici, Perugia, Italy
2. Doppler Evaluation - Eghon Guzman, Santiago, Chile
3. Management of IUGR - Kaarin Makikallio, Oulu, Finland

### **Ballroom West**

#### **Keynote Lecture**

Chair: Robert Reid, Kingston, Canada

Hormone Therapy for Depression in Women - John Studd, London, UK

### **Westin Grand Ballroom**

**South African Representative Committee for the Royal College of Obstetricians and Gynaecologists: Implementing Recommendations from Confidential Enquiries into Maternal Deaths (CEMD) in Resource Constrained Countries** continues

### **Roof Terrace**

**FIGO Committee on Women's Sexual and Reproductive Rights** continues

### **Room 1.4**

#### **International Society of Gynaecological Endoscopy**

Chair: Kiran Kalian, South Africa, Baskar Goolab, South Africa and Johanes van der Wat, Johannesburg, South Africa

1. Introduction - Stefano Bettocchi, Bari, Italy
2. Laparoscopy in a Rural Setting - Daniel Kruschinski, Braunschweig, Germany
3. Hysteroscopy in Developing Countries - Osama Shawki, Cairo, Egypt
4. Is There a Place for Hysterectomy in Endometriotic Pelvic Pain? - Michelle Nisolle, Liege, Belgium
5. The Place of Laparoscopy in Fertility - Lip Kee Yap, Singapore

### **Room 1.6**

#### **Video Session I**

Chair: Shirish Patwardhan, Pune, India

1. Laparoscopic Radical Hysterectomy and Lymphadenectomy - Shailesh Puntambeker, Pune, India
2. Radical Trachelectomy and Laparoscopic Pelvic Lymphadenectomy - John Shepherd, London, UK
3. Laparoscopic Surgery for Advanced Endometriosis - Arnaud Wattiez, Strasbourg, France

### **Room 2.4**

**FIGO Committee of Ethics - Ethics in Human Reproduction and Women's Health** continues

### **Room 2.6**

**International Society of Psychosomatic Obstetrics and Gynaecology: The role of psychosomatic obstetrics and gynaecology in the promotion of women's sexual health** continues

**13h00 – 14h00 Lunch**

**14h00 – 15h30 Monday Sessions**

### **Auditorium 1**

#### **IPAS and FIGO Working Group on Prevention of Unsafe Abortion: Expanding Women's Access to Safe Abortion: Public Health, Clinical, Ethical and Human Rights Considerations**

Chair: Jerker Liljestrand, Phnom Penh, Cambodia

1. The Magnitude and Consequences of Unsafe Abortion Globally - Susheela Singh, New York, USA
2. The Impact of Unsafe Abortion on Women in Africa: What Can Be Done? - Roland Mhlanga, Pretoria, South Africa
3. Medical Abortion: A Life-saving Technology - Nozer Sheriar, Mumbai, India
4. Respecting Women's Rights: The Ethical Obligations of Providers - Leonel Briozzo, Montevideo, Uruguay

### **Auditorium 2**

#### **Surgical Aspects of Vaginal Hysterectomy**

Chair: Adam Magos, London, UK

Co-chair: Kaliki Hymavathi Reddy, Nellore, India

1. Evaluation for Route of Hysterectomy - Adam Magos, London, UK
2. Concomitant Oophorectomy/Adnexectomy - Shirish Sheth, Mumbai, India
3. Vaginal Hysterectomy for Uterine Fibroids - V.P. Paily, Kerala, India
4. The Ten Step Vaginal Hysterectomy - Michael Stark, Berlin, Germany

### **Ballroom East** (from 14h30)

#### **Maternal Mortality: Global Perspective**

Chair: Steven Munjanja, Harare, Zimbabwe

1. New WHO Classification System for Identification of Maternal Deaths - Lale Say, Geneva, Switzerland
2. Causes and Determinants of Maternal Mortality - Metin Gulmezoglu, Geneva, Switzerland
3. Discussion: Steven Munjanja, Harare, Zimbabwe

### **Ballroom West** (from 14h30)

#### **FIGO Committee on Oncology: Perspectives on Cervical Cancer in Developing Countries: What the Future Holds**

Chair: Lynette Denny, Cape Town, South Africa

Co-chair: Adriana Bermudez, Buenos Aires, Argentina

1. Cervical Cancer Prevention: India and Asia Perspective - Neerja Bhatla, New Delhi, India
2. Africa - Isaac Adewole, Ibadan, Nigeria
3. Central America/Mexico - Victor Vargas Hernández, Napoles, Mexico

### **Westin Grand Ballroom** (from 14h30)

#### **International Urogynaecology Association**

Chair: Charles Su, Taiwan

1. Uniform Assessment of Outcomes of Treatment for Pelvic Floor Disorders: IUGA Guidelines - Willy Davila, Florida, USA
2. Teaching Urogynaecology in Developed and Developing Countries - Harry Vervest, Benschop, Netherlands
3. What Controls should there be on the Introduction of New Technologies in Urogynaecology - Peter Sand, Chicago, USA

### **Roof Terrace**

#### **Family Planning in the Era of HIV/AIDS**

Chair: Helen Rees, Johannesburg, South Africa

1. Family Planning and HIV/AIDS: Programmes and Practices - Maggwa Baker Ndugga, Durham, USA
2. Research Update - Helen Rees, Johannesburg, South Africa

### **Room 1.41**

#### **Free Communication Session (FC1) - Video Presentations**

Chair: Dipak Desai

##### Endoscopic Surgery

1. Laparoscopic Management of a Caesarean Scar Pregnancy – Chen San-Nung, Kaohsiung, Taiwan
2. Case Report of a Long Cervix Simulating Second Degree Uterine Prolapse in a 33 Year Old Nulliparous Woman with a Large Fibroid Uterus – Smita Sinha, London, UK
3. Transvaginally Endoscopical Appendectomy: A Case Report – Yao Liang Qing, Shanghai, China

##### Surgical Techniques

4. Valh for Large Refractory Uterine Leiomyoma - Rabindra Nath Behera
5. A Newer Methods of Vaginal Hysterectomy - An Overview and My Experience – Ismatara Bina
6. Robot-assisted Abdominal Laparoscopic Radical Trachelectomy – Thomas Bossmar
7. The Extra Peritoneal Approach to Abdominal Delivery - Dipak Desai
8. Abdominal Hysterectomy - New Approach for Gynaecologists (Dutta's Technique) - Dilip Kumar Dutta

### **Room 1.42**

#### **Free Communication Session (FC2) – Oral Presentations**

##### Urogynaecology

Chair: Kawita Bapat

Co-chair: Veena Shrivastava, Nepal

1. Prospective Evaluation of Outcome of Vaginal Pessaries versus Surgery in Women with Symptomatic Pelvic Organ Prolapse - Zeelha Abdool
2. Management of Female Stress Urinary Incontinence by Trans-Obturator Vaginal Tape (Tvt-O) - Sayd Abdullah
3. Years from Menopause to Surgery Is a Major Determinant of Postoperative Symptomatic Improvement in Postmenopausal Pelvic Organ Prolapse - Young Tae Kim
4. Management of Cystocele in Women with and without Occult Stress Urinary Incontinence Using a Synthetic Mesh - Lamyia Al Kharusi
5. One Day Hystrectomy (Minimally Invasive Vaginal Hystrectomy) in My Practice - Kawita Bapat
6. Rectocele Repair by Vaginal Route Using the Prolift System in Women with Pelvic Organ Prolapse - Vitaly Bezhenar
7. The Safety and Success of Early Discharge or Day Case Surgery for the Repair of Vaginal Wall Prolapse - Ahmed Samy Boraie
8. Posterior Intra Vaginal Slingplasty for Prolapse- Is It Safe and Effective? - Nirmala Chandrasekaran

### **Room 1.43**

#### **Free Communication Session (FC3) – Oral Presentations**

##### Labour & Delivery

Chair: Kendall O'Callaghan

1. A New Method of Controlled Fundal Pressure during the Second Stage Of Labour: Randomized Pilot Study - Natalia Novikova
2. A Qualitative Study Exploring the Fear of Childbirth Experienced by Parous Women in the Cape Town Public Obstetric Service - Kendall O'Callaghan
3. Intrapartum Fever Study: Maternal Intrapartum Fever in Relation to Early Maternal and Neonatal Morbidities - Zaharuddin Rahmat
4. Role of Echogenic Amniotic Fluid Particles and Optical Density (AFOD) in Prediction of RDS and Labour - Shankar Ram
5. Debriefing (Post Natal Birth Review) Following Emergency Operative Delivery - Does This Influence Future Pregnancy and Delivery? - Mythili Ramalingam
6. Outcome and Success Rate of Vaginal Birth after Caesarean Deliveries - Ihsan Refaei

7. Does Induction of Labour Change the Mode of Delivery at Term? Observational Study - Vladimir Revicky
8. Occult Sphincter Defects - A Problem that Needs Attention? - Abelone Sakse
9. Intrapartum Prediction System for Third-degree Perineal Trauma - Khaled Ismail

#### **Room 1.44**

##### **Free Communication Session (FC4) – Oral Presentations**

###### *Gynae-Oncology*

Chair: Yasmin Adam, South Africa

Co-chair: Purvi Patel, India

1. Presentation and Management of Carcinoma of the Cervix - El-Said Abdel-Hady
2. The Epidemiology of HPV Types Associated with CIN at a Colposcopy Clinic at Chris Hani Baragwanath Hospital - Yasmin Adam
3. Video-Image Kariometry of Malignant, Borderline and Benign Ovarian Neoplasms in Comparison to Normal Ovarian Tissues – Ryszarda Adamowicz
4. Prognostic Survival Factors in Women with Cervical Cancer in Tuzla Canton - Begzudin Ahmetovic
5. Novel Tourniquet to Reduce Blood Loss during Abdominal Myomectomy - Abdou Ait-Allah
6. Premalignant Cervical Lesions in Treatment Experienced HIV Positive Women - Babatunde Akinwunmi
7. Correlation between HIPK2, HPV and Apoptosis in Cervical Cancer - Mariam Al-Beiti
8. Primary versus Interval Cytoreductive Surgery in Treatment of Epithelial Ovarian Cancer - Kalaichelvi Arunachalam
9. Evaluation of the Role of the Surveillance in the Detection of Recurrence after Initial Therapy for Epithelial Ovarian Cancer - Tahereh Ashrafganjooei

#### **Room 1.61**

##### **Free Communication Session (FC5) – Oral Presentations**

###### *Assisted Reproduction*

Chair: Srisailesh Vitthala, UK

Co-chair: Pramila Pradhan, Nepal

1. Impact of Number of Transferred Embryos on the Outcome of Fresh IVF/ICSI Cycles – Ahmed Serour
2. The Role of Clomiphene Citrate/FSH in the Mild Stimulation Cycle – Vlatka Tomic
3. Effect of Hormone Therapy (HT) on Normal Uterine and Endometrial Development in Women with Premature Ovarian Failure (POF): A Systematic Review – Srisailesh Vitthala
4. Who is Qualified for Surrogacy – Tayebe Ziaei
5. Positive and Negative Effects of Surrogacy from the View of Married People in Gorgan-Iran – Tayebe Ziaei
6. Known or Unknown Surrogate Mother-secrecy or Openness – Ziaei Fatemeh
7. A Common LH Polymorphism is Associated with Higher FSH Consumption during Ovarian Stimulation for IVF/ICSI Cycles - Carlo Alviggi

#### **Room 1.62**

##### **Free Communication Session (FC6) – Oral Presentations**

###### *Gynae-Oncology*

Chair: Sven Mahner

Co-chair: Chanda Karki, Nepal

1. Human Papillomavirus (HPV) Genotype Distribution in Women with Normal Cytological Diagnosis Followed in Routine Clinical Practice at the Nantes University Hospital, France - Patrice Lopes
2. Expression of GRP94 in Epithelial Ovarian Tumors and Its Significance - Jiangyan Lou
3. Effect on Bladder Function Recovery and Quality of Life by Nerve-sparing Radical Hysterectomy in Patient with Early Invasive Cervical Carcinoma - Xin Lu
4. Extra-Osseous Ewing's Sarcoma – Primitive Neuroectodermal Tumor of the Vagina - A Rare Entity. Case Report and Review of Literature - Lovina Machado

5. Opportunistic Cervical Cancer Screening in a University Hospital in India in the Absence of a National Programme - Our Experience - Amita Mahendru
6. Feasibility of Intraperitoneal Chemotherapy in Advanced Epithelial Ovarian Cancer: A Pilot Study - Amita Maheshwari
7. Complete Surgical Debulking in Advanced Ovarian Carcinoma Improves Prognosis in any FIGO Stage – Analysis of 3126 Prospectively Randomized Patients in AGO-OVAR/GINECO Phase 3 Trials - Sven Mahner
8. Outcomes of Conservative Therapy for Young Women with Early Endometrial Adenocarcinoma - Mao Yuyan
9. Laparoscopic Assisted Radical Vaginal Hysterectomy for Cervical Carcinoma - Gautam Mehra

### **Room 1.63**

#### **Free Communication Session (FC7) – Oral Presentations**

##### Contraception

Chair: Kelly Blanchard

Co-chair: Swaraj Rajbhandari, Nepal

1. Awareness and Practice of Postabortion Care Services among Health Care Professionals in Anambra State of Nigeria - Echendu Adinma
2. Immediate Intrauterine Device Insertion Following Suction Aspiration between 5-12 Weeks Gestation is Safe and Does Not Significantly Increase Expulsion - Paula Bednarek
3. Effects of the Etonorgestrel – Releasing Contraceptive Implant Implanon<sup>®</sup> on Menstrual Bleeding Pattern and Acceptability - Claudio Benavides
4. HIV Infected Youth are not Using Condoms: A Comparison of Contraceptive Use among HIV Negative and Positive Youths in Uganda - Jolly Beyeza-Kashesya
5. Changing Roles of Clinical Providers in Expanding Family Planning Access and Choice - Arsène Binanga
6. Moving Oral Contraceptives over the Counter: Safety, Effectiveness, Potential Benefits and the Way Forward - Kelly Blanchard
7. Metabolic Effects of the Etonogestrel-releasing Implant during the Immediate Postpartum Period - Milena Brito
8. Endothelial Effects of Levonorgestrel-releasing Intrauterine System in Patients with Previous Thrombosis or Thrombophilia - Milena Brito
9. Factors Influencing Contraceptive Effectiveness of Oral Contraceptives: US Results from the INAS-OC Study - Juergen Dinger

### **Room 1.64**

#### **Free Communication Session (FC8) – Oral Presentations**

##### Maternal Mortality and Morbidity

Chair: Veena Agrawal

1. What Causes Eclampsia? Perception of Relations of Patients with Eclampsia - Aisha Adamu
2. Impact of Institutional Delivery on Maternal Mortality - Veena Agrawal
3. Uterine Rupture at the Nnamdi Azikiwe University Teaching Hospital, Nnewi, Nigeria - Ahizechukwu Chigoziem Eke
4. Hypogastric Balloon Occlusion in Cases of Placenta Previa in Caesarean Section: One-Year Experience at Security Forces Hospital, Riyadh, Saudi Arabia – Gehan Farid
5. Obstetric Medical Emergency Team, a Step Forward Towards Maternal Safety; Systematic Review - Hanan Al Kadri
6. Towards Achieving Millenium Development Goal Number 5: Maternal Mortality at Thika District Hospital, Kenya. A One-Year Review – Anthony Karanja Wanyoro
7. Combined Use of Bakri Balloon and Uterine Compression Sutures (“Uterine Sandwich”) in Postpartum Haemorrhage: A Case Series of Five Patients - Andreas Stavroulis
8. Maternal Mortality, What Else is needed to Start Working? - Fidel Arevalo
9. Pharmacokinetic Profiles up to 12H after Administration of Vaginal, Sublingual and Slow-release Oral Misoprostol - Annette Aronsson

### **Room 2.41**

#### **Free Communication Session (FC9) – Oral Presentations**

##### Human Sexuality

Chair: Evan Goldfischer

Co-chair: Achala Vaidya, Nepal

1. Androgen Insensitivity Syndrome (AIS): A Case History - Shabnom Ferdous Chowdhury
2. Baseline Characteristics of Patients Enrolled in Three Phase III North American Trials of Flibanserin in Premenopausal Women with Hypoactive Sexual Desire Disorder - **TBA**
3. Impact of Stress Urinary Incontinence (SUI) and Surgical Correction Using the Transobturator Tape (TOT) on Female Sexual Function (FSF) - Anna Franco
4. Efficacy and Safety of Flibanserin in a Randomized Withdrawal Study of Premenopausal Women with Hypoactive Sexual Desire Disorder - Evan Goldfischer
5. Final Adult Height, Psychological Adjustment, Surgical Outcome, Sexual Function and Fecundity Rates in Female Egyptian Patients Treated for Congenital Adrenal Hyperplasia (21-Hydroxylase Deficiency) - Mona Hafez
6. Social and Health Reasons for Lemon or Lime Juice Vaginal Douching among Female Commercial Sex Workers in Borno State, Nigeria - Abubakar Ali Kullima
7. Creation of a Vagina by Coital Dilatation Only in Young Women with Congenital Vaginal Aplasia - Mette Moen
8. Teachers Attitude to Family Life Education in Different Geographical Areas in Nigeria - Babasola Okusanya

### **Room 2.42**

#### **Free Communication Session (FC10) – Oral Presentations**

##### Antenatal Care and Diagnosis

Chair: Vaijayanti Boraskar

1. Non-chromosomal Anomalies in Association with Choroid Plexus Cyst - Mohamed Abdel-Aty
2. Audit of Antenatal Screening for Gestational Diabetes - Johnson Amu
3. Prenatal Prediction of Placenta Praevia Accreta - Gulshan Ara
4. A Comparative Study of Antenatal Care Received by Women of Ethnic Minorities and White/British Women in Bolton, UK - Sangeeta Das
5. IVIG in Rh Isoimmunisation - Vaijayanti Boraskar
6. Increased Plasma Acylation - Stimulating Protein Correlates with Hyperlipidaemia at Late Gestation - Taqdees Chaudhary
7. Abnormal Fetal Growth is Associated with Gestational Diabetes Mellitus Later in Life - Rickard Claesson
8. A Single 2-Hr after a Glucose Load is as Accurate as the Standard 2-step Testing in Identifying Gestational Diabetes Mellitus - Luis B. Curet
9. Evaluation of Vit D Status and Need for Supplementation in Pregnant Women of a Rural Area of North India - Vinita Das

### **Room 2.43**

#### **Free Communication Session (FC11) – Oral Presentations**

##### Education

Chair: Ravinder Kalkat, UK

Co-chair: Samjhana Dhakal, Nepal

1. Counselling on the Risks and Benefits of OC Use – Maureen Cronin
2. Basic Obstetric Support – BOS - Juan Pablo Antezana Escalera
3. The Impact of the Advanced Life Support in Obstetrics (ALSO) in Sudan – Shahad Mahmoud Hussein
4. Meeting Advanced Learning Needs of Senior Postgraduate Trainees through Practice-based Reflective Medical Education: Evaluation of a Teaching Programme in Obstetrics and Gynaecology – Ravinder Kalkat
5. Effects of Simulation-based and Traditional Education on Midwifery Students' Skill in Pelvic Examinations – Ftemeh Erfanian
6. Investigation of Educational Climate in Obstetrics and Gynaecology Wards in Iran University of Medical Sciences (IUMS) Based on Dreem Model – Jalil Koohpayezadeh

7. Promoting Family Planning Education and Training through International Exchanges – Uta Landy
8. HPV Infections in Adolescent Population and High School Rock Concerts for Education of Adolescent Population – Dubravko Lepusic

### **Room 2.44**

#### **Free Communication Session (FC12) – Oral Presentations**

##### Infertility

Chair: Neeta Singh

1. Cyclogest in Combination with Oxytocin (OT) and Human Chorionic Gonadotropin (HCG) in Cycles Induced by Letrozole or Clomiphene Citrate - Manizheh Sayyah-Melli
2. Unsuspected Intrauterine Pathology Diagnosed on Hysteroscopic Evaluation of Infertile Women at a Tertiary Care Hospital in India - Neeta Singh
3. Treatment Outcome in PCOS, A Follow up Study - Sindhu Nandini Tripathy
4. Clomiphene Citrate and Dexamethazone in Treatment of Polycystic Ovary Syndrome and Infertility - Fatemeh Yari

##### Health Care Policy

5. Advocacy for Free Maternal and Child Health Care in Nigeria – Results and Outcomes – Rosemary Ogu
6. Job Satisfaction among Physicians and Nurses in a Teaching and Referral Hospital in Western Kenya: Do Partnerships with High Resource Institutions in North America Make a Difference? - Elkanah Omenge
7. Clinical Risk Management - An Approach to Improve Quality of Patient Care and Reduce the Number of Enquiries and Complaints by Patients and Relatives - Naela Tarique
8. Introducing Evidence Based Perinatal Practices Package (EB PPP) in 5 Large Regions of Russia: International Project Carried Out in Yet Another Country - Natalya Vartapetova

### **Room 2.45**

#### **Free Communication Session (FC13) – Oral Presentations**

##### Endometriosis

Chair: Pradip Mitra

Co-chair: Puspa Chowdhary

1. "Add-Back" Therapy and Lipid Profile. Coagulation and Characteristics of Uterine Bleeding during GNRH Agonist Therapy - Han Yi
2. Expression of NKG2D and Its Ligands in Pelvic Endometriosis - Xu Hong
3. Immunohistochemical Detection of Aquaporin Expression in Eutopic and Ectopic Endometrial from Women with Endometriomas - Xiu Jiang
4. The Significance of Laparoscopic Treatment of Endometriosis in Infertile Patients - Milica Jovanovic
5. Efficacy of Levonorgestrel - Intra Uterine System "LNG-IUS" and Danazol in Laproscopically Treated Endometriosis - Ashima Kaura
6. Diagnostic Accuracy of Laparoscopy in the Identification of Endometriosis: A 5 Years Study at a London University Hospital - Varsha Kulkarni
7. Uterine Neural Plasticity of Adenomyosis Mice: Possible Role of Nerve Growth Factor, Inflammation and Vascularisation - Yan Li
8. Comparative Proteomic Analysis is a Useful Approach for the Discovery of Biomarkers for Endometriosis - Haiyuan Liu
9. A Randomized Clinical Trial of GNRHA and Add-back Therapy in the Treatment of Endometriosis - Qiqi Long

### **Room 2.46**

#### **Free Communication Session (FC14) – Oral Presentations**

##### Endoscopic Surgery

Chair: Simon Edmonds

Co-chair: Ashma Rana, Nepal

1. The Tunisian Gynecologist Puts Itself in "Basic Laparoscopic Skills" for a Better Patient Forecast - Faouzi Chebbi

2. Various Modes of Management of Ectopic Pregnancy - Pragya Dhirawani
3. Hydrothermal Ablation (HTA) for Medical Therapy Resistant Menorrhagia – 7 Years Experience - Simon Edmonds
4. Evaluating the Role of Uterine Artery Doppler in the Hysteroscopic Management of Some Uterine Pathologies - Sally Sayed El-Tawab
5. Application of Hysteroscopy in the Diagnosis and Treatment of Postmenopausal Pyometra - Limin Feng
6. Laparoscopic Myomectomy: Using a Subcutaneous Abdominal Wall Lifting Method or Conventional Pneumoperitoneum - Limin Feng
7. Methotrexate (MTX) Injection by Hysteroscopic Tubal Catheterization Combined with Mifepristone in the Treatment of Tubal Pregnancy - Limin Feng
8. Laparoscopic Ovarian Cystectomy Experience of Remote District Town in Bangladesh - Samar Kumar Ghosh
9. Unexpected Malignancy in Management of Adnexal Tumors by Laparoscopic. University Hospital of Vall D`Hebron, Barcelona, Spain - Teófilo Guerra

### **Room 2.61**

#### **Free Communication Session (FC15) – Oral Presentations**

##### *Surgical Techniques*

Chair: Gabriel De Pena

1. Comparison between Occlusive vs Open Dressing in Postoperative Cases - Sonali Agrawal
2. Cesarea Myomectomy - Our Experience - Ishita Awasthi
3. Surgical Management of Uterine Prolapse with Uterine Conservation by Abdominal Suspension Procedure - Rubina Bashir
4. Vaginal Hysterectomy for Non Prolapsed Uterus - Personal Experience in 3000 Cases - Petre Bratila
5. Surgical Treatment for Persistent Cin III / CIS in Young Patients - Elvira Bratila
6. Comparative Study, Laser Assisted Caesarean Section versus Conventional C-Section - Gabriel De Peña
7. Indications for a Laser Assisted Caesarean Section - Gabriel De Pena
8. From Kuala Lumpur (2006) To Cape Town (2009), Novasure Impedance Controlled Endometrial Ablation - Three-Year Follow Up - Abubaker Elmardi

### **Room 2.62**

#### **Free Communication Session (FC16) – Oral Presentations**

##### *HIV/AIDS*

Chair: Marina Flynn

1. Multicentre Report of the Effect of Caesarean Section on Adherence to Antiretroviral Therapy in a Resource Constrained Setting - Rosamund Akuse
2. Mortality Rate due to AIDS in Red Sea State - Inaam Gasim
3. The Epidemiology of HIV among Mothers Delivering in Tripoli Medical Centre - Lubna Almaghur
4. Fertility Desire and Unsafe Sexual Practice among People Living with HIV - Olutosin Awolude
5. Determinants of Child Wanted-ness in Disclosed HIV Sero-discordant Couples Attending HIV/AIDS Care in Uganda - Jolly Beyeza-Kashesya
6. Thickness of the Epithelium of the Uterine Cervix and Its Association with AIDS - Corrêa Camila Cavellani
7. Reproductive Assisted Services for HIV Infected Couples in Brazil: Demand and Barriers to Access - Eliana Amaral
8. Outcomes of HIV Positive Women Referred to the Colposcopy Clinic at St Mary's Hospital, Manchester - Marina Flynn
9. Screening HIV Seropositive Women for Reproductive Tract Infections - Vandana Goel

### **Room 2.63**

#### **Free Communication Session (FC17) – Oral Presentations**

##### *High-Risk Pregnancy*

Chair: Susan Barnes, South Africa

1. Some Characteristics of Feto-placental Unit in Patients with Rheumatic Heart Disease (RHD) - Elmardi Elhassn
2. The Pregnancy Outcome in Patients with Systemic Connective Tissue Disease - Katerina Andelova
3. Perinatal Outcome of Unexplained Oligohydramnios - Aris Antsaklis
4. Eclampsia, Characteristics and Outcomes at Groote Schuur Hospital 2007 – 2008 - Susan Barnes
5. Maternal and Foetal Outcome in Gestational Diabetes Mellitus – A Prospective Study - Sasmita Behuria
6. Sublingual (Sl) Powdered Misoprostol (400mcg) Vs IM Oxytocin (10iu) for Prevention of Postpartum Bloodloss - A Randomized Controlled Trial - Mrutyunjaya Bellad
7. Body Mass Index Impact on Gestational Diabetes Mellitus - Anna Bertini
8. Pass Stillbirth Classification: Incorporating Mechanism, Etiology and Recurrence. Prenatal Alcohol Stillbirth and SIDS (Pass) Network, Niaaa/Nichd - Theonia Boyd
9. Pregnancy Outcome Following Emergency Cervical Cerclage - Maheswari Srinivasan

### **Room 2.64**

#### **Free Communication Session (FC18) – Oral Presentations**

##### Hypertension in Pregnancy

Chair: Piia Vuorela, Finland

1. Presentation and Outcome of Eclampsia at Nnamdi Azikiwe University Teaching Hospital, Nnewi - A 10 Year Review (1997-2006) - George Eleje
2. Early-onset Preeclampsia – Do Corticosteroids Modify Progression of Disease Process - Oluwarotimi Akinola
3. Biochemical Changes in Eclampsia Patients in a Tertiary Level Hospital of Bangladesh - Laila Parveen Banu
4. Management of Severe Pre-eclampsia: The Way Forward - Sonela Basak
5. Fluid and Nutritional Management Can Significantly Reduce the Mortality of Patients with Eclampsia in Resource Poor Settings - Badrunnesa Begum
6. A Lower Dose of Magnesium Sulphate for Control of Convulsion in Eclamptic Women of Bangladesh - Kohinoor Begum
7. Prediction of Impending Pre-eclampsia by Plasma Lipoprotein 'A' Levels - Adarsh Bhargava
8. Magnesium Sulfate for Pre-eclampsia: A Study of Attitudes and Barriers in India - Annie Regi
9. Preeclampsia in Low-resource Settings: A Randomized Trial of IV Mgso4 via Flow Controlled Pump - Shuchita Mundle

### **Room 2.65**

#### **Free Communication Session (FC19) – Oral Presentations**

##### Women's Health Issues

Chair: Ian Milsom

1. The Impact of OAB on Female Sexual Health: The Epiluts Study - Ian Milsom
2. A Prospective Case Control Study to Assess the Association between Preconception and Prenatal Consumption of Alcohol and Abruptio Placentae amongst the Coloured Population in the Western Cape - Marlena Du Toit
3. Association between Vaginal Douching and Chlamydia Trachomatis Infection and/or Neisseria Gonorrhoeae in Female Sex Workers - Paulo Giraldo
4. Efficacy and Safety of Moxifloxacin vs Levofloxacin plus Metronidazole in Uncomplicated Pelvic Inflammatory Disease in Asia: The Monalisa Study - Philippe Judlin
5. Effects of Education through Volunteer Women (RABET) to Mothers on Young Adult Daughters about Adolescent Health - Talat Khadivzadeh
6. Impact of Episiotomy on Pelvic Floor Disorders after the 6th Month Post-partum: A Retrospective Cohort Study - Serena Bertozzi
7. Social Historical Perspective of Black Women's Reproductive Rights - Chanel Marshall

8. The Effect of Childbirth Preparation Classes on Fear of Childbirth and Severity of Labour Pain in Pregnant Women Reoffered to Akbarabady Hospital of Tehran, 2008 - Mahboobeh Nazari Jeyrani

## **15h30 – 16h00 Refreshment Break**

## **16h00 – 17h30 Monday Sessions**

### **Auditorium 1**

#### **Royal College of Obstetricians and Gynaecologists (RCOG): Clinical Standards in Obstetrics and Gynaecology**

Chair: Sabaratnam Arulkumaran, London, UK

1. Maternity Standards - Heather Mellows, Worksop, UK
2. Setting Standards in Gynaecology to Improve Care of Women - Tahir Mahmood, Kirkcaldy, UK
3. Clinical Dashboards - Edward Morris, Norwich, UK

### **Auditorium 2**

#### **Reproductive Health Access, Information and Services (RAISE): Human Resources Capacity in Emergency Settings**

Chair: Grace Kodindo, New York, USA

1. Reproductive Health Problems in Earthquake Hit Kutchchh, Gujarat, India - Prakash Bhatt, India
2. Training Reproductive Health Care Providers Working in Fragile States: RAISE Training Center Experiences in Eastleigh, Nairobi, Kenya - Fred Akonde, Nairobi, Kenya
3. Re-establishing the Midwifery Workforce in Post Conflict Afghanistan - Jeffrey Smith, Baltimore, USA
4. Strengthening Human Resources for Maternal Survival in Post-Conflict Countries - Helen de Pinho, New York, USA

### **Ballroom East**

#### **Polish Society of Obstetrics and Gynaecology: Modern Trends in the Treatment of Fibroids**

Chair: Jan Kotarski, Lublin, Poland

Co-chair: Ryszard Poreba, Lublin, Poland

1. UAE and Modern Minimal Invasive Techniques for Fibroids - Jan Kotarski, Lublin, Poland
2. Sense and Nonsense of Laparoscopic Treatment of Fibroids - Leszek Pawelczyk, Poznan, Poland
3. Is Pharmacological Treatment for Fibroids Possible? - Tomasz Paszkowski, Lublin, Poland
4. Fibroids and Fertility - Miroslaw Wielgos, Warsaw, Poland
5. Uterine Sarcomas – Marek Spaczynski, Poznan, Poland

### **Ballroom West**

#### **Turkish Society of Obstetrics and Gynaecology**

Chair: Haldun Güner, Ankara, Turkey

Co-chair: Oya Gökmen, Ankara, Turkey

1. Recurrent Pregnancy Loss - Cansun Demir, Adana, Turkey
2. Elective Caesarean Section vs Normal Labour - Ali Baloğlu, Izmir, Turkey
3. Midurethral Slings in Stress Urinary Incontinence - Ismail Itil, Izmir, Turkey
4. Endometriosis and Infertility - Bulent Tiras, Ankara, Turkey

### **Westin Grand Ballroom**

#### **Hellenic Society of Paediatric and Adolescent Gynaecology: From Pre-conception to Pregnancy**

Chair: Efthimios Deligeoroglou, Athens, Greece

1. Adolescent Pregnancy Outcomes - Nikolaos Vrachnis, Athens, Greece
2. Reconstructive Surgery of Mullerian Anomalies in Young Females - Efthimios Deligeoroglou, Athens, Greece
3. Creatas' Vaginoplasty. A Simple Operation for Vaginal Reconstruction - Efthimios Deligeoroglou, Athens, Greece
4. Hormonal Treatment in Adolescent PCOS - George Mastorakos, Athens, Greece

### **Roof Terrace**

#### **Women's Initiatives Network, Peace-work Development Fund - Sterilization and Informed Consent: Sterilisation and Informed Consent: Global Legal Challenges and the Way Forward**

Chair: Peter Hornnes, Denmark

1. Redressing and Halting Coerced Sterilisation of Women and Girls Living with HIV and AIDS - Jennifer Mallet, Windhoek, Namibia
2. Sterilisation and Informed Consent in North America - Bernard Dickens, Toronto, Canada
3. Sterilisation and Informed Consent in Latin America - Susana Chavez, Lima, Peru
4. Sterilisation and Informed Consent in Asia and Pacific - Abhijit Das, New Delhi, India
5. Sterilisation and Informed Consent in Europe - Gwendolyn Albert, Prague, Czech Republic

### **Room 1.41**

#### **Free Communication Session (FC21) - Video Presentations**

##### *Surgical Techniques*

Chair: Bruce McLucas

1. Operation of Bulky Nodes in Locally Advanced Cervical Cancer by Laparoscopic Robotassisted Technique – Paivi Kannisto
2. Acquisition of Endovascular Skills for Uterine Artery Embolization Using a Simulator – Bruce McLucas
3. Random Prospective Comparative Study of Vaginal Hysterectomy versus Abdominal Hysterectomy in Cases of Non-descent Bulky Uteri – Suchitra Pandit
4. Sever Haemorrhage Control in Obstetrics and Gynaecology by Hypogastric Artery Ligation - Chitulea Petru
5. Total Laparoscopic Hysterectomy Technique, Tools and Video Presentation - Mohammad Abdul Quayyum
6. New Technique for Reconstruction of the Vulva after Radical Vulvectomy in Advanced Cases - Hosam Thabet Salem
7. Modern Techniques in Submucosal Fibroids Treatment – Olga Mishieva
8. Ovarian Artery Clamp: A New Clamp to Reduce Bleeding at Open Myomectomy – Adam Magos, London, UK

### **Room 1.42**

#### **Free Communication Session (FC22) – Oral Presentations**

##### *Urogynaecology*

Chair: Peter Dwyer

1. The Management of Stress Urinary Incontinence Using Transobturator Tapes in a Tertiary Hospital in South Africa - Andreas Chrysostomou
2. Compliance and Voiding Function in Women with Refractory Overactive Bladder (OAB) Receiving Intra-detrusor Botulinum Toxin A (Dysport®) Injections - Stergios Doumouchtsis
3. Lower Urinary Tract Injury during Mid-urethral Sling - Peter Dwyer
4. A Novel Concept on the Pathophysiology of Voiding Troubles and Vaginal Prolapse - Abdel Karim El Hemaly
5. Prolene Mesh Sling in Treatment of Female Stress Urinary Incontinence - Mohamed El-Gharib
6. Hysteroscopy in Abnormal Uterine Bleeding in Libyan Women. Is it Helpful? - Ramadan Elgantri
7. Uterovaginal Prolapse: Is There Still a Role for Traditional Vaginal Reconstructive Surgery? - Luis Espaillat

8. Transobturator Tape for Stress Urinary Incontinence - Fatima Sarwat

### **Room 1.43**

Free Communication Session (FC23) – Oral Presentations

#### Labour and Delivery

Chair: Malin Thorsell

1. Management of Postpartum Haemorrhage with Bakri Balloon Tamponade - Andreas Stavroulis
2. The Controversial Role of the Ob-Gyn in Increasing the Number of C.S. - Florin Szasz
3. The Influence of Epidural Analgesia on the Course of Labour - Iwona Szymusik
4. An Audit on Management of Major Postpartum Haemorrhage in a University Hospital - Amber Tahir
5. Induction of Labour Associated with Risk for Acute Caesarean Section in Nulliparous and Multiparous Women - Malin Thorsell
6. Information on Caesarean Delivery Provided in Brazilian Women's Magazines - Mario Meriardi
7. Caesarean Section at Full Dilatation – Results from a Three Year Audit - Julia Unterscheider
8. Factors Influencing VBAC Outcome - Surekha Upendram
9. Maternal Involvement in Decision-making Regarding Mode of Delivery. Does It Influence Future Mode of Delivery? - Radha Venkatakrishnan

### **Room 1.44**

Free Communication Session (FC24) – Oral Presentations

#### Gynae-Oncology

Chair: Richard Cacho

1. "Select And Treat" in Women with High Grade Smear: Is This an Appropriate Strategy. Does Completeness of Excision Determine the Outcome? - Nosheen Aslam
2. Hysteroscopy as Out Patient Diagnostic Procedure in Patients with Dub - Kawita Bapat
3. Colposcopy as a Method of Preventive Screening of Cervical Intraepithelial Neoplasia CIN in School Teachers of INDORE MP INDIA - Kawita Bapat
4. The Role of Secondary Cytoreductive Surgery in the Treatment of Patients with Recurrent Ovarian Cancer - Ioannis Biliatis
5. Papillary Serous and Clear Cell Carcinoma of the Uterus: A Single Institution Review of 111 Cases - Ioannis Biliatis
6. Preventing Cervical Cancer: Stakeholder Attitudes toward "Fasthpv"- Focused Screening Programs in Roi-Et Province, Thailand – Bandit Chumworathayi
7. Expression of the Cell-Cycle Regulators P21, P16 and P53 in Cervical Intraepithelial Neoplasia - Joana Bragança
8. External Validation of a Laparoscopic-based Score to Evaluate Resectability of Advanced Ovarian Cancers: Clues for a Simplified Score - Jean-Luc Brun
9. Distinguishing the Benign and Malignant Adnexal Mass: A Prospective External Validation of a Risk of Malignancy Index (RMI) Based on Intra-operative Features - Richard Cacho

### **Room 1.61**

Free Communication Session (FC25) – Oral Presentations

#### Labour and Delivery

Chair: Bjorn Backe

1. The Effect of Massage on the Duration of First Stage of Labour - Zohreh Abasi
2. Titrated Misoprostol Solution for Induction of Labour - Veena Agrawal
3. Abruptio Placentae: 5-Year Experience at a Nigerian Teaching Hospital – Ikechukwu Mbachu
4. A Retrospective Audit of Obstetric Anal Sphincter Injury (Oasis) at University College Hospital, Galway - Misbah Akram
5. Perinatal Outcome and Reproductive Health in Mothers Affected by Dystocia in Their First Delivery - Michael Algovik

6. Long Term Effects of Caesarean Section-risk of Endometriosis - A Nested Case Control Study - Erika Andolf
7. Comparison between Elective Induction with Artificial Rupture of Membranes in Latent Phase or without It, with Considering Mode of Delivery and Staying Time in Labour - Arasteh Athary
8. Two Spontaneous Deliveries in a Woman with Congenital Indifference to Pain due to Snc9a Channelopathy - Bjorn Backe
9. The Long Term Outcome of Third and Fourth Degree Perineal Tears - Pallavi Bagade

### **Room 1.62**

#### **Free Communication Session (FC26) – Oral Presentations**

##### *Gynae-Oncology*

Chair: Ann Nielsen

1. Human Papilloma Virus Screening in Tunisia - Ahlem Methni
2. Study on Management of Endometrial Cancer - Gaadha Mohiyiddeen
3. Is the Uptake of Smear Better at the GP Surgeries Following Colposcopic Treatment? An Audit at a District General Hospital - Vanitha Nallaswamy
4. Comparison of Laparoscopic Radical Hysterectomy and Abdominal Radical Hysterectomy for Stage IA2-IIA Cervical Cancer: A Matched Case-control Study - Nam Joo-Hyun
5. Audit of Management Referral for Ovarian Cyst in Women (Above 50 yrs) - Krishnaveni Nayini
6. Management of CIN in Cervical Cancer Screening Programme in Bangladesh - Ashrafun Nessa
7. Increased Incidence of Anal Cancer in Danish Women from 1978-2006 - Ann Nielsen
8. The Use of Colposcopy versus Colposcopy and Optical Detection System in Diagnosis of Squamous Intraepithelial Lesions of the Cervix: A Clinical Comparative Study - Eldine Nour
9. Significance of Pre- and Post-conization Human Papillomavirus Genotyping - Min Jeong Oh

### **Room 1.63**

#### **Free Communication Session (FC27) – Oral Presentations**

##### *Contraception*

Chair: Kristina Gemzell-Danielsson

Co-chair: CM Singh, India

1. Vaginal Flora Changes on Pap Smears after Insertion of Intrauterine Levonorgestrel Releasing Device (Mirena®) – Gilbert Donders
2. Clinical Experience with Nuvaring® in the Czech Republic – Tomas Fait
3. Double-blind Placebo Controlled Study on the Effect of Misoprostol on Easiness of Repeat Insertion of the LNG-IUS - Kristina Gemzell-Danielsson
4. Progestin Potency - Assessment and Relevance to Choice of Oral Contraceptives - Norman Goldstuck
5. Integration of Family Planning into HIV Care in Western Kenya: What Do Providers Think? - Sara Newmann
6. Bleeding Pattern and Safety of Repeat Use of the LNG-IUS: Results of a Multicenter Prospective Study - Oskari Heikinheimo
7. Pregnancies Following Female Sterilisation. A National Follow-up of 58,240 Unselected Sterilisations - Peter Helm
8. Laparoscopic Evaluation of Infertile Women in Kano and Knowledge Attitude and Practice of Family Planning amongst Women Attending Antenatal Clinic in Aminu Kano Teaching Hospital – Saidu Ibrahim
9. Knowledge, Attitude and Practice of Emergency Contraception in Women Requesting Termination of Pregnancy - Rubina Izhar

### **Room 1.64**

#### **Free Communication Session (FC28) – Oral Presentations**

##### *Maternal Mortality and Morbidity*

Chair: Graeme Brassard

1. Impact of Decision - Operation Interval on Pregnancy Outcomes among Mothers Who Undergo Emergency Caesarean Section at Mulago Hospital – Michael Balikuddembe
2. Reasons for Non Utilization of Orthodox Health Facilities by Pregnant Women; A Pilot Study in Four Local Government Areas (LGAS) in Akwa Ibom State, Nigeria - Emem Bassey
3. Rupture of Unscarred Uterus Presenting in Postpartum Period - A Case Report - Kavitha Battula
4. Elevated Soluble Endoglin Serum Levels in First Trimester Pre-Eclampsia - Marc U. Baumann
5. The Maternal Health Thematic Fund. UNFPA's Contribution to the Joint UN Support to Accelerate Progress in Improving Maternal and Newborn Survival - Vincent Fauveau
6. Ensuring Safe Motherhood in the Rural Bangladesh by Community Skilled Birth Attendants - Malin Bogren
7. A Comparison of Draper Estimation and a Standardized Weight Method for the Measurement of Postpartum Blood Loss - Kurus J. Coyaji
8. The Effectiveness of the SOS Bakri Balloon in Controlling Post Partum Hemorrhage Unresponsive to Medical Therapy in a Community Hospital in Edmonton, Alberta – Graeme Brassard
9. Strategies for Improving Intrapartum Care: Identification of Women Who Should Be Targeted for Hospital Delivery - Amy Bryant

### **Room 2.41**

#### **Free Communication Session (FC29) – Oral Presentations**

##### *Menopause*

Chair: Deborah Bateson

Co-chair: Bhaskar Pal, India

1. Relationship between CA-125 and Osteoporosis in Otherwise Healthy Postmenopausal Women - Sun Haeng Kim
2. EURAS-HRT Study: Cardiovascular Safety of Oral Continuous Combined HRT Preparations - Anita Assmann
3. An Open - Label Randomised Trial to Determine the Most Effective Regimen of Vaginal Estrogen to Reduce the Prevalence of Atrophic Changes Reported in Postmenopausal Cervical Smears - Deborah Bateson
4. The Expression of Cox-2 in Primate Breast Tissue during Different Long Term Hormonal Treatments - Marie Hofling
5. Menopause Pelvic Organ Prolapse (POP) and Stress Urinary Incontinence (SUI) - Laila Mousa
6. A Study of Relationship between Delivery Type and Menstrual Disorders - Fatemeh Nahidi
7. Levonogestrel Use for Treatment of Irregular Menstrual Bleeding in Premenopausal Patients - Fedja Omeragic
8. Psychosomatic and Psychosexual Aspects of Surgically Induced Menopause - Chitulea Petru

### **Room 2.42**

#### **Free Communication Session (FC30) – Oral Presentations**

##### *Antenatal Care and Diagnosis*

Chair: Rajesh Gangaram

1. Prevalence and Severity of Urinary Incontinence in Nulliparous Pregnant Women. Changes during Pregnancy - Montserrat Espuña-Pons
2. Accuracy of the Spot Urinary Microalbumin: Creatinine Ratio and Visual Dipsticks in Hypertensive Pregnant Women – Rajesh Gangaram
3. Pregnancy Outcomes in Hypertensive Disorders of Pregnancy Using the Diagnostic Accuracy of the 24-Hour Urinary Protein and Urinary Microalbumin: Creatinine Ratio – Rajesh Gangaram
4. Accuracy of Liver Function Tests in Predicting Maternal and Fetal Complications in Women with Pre-eclampsia: A Systematic Review – Khaled Ismail
5. An Epidemiological Study on Hydatidiform Molar Pregnancy with Particular Regard to Its Recurrent Rate in Khuzestan Province, South West of Iran, during 12 Years (1996-2008) - Khodabakhsh Karami

6. Gestational Age-specific Reference Intervals for 32 Chemical, 13 Hematological, 10 Coagulation and 3 Thyroid Laboratory Tests during 391 Uncomplicated Pregnancies, Vaginal Delivery and Early Postpartum Period – Anna Klajnbard
7. Evaluation of Fetal Renal Volume in Growth Restricted Fetuses Dimension Ultrasound – Serag Mansour
8. Management of Idiopathic Polyhydramnios – Manju Nair
9. Does Term Pregnancy with Oligohydramnios Needs Termination? – Zinnat Ara Nasreen

### **Room 2.43**

#### **Free Communication Session (FC31) – Oral Presentations**

##### Education

Chair: Markus Martin

1. The Effectiveness of an Educational Program for Visual Inspection with Acetic Acid (VIA) as Cervical Cancer Screening in Ugandan Health Care Workers: A Pilot Project – Lisa Levine
2. The African Advanced Life Support in Obstetrics (ALSO) Network. Activities and Experiences - Bjarke Lund Sorensen
3. High Technology in Obstetrics and Gynaecology for Lower Level Medical Students – Markus Martin
4. Job Burnout among Postgraduate Residents: A Comparison among Different Specialities - Syeda Batool Mazhar
5. Improvement in Emergency Obstetrical Care (EOC) Knowledge and Skills Further to the Alarm International Program (AIP) Training in Ukraine: FIGO Saving Mothers & Newborns Project – Iryna Mogilevkina
6. Training Ghanaian Physicians as Clinical and Academic Leaders – Patricia Mullan
7. Get "Real" with Hysteroscopy Using the Pig's Bladder: A Novel "Uterine" Model for Hysteroscopy Training; A Literature First – Ying Woo Ng
8. Supporting a Community of Learners by E-Mentoring, Experiences Drawn from a Residency Program – Timona Obura

### **Room 2.44**

#### **Free Communication Session (FC32) – Oral Presentations**

##### Health Care Policy

Chair: Charlotta Grunewald

1. Community-based Postnatal Care Study in Bangladesh - Ferdousi Begum
2. Implementing Healthcare Risk Management - The Radical Framework - Celia Burrell
3. The Role of the 'Maternity Dashboard' in Improving Patient Care: 2-Year Experience at a Tertiary Centre - Edwin Chandraharan
4. Thinking inside the Box: The Business of Saving Mothers - Gloria Esegbona
5. Quality of Birth Care in Labour Rooms in Selected Teaching Hospitals in Khartoum, Sudan – Atif Fazari
6. Launching the International Motherbaby Initiative to Improve Maternity Care Globally - Gomez Ponce De Leon Rodolfo
7. Safe Delivery – A Swedish Health System Intervention - Charlotta Grunewald
8. Factors Associated with Willingness to Pay for a Life-saving Drug - Martine Holston
9. Strategic Alliances in Development Assistance for Health: Taiwan Experience in Africa - Allen Lai

### **Room 2.45**

#### **Free Communication Session (FC33) – Oral Presentations**

##### Endometriosis

Chair: Pradip Mitra

1. Massive Ascites Associated with Endometriosis in a Patient from Ghana - Despina Mavridou
2. Aromatase Inhibitors in the Treatment of Recurrent Endometriosis - Pradip Mitra
3. Adenomyosis - Before and after Insertion of Levonorgestrel Intrauterine Device - Mircea Onofriescu
4. Serum Cytokines as Biomarkers for Nonsurgical Prediction Of Endometriosis - Hosam Thabet Salem

5. Long-Term Experience with Dienogest for the Treatment of Endometriosis: A One-year, Open-label, Follow-up Study - Christian Seitz  
*Hypertension in Pregnancy*
6. The Expression of ADAM19 in the Placenta of Pre-eclamptic Women and Its Regulation on Cytotrophoblast-secreting Mmps - Wang Yongqing
7. Detection of Adiponectin Gene Polymorphism in Severe Preeclampsia - Rong Zhou  
*Information Technology in Obstetrics & Gynaecology*
8. Therapeutic Efficacy of LNG IUS in the Management Benign Menorrhagia - Sujata Swain
9. Evaluation of a Web Based Service for the Provision of Oral Contraception - Thom Van Every

### **Room 2.46**

#### **Free Communication Session (FC34) – Oral Presentations**

##### *Endoscopic Surgery*

Chair: Francois Lubbe

1. Laparoscopic Supracervical Hysterectomy for Large Uteri in Obese Wome. Our Initial Experience - Munawar Hussain
2. Long-term Outcomes Following Laparoscopic Supracervical Hysterectomy - Madhavi Kalidindi
3. Laparoscopic Sacrocolpopexy: Our Experience at an Inner City London Hospital - Madhavi Kalidindi
4. Sustaining a Gynecologic Operative Laparoscopic Training Program in Ghana - Jin Hee Kim
5. Impact of Virtual Reality Training in Laparoscopic Gynaecology - Christian Larsen
6. A Prospective Study Review of 14 Years of Total Laparoscopic Hysterectomy in Private Practice in South Africa (1996-2009) - Francois Lubbe
7. Laparoscopic Ovarian Cystectomy: Five Years Experience of Presumed Benign Ovarian Cysts - Oladimeji Olowu
8. Laparoscopic Management of Fourteen Consecutive Cases of Large Ovarian Cysts: Four Years Experience - Oladimeji Olowu
9. Laparoscopic Management of Twelve Consecutive Cases of Ovarian Torsion: Four Years Experience - Oladimeji Olowu

### **Room 2.61**

#### **Free Communication Session (FC35) – Oral Presentations**

##### *Surgical Techniques*

Chair: Galal Lotfi

1. Jejunum Segment Use for Vaginal Reconstruction - Munire Erman Akar
2. Grafenberg Ring - A Case Series - Nirupama Jayagopal
3. Radical Trachelectomy In Treatment of Early Stages of Cervical Cancer - Aleksandar Stefanovic
4. Current Trends in Gynaecologic Hysterectomy in Angola - Kekeruiate Onymalu
5. Clinical Analysis of Pelvic Floor Reconstruction Operation in 31 Cases - Huan Li
6. Re-Operation after Peripartum Hysterectomies - Manhua Dai
7. Advanced Technique of Caesarean Section - Ela Lodh
8. Safe Teaching Strategy for Vaginal Hysterectomy - Galal Lotfi

### **Room 2.62**

#### **Free Communication Session (FC36) – Oral Presentations**

##### *HIV/AIDS*

Chair: Lubna Haque

Co-chair: Nabakishore Singh, India

1. Management of HIV-Positive Patients in Pregnancy in the Grampian Region of Scotland (1997-2008) - Lubna Haque
2. Provider HIV and Pregnancy Prevention in South Africa: The Female Condom - Kelly Blanchard
3. CD4 Count in a Healthy Nigerian Obstetric Population - Mairo Hassan
4. Clinical Study of the Efficacy Therapy for Persistent Ectopic Pregnancy - Li Huan

5. Preventing HIV Acquisition with Male Circumcision: A Pilot Program Training Medical Providers to Perform Infant Male Circumcision in Kisumu, Kenya - Marisa Young
6. Comprehensive Care for HIV Infected Pregnant Women and Their Infants in Resource Limited Settings. The Experience of Karatina Program (Central Kenya) - Juma Mwangi
7. Sentinel Surveillance of HIV Infection in Pregnant Women in RIMS Imphal - Naorem Nabakishore Singh
8. A Qualitative Exploration of HIV-Positive Pregnant Women's Decision-making Regarding Abortion in South Africa - Phyllis Orner
9. High Unmet Need for Contraception and Unplanned Pregnancy among HIV Positive Women - Call to Intergrate Family Planning into Post Natal and HIV Treatment Clinics – Tinuade Oyebo

### **Room 2.63**

#### **Free Communication Session (FC37) – Oral Presentations**

##### High-Risk Pregnancy

Chair: Marcelo Custodio

1. Pregnancy Is a Risk Factor for the Long Term Graft Survival in Renal Transplant Patients Immunosuppressed with Calcineurin Inhibitors – Vicenç Cararach
2. Clinical Analysis of Pregnancy Combined with Thyroid Disorder - Cui Yong Yi
3. Maternal and Perinatal Outcome in Patients with Severe Systolic Dysfunction due to Cardiac Infectious Disease – Marcelo Custodio
4. Breech With Previous Scar, Is ECV a Good Option? - Mohamed Fawaz El-Muzaini
5. Multiple Pregnancies: Risks and Outcome – Omer A Elsraiti
6. Clinical Study of Cases of Placenta Praevia Admitted at Feni PVT Hospital and Other PVT Hospitals at Feni and Noakhali Dists, Bangladesh from Jan 2008 to Dec 2008 - Samiha Farhat
7. Prediction and Differential Diagnosis of Myomas in Pregnancy – Miroslava Gojnic
8. The Assessment of Positive Predictive Value Serum Hematocrit Level in Early Detection of Preeclampsia – Farzaneh Golboni

### **Room 2.64**

#### **Free Communication Session (FC38) – Oral Presentations**

##### Hypertension in Pregnancy

Chair: Purnima Deb

1. Markers of Future Cardiovascular Disease in Women with Previous Hypertension in Pregnancy - Rickard Claesson
2. Late Postpartum Eclampsia without Prodroma. Awareness – The Key for Prevention - Purnima Deb
3. The Significance of Endothelial Activation Markers in the Prediction of Subsequent Development of Preeclampsia - Ishraq Dhaifalah
4. Magnesium Sulphate Therapy in Eclampsia - The Sokoto (Ultra Short) Regimen - Bissallah Ekele
5. Pregnancy Outcome of Severe Pre-eclampsia in Libya - Fatheia El Rishi
6. Maternal Serum Inhibin-A for Predicting Preeclampsia - Mohamed EL-Gharib
7. Role of Colour Doppler in Prediction of PIH and IUGR - Nidhi Gandhi
8. Prognosing of Pregnancy Issues, Birth Delivery and of the Post-natal Period in Patient with Gestosis - Amirkhan Torchinov
9. Analysis of Clinical Warning Signs before Preeclampsia Onset - Zi Yang

### **Room 2.65**

#### **Free Communication Session (FC39) – Oral Presentations**

##### Women's Health Issues

Chair: Mourad Seif

1. Attitudes Surrounding Human Papillomavirus (HPV) Vaccination in Asia: Results of a Survey of Mothers and Physicians from Malaysia, Korea, Taiwan and Thailand - Ruy Soon
2. Obstetric and Fetal Outcomes of Women with Severe Hyperemesis Gravidarum - Arpita Ray
3. Policy Implication: Impact of Ethnicity on Abortion and Contraception Practice among Nepali Women - Kiran Regmi

4. The Royal College of Obstetricians and Gynaecologists' (RCOG) Vision towards Collaborating with Eastern Europe: An Analysis of the Pilot Scheme - Mourad Seif
5. Humanization of Childbirth at a Public Hospital of Brazil: Maternal and Neonatal Outcomes - Elias De Melo
6. Assessment of Voluntary Pelvic Floor Contraction in Pregnant Women Following a Simple Verbal Instruction by Transabdominal Ultrasound and Coccygeal Palpation Test - Stine Stensgaard
7. HPV Knowledge in Low Income and Minority Parents - Marylou Thelmo
8. A Novel Oral Contraceptive Comprising Estradiol Valerate/Dienogest for the Treatment of Heavy and/or Prolonged Menstrual Bleeding without Organic Cause: A Double-blind, Randomised, Placebo-controlled Trial – Ian Fraser

## Monday Posters

### **Obstetrics / Perinatology**

- P1. Insulin-like Growth Factor Binding Protein-1 in Cervico-vaginal Secretions as an Indicator of Premature Rupture of Membranes: Comparison with Nitrazine Test and Amniotic Fluid Index – Wafaa Aboulenien
- P2. Use of Inhalable Insulin in Pregnancy: A Case Report – Adinarayana Makam
- P3. Blood Pressure (BP) Levels in Pregnant Nigerian Women – Bosede Afolabi
- P4. A Rare Association of Neurocutaneous Melanosis, Dandy Walker Malformation and Ventriculomegaly – Bini Ajay
- P5. Peforated Duodenal Ulcer in the Puerperium - A Rare Cause of Acute Abdominal Pain Case Report and Literature Review – Lilian Alabi-Isama
- P6. Assessment of Quality of Diet and Its Impact on Hemoglobin Levels and Identification of Food Restriction and Preference in Pregnant Women – Saadiya Aziz Karim

- P273. Sterilisation after the Third Caesarean Section – Goran Relic
- P274. Hysterectomy Cesarea, Postpartal Hysterectomy and Multiple Repeat Caesarean Section – Goran Relic

- P275. Neonatal Results in Twin Gestations  $\geq$  32 Weeks According to the Planned Mode of Delivery - Frans Roumen
- P276. The Relationship between Type of Delivery and Postpartum Quality of Life – Zohreh Sadat
- P277. The Use of an Indwelling Urinary Catheter prior to Caesarean Delivery. Audit at a District General Hospital in the UK – Abhijeet Shah
- P278. A Cohort Study of 500 Patients Recruited to Ecscit - Elective Caesarean Section Syntocinon Infusion Trial – Sharon Sheehan
- P279. Risk Factors for Caesarean Section in Primiparous Women Admitted at IMIP - Elias Ferreira Melo Júnior
- P280. Factors Influencing the Practice of Vacuum Delivery in Kenya – William Stones
- P281. Are We Doing More Second Stage Caesarean Sections – Narasimha Swamy
- P282. Cervical Length Measurement in 22-24 Weeks of Gestation as a Prediction Factor of Preterm Delivery in Singleton Pregnancies - Iwona Szymusik
- P283. The Effect of Antenatal Education on Pain Intensity and Labour Progression – Simin Taghavi
- P284. The Effects of Turmeric (*Curcuma Longa L*) Ointment on Healing of Episiotomy Site in Primiparous Women – Fatemeh Tara
- P285. Postpartum Subdural Hygroma as a Cause for Immediate Postpartum Headache Secondary to Labour - A Case Report – Maitrayee Maitra
- P286. Can the Primary Caesarean Section Rate be Justified? – Madhini Visvanathan
- P287. Idiopathic Rupture of the Foetal Bladder during Labour – Radhika Pingili
- P288. Dysfunctional Labour and Maternal Morbidity – Eva Wiberg-Itzel
- P289. Barriers to Achieving Millenium Development Goal Number 5: One Year Review of Ruptured Uterus at Thika District Hospital, Central Province, Kenya - Anthony Karanja Wanyoro
- P290. Postpartum Maternal Morbidity Requiring Hospital Admission at Tertiary Medical College Hospital, Agartala, Tripura, India - A Descriptive Study – Jaharlal Baidya
- P291. Retrospective Analysis of 51 Cases with Life Threatening Peripartal Hemorrhage Treated with Recombinant Activated Factor Viia - Tomas Binder
- P292. A Look into the Past: What Has Changed in Obstetrical and Neonatal Outcome since the 19th Century – Xavier Carcopino
- P293. Emergency Obstetric Hysterectomy at a Tertiary Hospital in Albania – Kastriot Dallaku
- P294. The Comparision of Associated Factors of the Birth Weight in 2 Groups, in Minus 2500 Grams and 2500 Grams and More in Term Pregnancy in Iran – Forozan Milani
- P295. A Study of Reproductive Morbidity of Women in the Terai Region of Nepal – Ganesh Dungal
- P296. Management of Major Degree Placenta Previa at Tertiary Level Hospital (Dutta's Technique) - Dilip Kumar Dutta
- P297. Acute Colonic Pseudo-obstruction (ACPO)/Ogilvie's Syndrome 2008: A Review – Pia Ertberg
- P298. Vaginal Birth after Previous One Caesarean Section - A 2 Years Retrospective Study – Mohamed Fahmy
- P299. Implementation of a Risk Reduction Strategy to Prevent Maternal Death Associated with Unsafe Abortion (Health Initiatives Against Unsafe Abortion) in First Level Health Centers of Uruguay – Veronica Fiol
- P300. Retained Products of Conception (RPC) – Analysis of the Instrumental Evacuation of the Uterine Cavity for Postnatal Tissue Retention – Jiri Hanacek
- P301. The Relation between Ultrasonographic Measurements of Endometrial Thickness and Pattern with Pregnancy Rate in Patients in IVF/ICSIi Treatment – Mitko Ivanovski
- P302. Evaluation of Lavander Cream Effect on Episiotomy Pain and Wound Healing in Primiparous Women - Talat Khadivzadeh
- P303. The Effect of the Peritoneal Non Closure at Caesarean Section on Short Term Post Operative Complications - Nayereh Khadem
- P304. The Bacterial Vaginosis Is Risk Factor for Preterm Labour? - Marcia Luiza Krajden
- P305. Ovarian Vein Thrombosis - Oscar Augusto Oviedo Moreno

- P306. Prosthetic Valve Thrombosis during Pregnancy: Problems of Rational Antithrombotic Therapy – Viktoria Bitsadze
- P307. Delays in Obtaining Treatment for Postpartum and Postabortion Hemorrhage in Low Resource Settings: The Role of the Non-Pneumatic Anti-Shock Garment (NASG) – Janet Turan
- P308. Chlorhexidine Washing of the Vagina in Labour Effectively Reduces Bacterial Colonization – Velda Mushangwe
- P1133. Tranexamic Acid for the Treatment of Postpartum Haemorrhage: An International, Randomised, Double Blind, Placebo Controlled Trial (Woman Trial - Protocol Number ISRCTN76912190) – Metin Gulmezoglu
- P1138. Correlation between Bhcg Levels in Cervicovaginal Secretions and Diagnosis of Preterm Labour - Farideh Akhlaghi

# Tuesday 6 October

## 08h00 – 09h00 Tuesday Sessions

### **Auditorium 1**

#### **Debate: Women Have a Right to Request Elective Caesarean Delivery at Term**

Chair: Joanna Cain, Providence, USA

For: Susan Walker, Melbourne, Australia

Against: James Drife, Leeds, UK

### **Auditorium 2**

#### **State of the Art Lecture**

Chair: Serge Rozenberg, Brussels, Belgium

Menopause - Robert Reid, Kingston, Canada

### **Ballroom East**

#### **Global Momentum for Maternal and Newborn Health (MNH): How Can We Advance It?**

Co-chairs: Hamid Rushwan, London, UK and France Donnay, Seattle, USA

#### ***A – Mechanisms to Reduce Maternal and Newborn Morbidity and Mortality – Success Stories***

Moderator: Gary Darmstadt, Seattle, USA

1. Reduction of Maternal Mortality - Daisy Mafubelu, Geneva, Switzerland
2. Maternal Morbidity - New Findings - Paul van Look, Geneva, Switzerland
3. Family Planning in Promotion of MNH - Nono Simelela, London, UK
4. Maternal Health Audit in the UK - Sabaratnam Arulkumaran, London, UK
5. Reduction of Neonatal Mortality – Gary Darmstadt
6. Discussions

#### ***B – FIGO MNH Initiative***

Moderator: Gary Darmstadt, Seattle, USA

7. Maternal Newborn and Child Health: Strategy of the Bill and Melinda Gates Foundation - France Donnay, Seattle, USA
8. What FIGO is Going To Do in the New MNH Initiative – David Taylor, London, UK
9. Discussions

#### ***C - Panel Discussion: Task Sharing – Challenges and Opportunities***

Moderator: Andre Lalonde, Ottawa, Canada

10. Discussants:

Staffan Bergstrom (Karolinska Institutet)

Pius Okong (FIGO)

Zulfiqar Bhutta (International Paediatric Association – IPA)

Francis Supparayen (International Council of Nurses – ICN)

Paul Howell (World Federation of Societies of Anaesthesiologists – WFSA)

#### ***D – Mechanisms for Promotion of MNH***

Moderator: Pius Okong, Kampala, Uganda

11. Maternal Health Task Force – Ana Langer, New York, USA
12. The Role of PMNCH in achieving MDG's 4 & 5 - Flavia Bustreo, Geneva, Switzerland
13. Discussions

#### ***E - Panel Discussion: Role of Health Professional Associations in Improving MNH in Low-resource Settings***

Moderator: Dorothy Shaw, Vancouver, Canada

14. Discussants:

- Bridget Lynch (International Confederation of Midwives – ICM)
- Chok-wan Chan (IPA)
- Francis Supparayen (ICN)
- Paul Howell (WFSA)
- Shereen Bhutta (FIGO)

**Ballroom West**

**WHO/UNFPA: Sexually Transmitted Infections in Low Resource Settings**

Chair: Ian Askew, Nairobi, Kenya

1. Sexually Transmitted and Reproductive Tract Infections: Detection, Management and Control as Part of Primary Health Care, and Sexual and Reproductive Health Services - Saiqa Mullick, Johannesburg, South Africa
2. Role of the Syndromic Management in the Control of Reproductive Tract Infections and Genitourinary Disease in Women at All Levels of the Health System - Ron Ballard, Atlanta, USA
3. Improving Access to and Quality of Integrated Antenatal Care: A Vision to Eliminate Congenital Syphilis and to Prevent Mother to Child Transmission of HIV - Sarah Hawkes, London, UK
4. VIA and Rapid HPV Testing for Cervical Cancer Screening - José Jeronimo, Seattle, USA

**Westin Grand Ballroom**

**Keynote Lecture**

Chair: Neville Hacker, Randwick, Australia

Surgical Management of Endometrial Cancer - Henry Kitchener, Manchester, UK

**Roof Terrace**

**Substance Use During Pregnancy**

Chair: Hein Odendaal, Stellenbosch, South Africa

1. Fetal Alcohol Syndrome: A South African Epidemic - Denis Viljoen, Cape Town, South Africa
2. Cigarettes and Perinatal Mortality - Hein Odendaal, Stellenbosch, South Africa
3. Recreational Drug Use in Pregnancy – Chantal Stewart, Cape Town, South Africa

**Room 1.4**

**Video Session II**

Chair: S. N. Tripathy, India

1. Non-surgical Methods to Arrest PPH Including Condom Temponade - Sayeba Akhter, Dhaka, Bangladesh
2. Surgical Procedures to Arrest Postpartum Haemorrhage – Jaishree Gajaraj, Chennai, India
3. Caesarean Section in Difficult Situations - Florence Bretelle, Marseille, France

**Room 1.6**

**Anaemia in Pregnancy**

Chair: Bipin Gupta, Tasmania, Australia

Co-chair: Mandakini Megh, Mumbai, India

1. Prevention and Management of Iron Deficiency Anaemia in Pregnancy - J.B. Sharma, New Delhi, India
2. Thalassaemia in Pregnancy - Arijit Biswas, Singapore

**Room 2.4**

**Rhesus and Platelet Alloimmunisation**

Chair: Gareth Seaward, Toronto, Canada

Co-chair: James Dornan, Belfast, UK

1. Management of Rhesus Disease - Alan Cameron, Glasgow, UK
2. Diagnosis of Fetal Anaemia - Gareth Seaward, Toronto, Canada
3. Current Management of Platelet Alloimmunisation - Dick Oepkes, Leiden, Netherlands

## **Room 2.6**

### **WHO Guidelines for Contraceptive Use**

Chair: Herbert Peterson, Chapel Hill, USA

1. Keeping the WHO Family Planning Guidance Up-To-Date - Catherine D'Arcangues, Geneva, Switzerland
2. The New WHO Contraceptive Guidelines – Herbert Peterson, Chapel Hill, USA and Mario Festin, Geneva, Switzerland

## **09h00 – 10h30 Tuesday Sessions**

### **Auditorium 1**

#### **Preterm Labour**

Chair: Nils-Otto Sjöberg, Malmö, Sweden

Co-chair: Jayant Rath, Orissa, India

1. Recurrence Risk for Preterm Birth – Andrew Calder, Edinburgh, UK
2. Prevention of Recurrent Preterm Birth - Raul Winograd, Buenos Aires, Argentina
3. Selection and Use of Tocolytic Drugs - Ernesto Castelazo-Morales, Mexico
4. Delivery of the Preterm Fetus - Jane Norman, Edinburgh, UK

### **Auditorium 2**

#### **Recurrent Miscarriage**

Chair: Howard Carp, Tel Hshomer, Israel

1. Investigation Protocol for Recurrent Pregnancy Loss - Howard Carp, Tel Hshomer, Israel
2. Embryonic Factors as a Cause of Miscarriage - Mayumi Sugiura-Ogasawara, Nagoya, Japan
3. Maternal Causes of Recurrent Pregnancy Loss - Lesley Regan, London, UK
4. Treatment Options for Miscarriage – PC Ho, Hong Kong, China

### **Ballroom East**

#### **Global Momentum for Maternal and Newborn Health (MNH): How Can We Advance It?** session continues

### **Ballroom West**

#### **International Menopause Society (IMS)**

Chair: Tobie de Villiers, Cape Town, South Africa

1. The Impact of Aging and the Menopause on Cardiovascular Health - David Sturdee, Solihull, UK
2. Asian Survey on Perceptions of the Menopause - Ko-En Huang, Kaohsiung, Taiwan
3. Menopause and Breast Cancer - Rod Baber, Sydney, Australia
4. Treatment Options in Osteoporosis - Tobie de Villiers, Cape Town, South Africa

### **Westin Grand Ballroom**

#### **Advances in the Management of Endometrial Cancer**

Chair: David Mutch, St Louis, USA

1. Should Lymphadenectomy Be Performed in All Stages? – Eugenio Suarez, Santiago, Chile
2. Should Adjuvant Radiotherapy Be Given to All High Risk Cases? – David Mutch, St Louis, USA
3. Should Chemotherapy Replace Radiotherapy in High Risk Cases? - Kazunori Ochiai, Japan
4. Management of Endometrial Cancer in Developing Countries - Sarikapan Wilailak, Thailand

### **Roof Terrace**

#### **New Technologies for Assessing the Progress of Labour**

Chair: Dan Farine, Toronto, Canada

1. Active Mismanagement of Labour – Why is the New Technology Necessary? - Gareth Seaward, Toronto, Canada
2. Can We Optically Measure Labour Progress? - Drorith Hochner-Celnikier, Jerusalem, Israel
3. A New Technique Combining Ultrasound and Position Tracker for Non-Invasive Assessment of Labour Progress - Yoav Paltieli, Israel

4. Birthtrack: A Continuous Assessment of Labour Progress - Dan Farine, Toronto, Canada

#### **Room 1.4**

##### **The WHO Reproductive Health Library (RHL)**

Chair: Justus Hofmyer, East London, South Africa

1. RHL in its 12th Year - Metin Gulmezoglu, Geneva, Switzerland
2. Using the RHL in Francophone Africa - Jean-Jose Wolomby-Molondo, Kinshasa, Democratic Republic of Congo
3. Using the RHL in Latin America - Guillermo Carroli, Rosario, Argentina
4. Using the RHL as an Educational Tool - Metin Gulmezoglu, Geneva, Switzerland

#### **Room 1.6**

##### **Acute Tocolysis in Pregnancy**

Chair: Justo Alonso, Montevideo, Uruguay

1. Tocolysis for External Cephalic Version - Owen Montgomery, Philadelphia, USA
2. Tocolysis for Intrapartum Fetal Hypoxia - Justo Alonso, Montevideo, Uruguay
3. Tocolysis for Obstetric Manipulation - Terence Lao, Hong Kong, China

#### **Room 2.4**

##### **IPAS, International Consortium for Medical Abortion and Gynuity Health Projects: Reaching Women with Medical Abortion Services**

Chair: Eunice Brookman-Amisshah, Nairobi, Kenya

1. An Innovative Model for Risk Reduction in Uruguay - Leonel Briozzo, Montevideo, Uruguay
2. Community Outreach to Improve Medical Abortion Access in India - Rashmi Singh, Khunti, India
3. Introducing Medical Abortion at the Community Level in Nepal - Sudha Sharma, Kathmandu, Nepal
4. Introducing Medical Abortion in the Public Sector in Mexico City - Patricio Sanhueza, Mexico City, Mexico

#### **Room 2.6**

##### **International Society of Gynecological Endocrinology: Progesterone and Progestins in Pregnancy**

Chair: Andrea Genazzani, Pisa, Italy and Adolf Schindler, Essen, Germany

1. Progesterone and Progestins in Pregnancy - Clinical Relevance for Prevention and Treatment - Adolf Schindler, Essen, Germany
2. Effects on Mood and Madness - John Studd, London, UK
3. Effects on Apoptosis in the Human Trophoblast - Takeshi Maruo, Kobe, Japan
4. Impact on Endometriosis - Marian Szamatowicz, Bialystok, Poland

**10h30 – 11h00 Refreshment Break**

**11h00 – 12h00 Tuesday Sessions**

#### **Auditorium 1**

##### **Multiple Pregnancy**

Chair: Gerard Visser, Utrecht, Netherlands

1. Diagnosis and Management of Discordant Fetal Growth in Twins - Mario Campogrande, Turin, Italy
2. Management after Intrauterine Death of One Twin - TBA
3. Timing and Mode of Delivery of Monochorionic Twins - Gerard Visser, Utrecht, Netherlands
4. Induction of Labour in Twins - Liliana Voto, Buenos Aires, Argentina
5. Intrapartum Management - Jon Barrett, Toronto, Canada

#### **Auditorium 2**

### **Abnormal Uterine Bleeding: "AUB"**

Chair: Ian Fraser, Sydney, Australia and Hilary Critchley, Edinburgh, UK

1. Menorrhagia or HMB: Speaking the Same Language? - Ian Fraser, Sydney, Australia
2. What is the old DUB? What are the Dysfunctions? - Hilary Critchley, Edinburgh, UK
3. Non-surgical Management - The Evidence - Malcolm Munro, Los Angeles, USA
4. Management of HMB in Low Resource Settings - Rohana Hathtlootuwa, Sri Lanka
5. Interactive Key-pad Session around International Agreements on Terminology, Classification and Management

### **Ballroom East**

**Global Momentum for Maternal and Newborn Health (MNH): How Can We Advance It?** session continues

### **Ballroom West**

#### **Misoprostol: An Essential Drug in Reproductive Health**

Chair: Andrew Weeks, Liverpool, UK

1. Introduction – Dorothy Shaw, Vancouver, Canada
2. Misoprostol: Pharmacokinetics - Kristina Gemzell-Danielsson, Stockholm, Sweden
3. Non-Pregnant and Pregnancy Cervical Dilatation - Christian Fiala, Vienna, Austria
4. Abortion - Anibal Faundes, Campinas, Brazil
5. Pregnancy Loss - Beverly Winikoff, New York, USA
6. Induction of Labour and Intrauterine Fetal Death - Andrew Weeks, Liverpool, UK
7. Postpartum Haemorrhage - Justus Hofmeyr, East London, South Africa

### **Westin Grand Ballroom**

#### **Birth Asphyxia**

Chair: Pius Okong, Kampala, Uganda

1. The Global Burden of Birth Asphyxia - Joy Lawn, Cape Town, South Africa
2. Community Interventions and Community/Facility Linkages - Gary Darmstadt, Seattle, USA
3. Facility Interventions to Prevent Birth Asphyxia and the Role of Non-Physician Clinicians - Staffan Bergstrom, Stockholm, Sweden
4. Interventions for the Baby - Anne Lee, Baltimore, USA

### **Roof Terrace**

#### **Management of Endometriosis**

Chair: Stephen Kennedy, Oxford, UK

1. Medical Management of Endometriosis - Stephen Kennedy, Oxford, UK
2. Surgical Management of Endometriosis - Vito Chiantera, Berlin, Germany

### **Room 1.4**

#### **Recombinant Activated Factor VII in Obstetric Haemorrhage**

Chair: Daniel Surbek, Bern, Switzerland

1. Rationale and Application - Daniel Surbek, Bern, Switzerland
2. A Review of Reported Experience - Annemieke Bolte, Amsterdam, Netherlands

### **Room 1.6**

#### **Keynote Lecture**

Chair: Peter Dwyer, Melbourne, Australia

An Evidence-Based Approach to Female Incontinence Surgery - Antti Valpas, Finland

### **Room 2.4**

#### **Keynote Lecture**

Chair: Khoorsheed Maula, Dhaka, Bangladesh

Is Control of Cervical Cancer Possible in the Developing World? - Lynette Denny, Cape Town, South Africa

## **Room 2.6**

### **Free Communication Session (FC41) - Video Presentations**

#### Endoscopic Surgery

Chair: Meenu Agarwal

1. Vault Suspension after Total Laparoscopic Hysterectomy – Meenu Agarwal, Pune, India
2. Clinical Study on Two-Instrument-Port Laparoscopic Surgery in the Treatment of Early Stage Gynaecologic Malignant Tumor – Jie Chen, Fuzhou City, China
3. Successful Laparoscopic Management of Two Cases of Mullerian Duct Abnormality – Samiha Farhat, Feni, Bangladesh
4. Ectopic Pregnancy in Unusual Location Laparoscopic Management - Samar Kumar Ghosh, Laxmipur, Bangladesh
5. A Clinical Study of Laparoscopic Radical Hysterectomy with Paraaortic and Pelvic Lymphadenectomy – Yongil Kwon, Seoul, South Korea

## **12h00 – 13h00 Tuesday Sessions**

### **Auditorium 1**

**Multiple Pregnancy** continues

### **Auditorium 2**

**Abnormal Uterine Bleeding: "AUB"** continues

### **Ballroom East**

**Global Momentum for Maternal and Newborn Health (MNH): How Can We Advance It?** session continues

### **Ballroom West**

**Misoprostol: An Essential Drug in Reproductive Health** continues

### **Westin Grand Ballroom**

#### **Stillbirths**

Chair: Joy Lawn, Cape Town, South Africa

1. Introduction - Joy Lawn, Cape Town, South Africa
2. Three Million Stillbirths – Where, When and Why? - Joy Lawn, Cape Town, South Africa
3. Deliver Now-Evidence of Intervention to Reduce Stillbirths - Zulfiqar Bhutta, Karachi, Pakistan
4. Reducing Intrapartum Stillbirths – Experience in South Africa - Robert Pattinson, Pretoria, South Africa
5. Summary and Future Research - Gary Darmstadt, Seattle, USA

### **Roof Terrace**

#### **Free Communication Session (FC42) - Oral Presentations**

#### Endometriosis

Chair: Thomas Faustmann, Berlin, Germany

1. Analysis on Vascular Endothelial Growth Factor (VEGF) Gene Polymorphism in Endometriosis – Nusratuddin Abdullah, Makassar, Indonesia
2. Prospective 3-Steps Treatment of Endometriotic Ovarian Cysts – Hamad Al-Sultan, Aleppo, Syria
3. Safety of Dienogest for the Treatment of Endometriosis: A 24-Week, Randomised, Open-Label Trial versus Leuprolide Acetate – Thomas Faustmann, Berlin, Germany
4. Minimally Clinically Important Difference for Endometriosis Associated Pelvic Pain Measured on a Visual Analogue Scale – Christoph Gerlinger, Berlin, Germany
5. Immunoreactivity of Oxytocin Receptor (OTR) and Transient Receptor Potential Vanilloid Type 1 (TRPV1) and Its Correlation with Dysmenorrhea in Adenomyosis - Sun-Wei Guo, Shanghai, China

6. Evidence for Central Sensitization in Women With Endometriosis - Sun-Wei Guo, Shanghai, China

#### **Room 1.4**

##### **Peripartum Perineal Lacerations**

Chair: Sven Becker, Tübingen, Germany

1. Repair of Episiotomy and Perineal Tears: Teaching, Technique and Logistics - Sven Becker, Tübingen, Germany
2. Perineal Lacerations: Short and Long-term Morbidity - Ada Kagumba, Nairobi, Kenya
3. Public Health Aspects of Perineal Tears - Judy Lee, Baltimore, USA

#### **Room 1.6**

##### **Controversies in Female Pelvic Floor Dysfunction**

Chairs: Oscar Contreras Ortiz, Buenos Aires, Argentina and Teresa Mascarenhas, Porto, Portugal

1. Current Surgical Management of Stress Urinary Incontinence - Harry Vervest, Benschop, Netherlands
2. Available Pharmacological Treatment of the Overactive Bladder - Harold Drutz, Toronto, Canada
3. Current Surgical Management of Genital Prolapse - Dina Rizk, Cairo, Egypt

#### **Room 2.4**

Keynote Lecture

Chair: Tobie de Villiers, Cape Town, South Africa

Hormone Replacement Therapy in Breast Cancer Survivors - Franco Guidozi, Johannesburg, South Africa

#### **Room 2.6**

Free Communication Session (FC43) - Video Presentations

*Endoscopic Surgery*

Chair: Adam Magos, London, UK

1. Robotic-assisted Anterior Pelvic Excentration for Adenocarcinoma of the Urinary Bladder with Uterine Metastasis - Yongil Kwon, Seoul, South Korea
2. Temporary Bilateral Ovarian Suspension (BOS) to Facilitate Laparoscopic Pelvic Side Wall Dissection – Adam Magos, London, UK
3. Laparo-endoscopic Single Site (Less) Simple Hysterectomy – Juan Rivero, Caracas, Venezuela

**13h00 – 14h00 Lunch**

**14h00 – 15h30 Tuesday Sessions**

#### **Auditorium 1**

##### **The World Endometriosis Society (WES): The Epidemiology in Endometriosis: Identifying Factors for Prevention and Early Treatment**

Chair: Johannes Evers, Maastricht, Netherlands

1. The Limitations of Current Diagnostic Methods and Therapies - Johannes Evers, Maastricht, Netherlands
2. Susceptibility and Risk Factors for Developing Endometriosis: A Diagnostic Aid - Krina Zondervan, Oxford, UK
3. Socio-Economic Impact - Kelechi Nnoaham, Oxford, UK
4. Life Impact and Life Planning for Women with Endometriosis - Lone Hummelshoj, Aarhus, Denmark
5. Translating Results into Treatment Strategies for the Clinician - Stephen Kennedy, Oxford, UK

## **Auditorium 2**

### **General Assembly (15h00 – 18h30)**

#### **Ballroom East** (from 14h30)

##### **FIGO Task Force on Combating Cervical Cancer: Emerging Opportunities for Global Control of Cervical Cancer**

Chair: Joanna Cain, Providence, USA

1. Women's Rights to Cervical Cancer Control and HPV Vaccination - Joanna Cain, Providence, USA
2. Management of Invasive Disease - Hextan Ngan, Hong Kong, China

#### **Ballroom West** (from 14h30)

##### **FIGO Committee on Oncology: Staging of Gynaecologic Malignancies**

Chairs: Sergio Pecorelli, Brescia, Italy and Lynette Denny, Cape Town, South Africa

1. Uterine Sarcomas - Jamie Prat, Barcelona, Spain
2. Vulvar Cancer - Neville Hacker, Randwick, Australia
3. Cervical Cancer - Lynette Denny, Cape Town, South Africa
4. Endometrial Cancer - David Mutch, St Louis, USA

#### **Westin Grand Ballroom** (from 14h30)

##### **FIGO Safe Motherhood and Newborn Health Projects: Midpoint Review of the Achievements, Lessons Learned and Challenges (Session I)**

Chair: Pius Okong, Kampala, Uganda

1. Pakistan: Community Based Interventions to Reduce Maternal and Perinatal Mortality and Morbidity in Rural Sindh, Pakistan - Razia Korejo, Karachi, Pakistan
2. Uganda: Saving Mothers and Newborns in the Kiboga and Kibaale Communities, Uganda - Frank Kaharuza, Kampala, Uganda
3. Peru: Strengthening Health and Community Networks in Morropon Chulucanas, Rural Health Region of Piura for Safer Motherhood and Newborn Health - Juan Trelles Yenque, Lima, Peru

#### **Roof Terrace**

##### **Gynuity Health Projects, New York, USA - Misoprostol for Pregnancy Failure: Research Results and Programme Update**

Chair: Beverly Winikoff, New York, USA

1. Misoprostol for Pregnancy Failure: A Summary of Progress – from Research to Reality - Jennifer Blum, New York, USA
2. Misoprostol as First Line Treatment of Incomplete Abortion: Evidence from Sub-Saharan Africa - Ayisha Diop, New York, USA
3. Misoprostol Versus MVA for Incomplete Abortion: Results from a Randomized Controlled Trial in Egypt - Mohamed Cherine, Cairo, Egypt
4. Introduction of Misoprostol for Incomplete Abortion Care in Latin America: Evidence from Ecuador - Wilfrido Leon, Quito, Ecuador

#### **Room 1.41**

##### **Free Communication Session (FC44) - Video Presentations**

Chair: Pavel Bartos

##### **Endometriosis**

1. Multidetector Computed Tomography (MCT) and Virtual Colonoscopy in The Diagnosis of Gynaecological Pathology and Deep Infiltrating Endometriosis - Johan Van Der Wat

##### **Gynae-oncology**

2. Video Presentation of Laparoscopic Technique of Anterior, Posterior and Total Exenteration for Recurrent Cervical Cancer - Pavel Bartos
3. Nerve Sparing Radical Hysterectomy for 16 Patients with Cervical Carcinoma - Jiawen Zhang

### Urogynaecology

4. Clitoroplasty in Cases with Virilization at Puberty – Nutan Agarwal
5. A Novel Approach in the Management of Urethral or Bladder Mesh Erosions Following Continence Surgery - Stergios Doumouchtsis
6. Trans Obturator Tape Urethral Support Sling for Female Stress Urinary Incontinence - A Elmardi
7. Anterior Prolapse (Cystocele and Vault) Repair with Mesh: Single Incision Approach with New Minimally Invasive Fixation System to Sacrospinous Ligaments - Robert Moore
8. Optimizing Results of Suburethral Sling Operations among Females Using Suburethral Hyaluronic Acid Injections - Joerg Neymeyer
9. A Comparative Study of TVT Obtape and Burch's Colposuspension for Urodynamic Sui – Jai Sharma

### **Room 1.42**

#### Free Communication Session (FC45) – Oral Presentations

### Urogynaecology

Chair: Anna Franco

1. Postoperative Pain after Transvaginal Repair of Pelvic Organ Prolapse with or without Mesh: A Prospective Study of 132 Patients - Brigitte Fatton
2. Is Sling Plication Effective to Correct Persistent SUI after Suburethral Sling in Patients with Inadequate Initial Tensioning? - Brigitte Fatton
3. The Trans-Obturator Tape (TOT) for the Correction of Stress Urinary Incontinence (SUI): Efficacy and Morbidity - Anna Virginia Franco
4. Perigee-Apogee Meshes for Repair of Pelvic Organ Prolapse - A Clinical Evaluation and 9 Months Follow Up - Jagdish Gandhi
5. Nonconventional Operative Technique for a Successful Repair of Obstetric Vesico-vaginal Fistula - Abbo Hassan
6. Uterine Conservation in Surgical Management of Uterovaginal Prolapse: Sacrospinous Cervicocolpopexy - a New Surgical Approach and Its Long Term Outcome - Mohamed Hefni
7. Do Urologists and Gynaecologists Manage Posterior Compartment Prolapse Differently? - Ameera Adam
8. Pelvic Floor Dysfunction in Urban HIV Positive and HIV Negative Antenatal Women in the Setting of a Large African City - Julie Van Den Berg

### **Room 1.43**

#### Free Communication Session (FC46) – Oral Presentations

Chair: Celia Burrell

### Education

1. Stratog.Net: RCOG Online Learning Resource to Support Curriculum Delivery – Khaled Ismail
2. Integrating Evidence-based Medicine and Problem-based Learning into Vietnamese Obstetrics and Gynaecology Training – Jody Steinauer
3. Future Recruitment into Obstetrics and Gynaecology in the United Kingdom: Factors Affecting Early Career Choice – Jasmine Tay

### Midwifery Roles

4. Investigating Perceived Stress and Its Correlates among Women with Gestational Diabetes - Farideh Bastani
5. Community Health Providers and Their Social Responsibility - Abdul Bayes Bhuiyan
6. Taking Critical Services to the Home: Lessons Learnt from a Pilot Community Midwifery Project in Kenya - Annie Mwangi
7. Impact of Home Based Skilled Birth Attendant Service on Selected Indicators of Safe Motherhood - Saria Tasnim

### Ethics, Law And Obstetrics & Gynaecology

8. Medico-legal Issues In Gynaecology - Celia Burrell
9. Importance of Multidisciplinary Adverse Incidents Reporting to Improve Standard of Care - June Davies

### **Room 1.44**

#### **Free Communication Session (FC47) – Oral Presentations**

##### Gynae-Oncology

Chair: Maite Cusido

1. Adolescent Ovarian Malignancy - Biman Chakrabarti
2. Factors Associated with Corn Margin Involvement in CIN and Post-conization Management Options for These Patients - Chen Yaxia
3. The Values of Serum Human Epididymis Secretory Protein 4 and CA125 Assay in the Diagnosis of Ovarian Malignance – Cui Heng
4. Breast Cancer During Pregnancy - Maite Cusidó
5. Comparative Study of Breast Cancer among Women <35 Years vs Women >35 Years - Maite Cusidó
6. Vulval Intraepithelial Neoplasia - Immunotherapy Phase II Clinical Trials - Sai Daayana
7. What Creates a Big Breast Tumor in Brazil: Biologic Features or Delay in Diagnosis? - Nilson De Melo
8. TWEAK Promotes Ovarian Cancer Cell Metastasis via NF-Kb Pathway Activation and VEGF Expression – Lihua Qiu

### **Room 1.61**

#### **Free Communication Session (FC48) – Oral Presentations**

##### Labour & Delivery

Chair: Stan Becker

1. When Is Necessary Termination of Pregnancy after 40 Weeks? - Aezam Bagheri
2. Fathers in Labour and Delivery: A Review - Stan Becker
3. How Often Is Low Apgar Scores and Asphyxia a Result of Substandard Care in Conjunction with Labour? - Sophie Berglund
4. Severe Asphyxia Due to Delivery-related Substandard Care in Sweden 1990–2005 - Sophie Berglund
5. Is Increasing Body Mass Index (BMI) Associated with Increased Maternal Perineal Trauma Following Childbirth? - Venita Broderick
6. Comparison of the Effect of Two Methods of Home Visit for the Promotion Exclusive Breastfeeding in Caesarean Section Mothers in Iran University of Medical Sciences 2008 - Mahvash Danesh Kojuri
7. Instant 'Auto' Craniotomy - Alope Debdas
8. A Short Survey of Doses of Misoprostol Used in Obstetrics - Nishigandh Deole
9. The Effects of Air Sac Combined with Nitrous Oxide and Doula Companying Delivery in Vaginal Delivery - Dong Xiaojing

### **Room 1.62**

#### **Free Communication Session (FC49) – Oral Presentations**

##### Gynae-Oncology

Chair: Sven-Eric Olsson

1. Mobile Prevention Unit for Active Search for Uterine Cervical Cancer in the Urban and Rural Zones Of Barretos - José Humberto Tavares
2. Correspondence Between Pap Smears and Histopathological Findings in a Cervical Cancer Prevention Program: Is It Time to Re-think Brazilian Guidelines? – José Humberto Tavares
3. Quadrivalent HPV 6/11/16/18 Vaccine Efficacy against Cervical and External Genital Disease in Subjects with Prior Vaccine HPV Type Infection - Sven-Eric Olsson
4. Factors Associated with the Knowledge, Perceptions and Practice of Pap Smear Screening for Cervical Cancer in Southern Nigeria - Lawrence Omo-Aghoja
5. Risk Factors to the Development of Premalignant Cervical Lesions in Jos, Nigeria - Osayande Osagie
6. Oncologic and Reproductive Outcomes of Fertility-sparing Management with Progestin for Young Women with Endometrial Cancer - Jeong-Yeol Park
7. Evaluation for the Evacuation of Molar Pregnancy by Using Karman Plastic Cannula with Manual Vacuum Aspiration (MVA) and Electric Aspiration - Hien Hao Pham Huy
8. Comparison of Hpyg02 with HPV as a Marker for Cervical Dysplasia - Catherine Popadiuk

9. Identification and Quantification of Circulating Peripheral Tumor Cells in Ovarian Cancer - Marc Philipp Radosa

### **Room 1.63**

Free Communication Session (FC50) – Oral Presentations

#### Contraception

Chair: Alka Kriplani, India

1. Unintended Pregnancy and Awareness of Emergency Contraception among Women of Urban Slums – Ritu Joshi
2. Relationship Between Contraceptive Method and Women's Quality of Life - Talat Khadivzadeh
3. Effect of Oral Contraceptive Containing Ethinyl Estradiol Combined with Drospirenone vs Desogestrel on Clinical and Biochemical Parameters in Patients of Polycystic Ovarian Syndrome - Alka Kriplani
4. Postpartum Family Planning Needs Assessment in Cap Haitien, Haiti - Eva Lathrop
5. Prolonged Use of Intrauterine Devices (IUDS) and Hypermethylation of HOXA10 - Yuan Lu
6. Uterine Volume and Menstrual Patterns in Users of LNG-IUS Intrauterine System with Idiopathic Menorrhagia or Menorrhagia due to Leiomyomas. A Cohort Prospective Study of 5 Years - Jarbas Magalhaes
7. Are the Herbal Male Contraceptives a Better Option to Control Human Population – Pratap Chand Mali
8. Pain Relief in Laparoscopic Tubal Ligation with Intraperitoneal Lignocaine: A Randomised Double Blind Placebo Controlled Trial - Attibele Manjunath

### **Room 1.64**

Free Communication Session (FC51) – Oral Presentations

#### Maternal Mortality and Morbidity

Chair: Mamady Cham

1. Fetal Outcome in Severe Maternal Morbidity: Too Many Stillbirths - Mamady Cham
2. The Role of the Algorithm 'HAEMOSTASIS' in the Systematic Management of Massive Postpartum Haemorrhage - Lavanya Varatharajan
3. Eclampsia: Experience with Magnesium Sulphate - Pushpa Chaudhary
4. Punjab Safe Motherhood Initiative Project - Rizwana Chaudhri
5. Postabortion Family Planning - A Cost Effective Best Practice for Reducing Maternal Mortality and Morbidity - Carolyn Curtis
6. Analysis of the Risk Factors of Postpartum Haemorrhage after Vaginal Birth - Kastriot Dallaku
7. Study of Relative Rate Knowledge of Caesarean Delivery among Pregnant Women in Sari, Iran in Year 1387 (2007-2008) - Mahmonir Danesh
8. Obstetrics of Shortages: Volunteer Experiences and Challenges in Rural Uganda - Daniel Zaake
9. Rapid Versus Slow Intravenous Iron Sucrose Administration in Pregnant Women with Iron Deficiency Anemia in a Rural Setting in India - Hema Divakar

### **Room 2.41**

Free Communication Session (FC52) – Oral Presentations

#### Menopause

Chair: Cesar Fernandes

1. Breast Arterial Calcifications and Cardiovascular Disease in Postmenopausal Women - Cesar Fernandes
2. HRT Today: Instead of Oral Administration of Hormones, We Are Turning Towards Transdermal Applications as Well as to Local - Topical - Estrogenic Treatment - Drazen Postruznik
3. Management of Climacteric and Menopause by Conventional and Alternative Therapy - Suraiya Rahman
4. Effect of Aqueous Extract of Glycyrrhiza Glabra (Licorice) on Menopausal Symptoms - Farideh Rezaei Abhari

5. Calcium Absorption in Australian Osteopenic Postmenopausal Women - Lily Stojanovska
6. The Use of Lepidium Meyenii (MACA) on Hormone Profile and Symptoms in Postmenopausal Women - Lily Stojanovska
7. Effect and Cost-utility Analysis of Hormonal Therapy and Chinese Formulated Medicine on Quality of Life in Early Postmenopausal Women - Liangzhi Xu
8. Comparative Effects of Conventional Hormone Replacement Therapy and Tibolone on Climacteric Symptoms - Saeideh Ziaei
9. Effect Of Monthly Oral Ibandronate In Post Menopausal Osteoporosis (PMO) – Evan Sequeira

### **Room 2.42**

#### **Free Communication Session (FC53) – Oral Presentations**

##### Antenatal Care and Diagnosis

Chair: Kari Teramo

1. Does Ljungan Virus Cause Malformation, Intrauterine Fetal Death and Sudden Infant Death Syndrome? - Bo Niklasson
2. An Evaluation of the Characteristics of Gestational Diabetes in an Urban Indian Setting - Uma Ram
3. Antenatal High Amniotic Fluid Erythropoietin Levels Predict Emergency Caesarean Section Delivery in Type 1 Diabetic Pregnancies - Kari Teramo

### **Room 2.43**

#### **Free Communication Session (FC54) – Oral Presentations**

##### Other

Chair: Cathie Badeau

1. Prospective Randomized Comparative Study Evaluating the Adhesions Post Total Abdominal Hysterectomy Done by Two Teams - Hamad Al-Sultan
2. The Relationship Between the Duration of Breast Feeding and Child Weight Gain Up to the End of the Age of 24 Months - Leila Allahgholi
3. Effect of Zone Regimen on Weight Loss in Polycystic Ovarian Syndrome Women - Maryam Azizpoor
4. Improving the Quality of Care and Satisfaction of Obstetrical Patients and Their Families at North York General Hospital - Cathie Badeau
5. Role of Metformin in the Treatment of Polycystic Ovarian Disease - Achla Batra
6. Morbidity and Mortality Patterns Following Major Gynaecological Operations in University of Nigeria Teaching Hospital, Enugu - Eziamaka Ezenkwele
7. Rectal Tear with Intact Anal Sphincter after Ventouse Delivery - Sarwat Fatima
8. Questionnaire Audit on Patient Information on Caesarean Section in England - Arpita Ghosh
9. A Study of Serum Magnesium Levels in Different Types of Abortions - Kishorkumar Hol

### **Room 2.44**

#### **Free Communication Session (FC55) – Oral Presentations**

##### Other

Chair: Diane Morof

1. Auto Transfusion of Peritoneal Blood Collected Following Ruptured Ectopic Pregnancy, Its Immediate and Delayed Effects – Indu Kaushik
2. The Ovario-protective Effect of Erythropoietin against Oxidative Damage Associated with Reperfusion Following Ovarian Torsion in Rat - Maryam Kazemi Shishavan
3. A Miniworkshop on Assessment of Visual Bloodloss in Obstetrics at Teaching Hospital - Tahira Kazmi
4. Accreditation System of Women Friendly Hospital in Bangladesh - Rawshan Ara Khanam
5. Management and Outcome of Patients with Congenital Mullerian Anomalies - Basil Lyngdoh
6. Birth Weight Discordance in Twin Pregnancy. Does It Matter? - Rhona Mahony
7. Prospective of Conservative Surgery Followed by Medical Treatment of Endometriosis Associated with Fibromyomas - Nikita Manoku

8. Evaluation of the Reliability and Validity of the London Measure of Unplanned Pregnancy in a U.S. Population of Women - Diane Morof
9. Patient Satisfaction and Outcomes Following Microwave Endometrial Ablation - Madhusudhan Naidu

### **Room 2.45**

#### **Free Communication Session (FC56) – Oral Presentations**

##### *Other*

Chair: Dimitrios Siassakos

1. The Perinatal Outcome of Pregnancy with or without Prenatal Care - Attila Pál
2. Novasure Endometrial Ablation for Treatment of Menorrhagia - Susmita Pankaja
3. A Study of Microsurgical Reversal of Sterilisation over Two Decades from South India - Premalatha Ramachandran
4. "Adnexal Mass" – Puzzle for Clinicians - KH Reddy
5. Twin Pregnancy in Swyer Syndrome - Fahima Saeed Abdul Hakim
6. Profile of Attitudes to Safety, Teamwork and Working Conditions in a Maternity Unit with Embedded Inter-professional Learning - Dimitrios Siassakos
7. Exposure to Air Pollution during Pregnancy and Its Association with Perinatal Outcomes in Uruguay - Justo Alonso
8. Prenatal Exposure to Medicines and the Risk of Childhood Brain Tumor - Karin Stalberg

### **Room 2.46**

#### **Free Communication Session (FC57) – Oral Presentations**

##### *Endoscopic Surgery*

Chair: Sridevi Sankaran

1. Establishment of a Gynecological Laparoscopy Unit in Omdurman Maternity Hospital, Sudan - Challenges and Outcome – Murwan Omer
2. New Nomogram for Safe Laparoscopic Entry to Reduce Vascular Injury: MRI Guided, BMI Adjusted Study – Amer Raza
3. A Prospective Observational Study of Laparoscopic Myomectomy; Does Size Still Matter? - Sridevi Sankaran
4. Diagnostic Value of the RMN in the Preoperative Diagnosis of Deep Endometriosis. Correlation with Laparoscopic and Histological Findings – Teofilo Guerra
5. Peritoneal Vaginoplasty with Laparoscopic Assistance - Ming Ye
6. Is There a Difference in Postoperative Pain Between Laparoscopic and Abdominal Hysterectomy? - Ga Won Yim
7. Combined Clomiphene Citrate (CC) and Tamoxifen Versus Laparoscopic Ovarian Drilling (LOD) in Women with Clomiphene Resistant Polycystic Ovarian Syndrome (PCOS): A Randomized Clinical Trial – Mahmoud Zakhera
8. Patient-assisted Laparoscopic Pain Mapping in Women with Chronic Pelvic Pain - Zhenyu Zhang
9. Hysteroscopy Used in Atypical Polypoid Adenomyoma Treatment: A Clinical Study of 10 Cases – Ying Zhang

### **Room 2.61**

#### **Free Communication Session (FC58) – Oral Presentations**

##### *Surgical Techniques*

Chair: Nick Papanikolaou

1. Comparison of Postoperative Outcomes Between Tension-free Vaginal Mesh and Traditional Procedures of Reconstructive Surgery for Pelvic Organ Prolapse - Joji Matsumoto
2. Tentative Vaginal Hysterectomy (VH) – A Difficult NDVH Can Be Made Easy - Pranoy Nath
3. The Use of Paracervical Block Anesthesia for Pain Control in First Trimester Incomplete Abortion - Joan Corpuz
4. Vaginoplasty Using Amnion Graft: Revisited - Rahat-Un Nisa
5. Retrospective Study of Abdominal Myomectomy - Safety and Feasibility and Outcome - Arpita Ray

6. Reducing Complications Related to Caesarean Section (CS) in Second Stage: UK Experience in the Use of Fetal Disimpacting System (FDS) - Nick Papanikolaou
7. Aqua Dissection in Non-descent Vaginal Hysterectomy (100 Cases) - An Experience of Feni Pvt. Hospital, Bangladesh - Mohammad Quayyum
8. Endovascular Surgery in Obstetrics and Gynecology - Galina Saveljeva
9. Do Patients Under-report Postoperative Pain Scores to Nurses (or Over-report to Surgeons) Following Surgery of the Female Reproductive Tract? – Eric Scott Sills

### **Room 2.62**

#### **Free Communication Session (FC59) – Oral Presentations**

##### HIV/AIDS

Chair: Innocent Ujah

Co-chair: Nabakanta Sharma, India

1. Should Screening of Genital Infections Be Part of Antenatal Care in HIV Positive Antenatal Women? – Sulekha Pandey
2. HIV/STI Self Risk Reduction Plan in Pregnant Adolescents in the Bahamas – Vrunda Sakharkar
3. HIV Infection among Uganda Women with Cervical Cancer, A Retrospective Study – Wilberforce Sekirime
4. Women Living with HIV/AIDS in Bangladesh – Nasreen Sultana
5. Male Circumcision and HIV – Mokete Joseph Titus
6. Gender-based Violence: A Study of the Prevalence, Types and Pattern of Sexual Violence Among HIV Positive Women/Girls Attending Clinic 2, Apin/Pepfar Centre, Jos, North Central Nigeria – Innocent Ujah
7. Sexual and Reproductive Health Needs of Pregnant and Recently Pregnant Women Living with HIV in Mexico – Marieke van Dijk
8. HIV Incidence during Pregnancy in a Kigali Referral Maternity – Joseph Vyankandondera
9. Influence of Male Partners on HIV Testing Acceptance among Pregnant Women at Health Facilities in Rural Kenya - Janet Molzan Turan

### **Room 2.63**

#### **Free Communication Session (FC60) – Oral Presentations**

##### High-Risk Pregnancy

Chair: Sanjay Gupte

1. How Significant Is Sub-clinical Hypothyroidism in Pregnancy Outcome? – Sanjay Gupte
2. "Small Is Beautiful" but "Not Always" – H Kaliki
3. "ECV" - Today's Place in Breech Presentation – T Hymakr
4. Fetal or Paternal Thrombophilias are not Associated with Severe Pregnancy Complications – Jouko Järvenpää
5. Obstetric Management of Patient with Prolonged QT Interval Syndrome – Sangeeta Jha
6. Clinical Analysis of Pregnancy with Autosomal-dominant Polycystic Kidney Disease - Five Cases Reports - Zhao Yang-Yu
7. External Clinical Pelvimetry and Pregnancy Outcome: Preliminary Results of a Longitudinal Survey in Nulliparae in the Southern Province of Rwanda (Huye District) - Jean-Baptiste Kakoma Zambeze
8. Risks and Pregnancy Outcome in Women with Mechanical Heart Valves (Prospective Study) – Fahimeh Kashfi

### **Room 2.64**

#### **Free Communication Session (FC61) – Oral Presentations**

##### Hypertension in Pregnancy

Chair: Solveig Nordén Lindeberg

1. The C825T Polymorphism in the G-Protein Beta 3 Subunit Gene in Chinese Patients with Pre-eclampsia - Xinghui Liu
2. Established the Pre-eclampsia/Eclampsia Scoring System for Evaluation of the Severity and Outcomes - Hongxia Zhang

3. Posterior Reversible Encephalopathy Syndrome in a Postpartum Woman without Pre-eclampsia/Eclampsia - A Case Report - Joana Faria
4. The Effect of Mean Monthly Relative Air Humidity and Temperature on the Frequency of Hypertensive Disorders of Pregnancy in Recife, Northeastern Brazil - Brena Melo
5. Can Urinary Protein Creatinine Ratio Predict Outcome of Pregnancy in Women with Pre-eclampsia? - Wai Yoong
6. Low Dose Magnesium Sulfate in the Control of Eclamptic Fits: A Randomized Control Trial - Abdul Muhammad
7. Evaluation of Coagulation Factors in Severe Pre-eclampsia - Bahia Namavar Jahromi
8. Severe Pre-eclampsia is Associated with Increased Risk of Fetal Malformation - Solveig Nordén Lindeberg
9. Placental Apoptosis and Biochemical Markers in Pregnancy Induced Hypertension: A Developing Country Perspective - Lakshmikant Pandey

### **Room 2.65**

#### **Free Communication Session (FC62) – Oral Presentations**

Chair: Charlotte Warren

#### *Women's Health Issues*

1. The Maternal Bone Mineral Density at Second Trimester of Pregnancy Can Reflect the Fetal Growth at Birth - Jae-Hyug Yang
2. Incidence of Pap Smear-based Cytological Abnormalities in a Low Risk Group of Pakistani Women Attending Gynaecology Out Patients - Zafar Noreen
3. Exercise Trend Before Pregnancy Till 3 Months After Delivery In Women, Who Were Admitted In Health Centers Of West Of Tehran - Simin Taavoni

#### *Women's Health Issues in Developing Countries*

4. Improved Provider Counselling Increases Earlier Uptake of Postpartum Family Planning - Charlotte Warren
5. Induced Abortion in Two Different Health Facilities of the DR Congo - Jean-José Wolombo-Molondo
6. The Impact of Reproductive Health Programs to the Reduction of Maternal Mortality - Klara Yadgarova
7. Anaesthesia for Caesarian Section: Is Intubation Necessary? Review of 1000 Cases in a Large General Hospital in Northern Nigeria - Ibrahim Yakasai
8. Examining the Impact of Abortion Legalisation on Women's Health in Post Legalisation Era in Nepal – Ashma Rana, Nepal

### **15h30 – 16h00 Refreshment Break**

### **16h00 – 17h30 Tuesday Sessions**

#### **Auditorium 1**

#### **FIGO Task Force on Pelvic Floor Medicine and Reconstructive Surgery**

Chair: Oscar Contreras Ortiz, Buenos Aires, Argentina and Stephano Salvatore, Varese, Italy

1. Educational Programme on Pelvic Floor Medicine and Reconstructive Surgery - Morton Stenchever, Seattle, USA and Diaa Rizk, Cairo Egypt
2. Classification of Pelvic Floor Dysfunction - Stefano Salvatore, Varese, Italy and Steven Swift, Mt Pleasant, USA
3. Pelvic Organ Surgery in Women - Bruno Deval, Paris, France and Bruce Farnsworth, Australia
4. Pelvic Floor Rehabilitation - Bary Berghmans, Maastricht, Netherlands

#### **Auditorium 2**

**General Assembly** continues (until 18h30)

#### **Ballroom East**

### **Polycystic Ovary Syndrome (PCOS) - the Past, the Present and the Future**

Chair: Zephne van der Spuy, Cape Town, South Africa

1. The Pathophysiology of PCOS - William Ledger, Sheffield, UK
2. Long-term Consequences of PCOS - Zephne van der Spuy, Cape Town, South Africa
3. The Role of Diet, Exercise and Lifestyle in the Management of PCOS - Helena Teede, Melbourne, Australia
4. The Genetics of PCOS - Zi-Jang Chen, Jinan, China

### **Ballroom West**

#### **European Society of Contraception (ESC) - Contraception: An Important Part of Reproductive Health**

Chair: Johannes Bitzer, Basel, Switzerland

1. The ESC Mission for Reproductive Health - Dimitrios Lazaris, Athens, Greece
2. Contraception and Sexual Function - Johannes Bitzer, Basel, Switzerland
3. Guidelines, Counseling and Sexuality Education for Improving Contraceptive Use - Dan Apter, Helsinki, Finland
4. New Ways of Using Hormonal Contraception - Jean-Jacques Amy, Brussels, Belgium

### **Westin Grand Ballroom**

#### **Cervical Cancer Prevention: Secondary Prevention in Low Resource Settings**

Chair: Paul Blumenthal, Stanford, USA

1. Overview of Epidemiology and Trends - Paul Blumenthal, Stanford, USA
2. Screening Methods for Low Resource Settings - Rengaswamy Sankaranarayanan, Lyon, France
3. Linking Testing to Treatment - Sylvia Deganus, Tema, Ghana
4. Training and Scale Up - Harshad Sanghvi, Baltimore, USA

### **Roof Terrace**

#### **The Arab Association of Obstetrical and Gynaecological Societies: Rising Issues in Ob/Gyn Practice in the Arab World**

Chair: Ahmad Abdel Wahid, Amman, Jordan

1. Pregnancy in War and Conflict: Prevalence and Outcome - Ahmad Abdel Wahid, Amman, Jordan
2. Empowering Women in Childbirth: How Can We Impact Maternal Health - Faysal El Kak, Beirut, Lebanon
3. Meeting New Demands of Arab Women in Ob/Gyn Practice - Hasan Jamal, Jeddeh, Saudi Arabia
4. Sexual Health Services: A New Challenge in Ob/Gyn Practice - Faysal El Kak, Beirut, Lebanon

### **Room 1.41**

#### **Free Communication Session (FC64) - Video Presentations**

Chair: Chelli Hela

##### High-Risk Pregnancy

1. Ultrasound Detection of a Spontaneous Preterm Uterine Rupture with a Surviving Fetus – Ahlem Methni

##### Labour & Delivery

2. Humanization of Childbirth in Brazil: Results in a Public Maternity in Northeast - Fabiana Melo

3. Breast Crawl: The Natural Method of Initiation of Breastfeeding – Kartikeya Bhagat

##### Maternal Mortality and Morbidity

4. Thinking Inside the Box: Tears Below – Gloria Esegbona
5. An Appraisal of Retained Placentae in Ibadan: A Five-year Review - Gbolahan Obajimi
6. Triple Tie Technique – A Simple Life Saving Procedure in Atonic PPH - Shankar HS Ram

##### Prenatal Diagnosis

7. Fetal Cystoscopy for Lower Urinary Tract Obstruction – Initial Experience of a Single Centre – Rodrigo Ruano

### **Room 1.42**

#### **Free Communication Session (FC65) – Oral Presentations**

Chair: Harold Drutz

##### *Urogynaecology*

1. Study of Lysyl Oxidase in the Pelvic Ligament of Women with Stress Urinary Incontinence - Luxia Jiao
2. Do the Advantage Slings Work as Well as the Tension-free Vaginal Tapes? - Yik Lim
3. Prolift System for Correction of Prolapse and Incontinence in Patients with Pelvic Organ Prolapse and Stress Urinary Incontinence - Tzu-Yin Lin
4. Transobturator Tape for the Treatment of Stress Urinary Incontinence: Effectiveness and Predictors of Outcome - Harold Drutz
5. The Assessment of Double Transobturator Approach (D-TOT) Technique in Stress Urinary Incontinence (SUI) - Robert Matusiak
6. Medical Debulking with GNRH Agonists to Convert Abdominal to Vaginal Hysterectomy in Large Uteri - Joan Melendez
7. Tibial Nerve Stimulation for Intractable Detrusor Instability: A Pilot Study in a Multiethnic Population - Maria Memtsa
8. Miniarc Single Incision Sling: 1-Year Follow-up on a New Minimally Invasive Treatment for Female SUI - Robert Moore

### **Room 1.43**

#### **Free Communication Session (FC66) – Oral Presentations**

Chair: Dimitrios Siassakos

##### *Labour & Delivery*

1. Women's Preference for Caesarean Section and History of Sexual Abuse – Preliminary Results from a Multi Country Study; The BIDENS Study - Berit Schei
2. Implementation of Guidelines on Oxytocin Use at Caesarean Section – A Survey of Practice in The British Isles - Sharon Sheehan
3. Comparison of Routine Versus Selective Episiotomy in Normal Labour: A Randomized Controlled Study - Chaitanya Shembekar
4. Effect of Sweeping of Membranes at Initiation of Formal Induction of Labour - A Randomised Controlled Trial - Jyotsna Shrivage
5. Introducing Active Management of the Third Stage of Labour (AMTSL) in 5 Large Regions of Russia: Outcomes - Oleg Shvabskiy
6. A Prospective Study of Maternal Satisfaction with Operative Birth: Seniority Matters? - Dimitrios Siassakos
7. Women with Pregnancy Complication are Compelled to Opt for Non-institutional Delivery: A Study of Allahabad District of Uttar Pradesh, India - Lakhan Singh
8. Practice of Caesarean Delivery and Effects on Mother and Child Compared to Vaginal Birth in a Tertiary Referral Hospital, Northern Tanzania - Ingvil Krarup Sorbye
9. Oral Solution of Misoprostol to Induce Labour: Pilot Study - Alex Sandro Rolland Souza

### **Room 1.44**

#### **Free Communication Session (FC67) – Oral Presentations**

Chair: Samir Farghaly

##### *Gynae-Oncology*

1. Uterine Smooth Muscle Tumors: Clinicopathological Evaluation - Khadija Slik
2. Review of Ovarian Cancer in Misurata and Surrounding Areas - Ziad El-Taie
3. Natural Evolution and Clinical Management of Cervical Intraepithelial Neoplasia during Pregnancy and Postpartum - Song Fang
4. Laparoscopic Assisted Fertility-sparing Surgery (FSS) in Women of Child Bearing Age with Clear Cell Carcinoma of the Ovary (CCC) - Samir Farghaly
5. Cervical Cancer Screening in Slum Women of Rajshahi City, Bangladesh - Munira Ferdausi
6. Pulmonary Resection in the Management of Chemotherapy Resistant Metastatic High-risk Gestational Trophoblastic Neoplasia: An Eight-year Experience at the Philippine General Hospital - Lauren Fernandez-Mondragon

7. Parametrial Gestational Trophoblastic Neoplasia: A Rare Site for a Rare Disease - Lauren Fernandez-Mondragon
8. Targeting the Met/HGF Pathway in Ovarian Cancer with the Small Molecule Met Inhibitor SU11274 - Ann Fisher
9. Outcomes of Radiotherapy Treatment for Primary Vaginal Cancer. The Christie Hospital, Manchester 1996-2005 - Marina Flynn

### **Room 1.61**

#### **Free Communication Session (FC68) – Oral Presentations**

Chair: Jeffrey Wilkinson

##### Maternal Mortality and Morbidity

1. Effect Of Swedish Snuff (SNUS) on Pregnancy Complications - Anna-Karin Wikström
2. The Advanced Life Support in Obstetrics (ALSO) Course in Moshi, Tanzania: A Cost Analysis - Jeffrey Wilkinson
3. Emergency Obstetrics Practical Skills and Written Examination Scores are Retained over 6 Months in an East Africa Setting - Pendo Mlay
4. Analysis of Maternal Mortality in a Tertiary Care Hospital (Hospital Tengku Ampuan Afzan), Kuantan, Pahang, Malaysia, 2003-2005 - San-San Win
5. Emergency Peripartum Hysterectomy in a Tertiary Hospital of Mainland China: 10 Years Review - Su Xianghui
6. Free Maternity Services in Kano State Nigeria - Use of Magnesium Sulphate as Key to Reduction of Maternal Mortality - Ibrahim Adamu Yakasai
7. Pregnancy Morbidity in Rural Pakistan: A Cross Sectional Study in the Community - Shamsa Zafar
8. Ethnic Differences in Pregnancy-related Severe Maternal Morbidity: A Nationwide Cohort Study in the Netherlands - Joost Zwart
9. Puerperal Sepsis - An Outcome of Suboptimal Obstetric Care - Razia Abbasi

### **Room 1.62**

#### **Free Communication Session (FC69) – Oral Presentations**

Chair: Linda Rogers

##### Gynae-Oncology

1. Cervical Cancer Prevention Programme in Bangladesh – Jebun Nessa Rahman
2. Is There any Association Between the Body Mass Index and Cervical Intraepithelial Neoplasia? - Sanaria Raouf
3. Micro-invasive Carcinoma of the Cervix: An Accidental Diagnosis? The Argument against Local Destructive Therapy of High Grade CIN - Nitish Raut
4. Pap-test Screening History in Women with Squamous Cell Carcinoma and Adenocarcinoma of the Cervix - Alenka Repše Fokter
5. Accuracy of the Papanicolaou Test in the Detection of High-grade Cervical Lesions - Alenka Repše Fokter
6. Evaluation of HPV DNA Typing in Sentinel Lymph Node and Primary Lesion of Cervix in Patients with Cervical Cancer - Chae-Chun Rhim
7. Inevitable Uterine Cancer with Cytologic False Negative Report of a Case - Cheng-Hsiung Roan
8. Chemoradiation in Advanced Vulval Carcinoma - Linda Rogers
9. Diagnostic Hysteroscopy in Women with Endometrial Hyperplasia and Endometrial Cancer – 9 Years of Experience Analysis of 142 Cases – Wojciech Rokita

### **Room 1.63**

#### **Free Communication Session (FC70) – Oral Presentations**

##### Contraception

Chair: Matthew Reeves

Co-chair: Krishnendu Gupta, India

1. Effects of Two Oral Contraceptives with Different Hormone Doses on Female Sexual Function and Androgen Levels - Luciano Pompei

2. Introduction of Post Placental/Partum IUD Insertion (PPIUD) in Lusaka, Zambia: Feasibility of Training Nurse Midwives - Sarah Prager
3. Pregnancy after Tubal Sterilization in the United States - Matthew Reeves
4. Misoprostol Prior to Insertion of Intrauterine Device in Nullipara: A Randomized Controlled Trial. A Pilot Study - Adriana Scavuzzi
5. Long Acting Injectable Contraceptives. A Referral Hospital Experience in South India - Sheelaa Wilis
6. Barriers and Perceptions Regarding Different Contraceptives and Family Planning Practices amongst Men and Women of Reproductive Age in Rural Pakistan: A Qualitative Study - Azmat Syed Khurram
7. Breast Cancer Risk and Use of Levonorgestrel-containing Intrauterine Devices – Results from a German/Finnish Case-control Study - Kristina Voigt
8. The Femilis® LNG-IUS: An Update on Contraceptive Performance - Dirk Wildemeersch

### **Room 1.64**

#### **Free Communication Session (FC71) – Oral Presentations**

##### *Maternal Mortality and Morbidity*

Chair: Wendy Graham

1. The Unbooked Mother: A Case-control Study of Maternal and Fetal Outcomes in a North London Hospital – Abiodun Fakokunde
2. Maternal Deaths from Obstetrical Hemorrhage in Khartoum, Sudan 2007-2008, Achieving MDG5 - Taha Ahmed
3. Implementation of a Risk Reduction Strategy to Prevent Maternal Death Associated with Unsafe Abortion in the Major Third Level Health Center of Uruguay – Veronica Fiol
4. Misoprostol Used as Abortion Method under a Risk Reduction Strategy to Prevent Maternal Deaths Associated with Unsafe Abortion (Health Initiatives against Unsafe Abortion) – Maria Nozar
5. Incidence, Avoidability and Impact of Adverse Events in Obstetric Services in 3 Hospitals in Colombia 2006 - Hernando Gaitan-Duarte
6. Quality Assurance in Obstetrics: A Model to Reduce Maternal and Fetal Mortality and Morbidity in 10 Hospitals in Kano and Kaduna State, Nigeria – Hadiza Galadanci
7. A Continuum of Care Model for Postpartum Hemorrhage – Suellen Miller
8. Maternal Deaths at Home: The Hidden Burden – Wendy Graham
9. Maternal Mortality in Tertiary Care Center - An Analysis of Factors Causing Delay in Its Prevention – Usha Gupta

### **Room 2.41**

#### **Free Communication Session (FC72) – Oral Presentations**

##### *Preterm Birth*

Chair: Andrew Shennan

1. Delayed Delivery of a Twin – A Hazard or an Acceptable Method? Prospective Study - Tomáš Binder
2. The Combined Use of Two Powerful Predictors of Preterm Birth in High-risk Asymptomatic Women - Lauren Bolt
3. Electrical Uterine Activity and Shortened Cervical Length Could Predict Preterm Delivery in Low Risk Population - Ozren Grgic
4. Raised Vaginal Ph in Mid Trimester of Pregnancy Increases Preterm Delivery Risk (Preliminary Results) - Ratko Matijevic
5. Role of Environment Contaminants (Pesticide Residues) and Oxidative Stress in Preterm Birth in North Indian Population - Kiran Guleria
6. Leep Conization Increases the Risk for Preterm Birth - Maija Jakobsson
7. A Rare Case of Fetal Growth Restriction - Susana Maia
8. Effect of 17 Alpha Hydroxyprogesterone Caproate for Premature Labour Prevention on Glucose Tolerance Screening Testing and Fetal Outcomes - Dimitrios Mastrogianis

### **Room 2.42**

#### **Free Communication Session (FC73) – Oral Presentations**

### Physiology of Reproduction

Chair: Cansun Demir

1. Study of Mental Health in Pregnant Women in Sari, Iran (2007-2008) - Sareh Shaban Eizkeian
2. Leptin and Cortisol Concentrations in Maternal and Fetal Blood During Normal Vaginal Delivery and Caesarean Section - K.D. Dimopoulos
3. Aqps Expression and Regulation at Human Placenta and Fetal Membranes - Zhengfan Xiong
4. New Discoveries from Aqp1 and Aqp8 Knockout Pregnant Mice - Zheng Zheng
5. Endothelium at the Physiological Flow of Pregnancy - Vladimir Klimov
6. A New Device to Facilitate the Chorion Villus Sampling - Cansun Demir
7. Outcome of Fetal Pylectasis in Antenatal Ultrasonography – Shivarudraiah Girija
8. Outcome of Fetuses Depending on Nuchal Translucency Values and Subsequent Tricuspid Flow Evaluation - Dominic Iliescu
9. Prenatal Screening – Towards Safer Pregnancies! - Azizul Islam

### **Room 2.43**

Free Communication Session (FC74) – Oral Presentations

#### Other

Chair: Prabath Suraweera

1. "Cerebral Palsy" – Who Is Responsible? – T Hymakrm
2. Unexplained Stillbirths: Does the Placenta Hold the Answer? - JP Van Greunen
3. Adhesiogenesis Is Associated with Differential Mrna Expression of Metabolic Genes - Markus Wallwiener
4. Monitoring Clinical Care with Indicators - Shahnaz Wasti
5. Risk Factors Analysis of Intrauterine Fetal Death in the Third Trimester - Haiyan Yu
6. Simulated Uterus Microenvironment Induced Human Placental Mesenchymal Stem Cells Differentiation to Uterus Smooth Muscle Cells in Vitro - Weiyuan Zhang
7. Uterine Artery Embolization (UAE); Our Experience at the University Hospital of North Staffordshire, UK - Prabath Suraweera
8. Efficacy and Safety of MVA (Manual Vacuum Aspirator) in the Treatment of Incomplete and Missed Abortion - Haleema Yasmin
9. Isolated Fallopian Tube Torsion in Women with Polycystic Ovarian Syndrome (PCOS): A Case Report and Review of the Literature – Jasmine Tay

### **Room 2.44**

Free Communication Session (FC75) – Oral Presentations

#### Fetal Monitoring

Chair: Katie Morris

1. Management of Changing Fetal Activity Pattern at Stafford General Hospital, United Kingdom - Ayman Ibrahim
2. Effects of Physical Exercise on the Fetal Heart Rate and Uterine Activity - Adriana Melo
3. Fetal Body Measurement in Gestational Diabetes – Hisham Mirghani
4. Umbilical Artery Doppler to Predict Small for Gestational Age and Compromise of Fetal/Neonatal Wellbeing: Systematic Review and Bivariate Meta-analysis - Katie Morris
5. Effects of Low-molecular Weight Heparin on Biometric Growth of Growth Restricted Fetuses - Nilofar Mustafa
6. Correlation of Intrapartum Amniotic Fluid Volume and Perinatal Outcome in Low Risk Pregnancies - Purushothaman Natarajan

### **Room 2.61**

Free Communication Session (FC78) – Oral Presentations

#### Surgical Techniques

Chair: Richard Wells

1. The H Pipelle: "No Touch" Biopsy at "No Touch" Hysteroscopy - Smita Sinha

2. Anterior Superior Iliac Spine: An Important Anatomical Landmark for Symmetrical Placing of Ancillary Laparoscopic Ports In Gynaecological Surgery - Seema Tirlapur
3. Quantifying Electrocoagulation-induced Thermal Effects and Damage to Human Tissue: An Exploratory Study Using the Fallopian Tube as a Novel In-vivo In-situ Model – Christian W. Wallwiener
4. It's Time to Offer Women with Fibroids – Embolisation - Richard Wells
5. The Amplification and Clinical Significance of Hterc Gene in the Cervical Exfoliated Cells from Natural Population in Shenzhen - Ruifang Wu
6. Minilaparotomy - A Minimally (3-4cm Incision) Approach for Total Hysterectomy even in Large Uterus. Some Sugesstion to the Original Technique - Edgar Bonfante

### **Room 2.63**

#### **Free Communication Session (FC80) – Oral Presentations**

##### High-Risk Pregnancy

Chair: Seerat Minocha

1. Big Mums (BMI > 30) with Big Babies. Should Suspicion of Macrosomia be an Indication for Early Induction of Labour? - Khanam Mulbagal Khashia
2. A Case of Triplet Pregnancy with Complete Hydatidiform Mole and Coexisting Two Viable Fetuses Following IVF-ET - Lai Yu Mian
3. Mechanical Ventilation in Critical Illness Obstetric Patients - Xiaodan Di
4. Is It Better to be "Morbidly" Obese or "Just" Obese in Terms of Antenatal Care Provision? - Amitabha Majumdar
5. Pathogenetic Prophylaxis of Obstetrics Complications and Reccurent Thrombosis in Pregnant Women with History of Stroke - Svetlana Akinshina
6. Pathogenetic Prophylaxis of Recurrent Preeclampsia in Women with Thrombophilia - Viktoria Bitsadze
7. Pregnancy after Renal Transplant - Oman Perspective - Seerat Minocha

### **Room 2.64**

#### **Free Communication Session (FC81) – Oral Presentations**

##### Hypertension in Pregnancy

Chair: JL Van Der Merwe

1. Phagocytosis of Apoptotic Trophblast Cell by Human Endometrial Endothelial Cell Induce Proinflammatory Cytokine Production – Bing Peng
2. Sildenafil Citrate Improves Fetal Outcomes in a L-Name Induced Pre-eclamptic Rat Model – Shamal Ramesar
3. The Role of Doppler Velocimetry in Fetal Renal Vessels in PIH – Sasa Savic
4. Uterine Artery Grade II Diastolic Notch in Predicting Unfavorable Perinatal Outcome in Hypertensive Women – Daiva Simanavičiute
5. Vaginal Delivery vs. Caesarean Section in Women with Severe Pre-eclampsia: Maternal Outcomes – Melania Maria Ramos Amorim
6. Coenzyme Q10 Supplementation during Pregnancy Reduces the Risk of Pre-eclampsia – Enrique Teran
7. Do Early and Late Pre-eclampsia Share the Same Aetiology? What Does the Placenta Reveal? (Comparison Of Histopathological Features in Placentas from Pregnancies Complicated by Early and Late Onset Pre-eclampsia) - JL Van Der Merwe
8. Pregnancies Complicated by Mild Pre-eclampsia: How High Risk are They? – Allan Varughese
9. The Active Management of Guidelines: Assessing the Implementation of Regional Guidelines for the Diagnosis and Management of the Hypertensive Disorders of Pregnancy - Peter von Dadelszen

### **Room 2.65**

#### **Free Communication Session (FC82) – Oral Presentations**

##### Women's Health Issues in Developing Countries

Chair: Rachel Masch

1. Arsenic Health Effects and Its Impacts on Female Population in Bangladesh - Fatema Asharaf
2. Vitamin D Deficiency in Pregnant Women and Their Newborns as Seen at a Major Tertiary Care Hospital Of Karachi - Saadiya Aziz Karim
3. Expanding Access to Legal Abortion: The Health Indication - Jaime Benitez
4. Village Savings and Loans Associations – An Innovative Community Financing Approach for Safe Motherhood - Frank Kaharuza
5. Effective and Focused Leadership Training for Safe Motherhood - Jean Chamberlain Froese
6. Adequacy of Visual Examination of the Cervix Following Cryotherapy in a See and Treat Clinical Trial - Rachel Masch
7. Bleeding Following Surgical (MVA) and Medical (400 µg Sublingual Misoprostol) Treatment of Incomplete Abortion - Emad Darwish
8. Side Effect Profiles for Misoprostol and Oxytocin in the Treatment of Postpartum Hemorrhage - Blami Dao

## Tuesday Posters

### **Obstetrics / Perinatology**

- P309. A Study on Effects of Omega-3 Fatty Acids on Postpartum Depression – Fatemeh Nashidi
- P310. Determinants of Place of Delivery among Booked Patients in Tertiary Institution- Adekunle Oguntayo
- P311. Diagnosis and Management of Ectopic Pregnancies in Low Resource Settings – Ogochukwu Okpala
- P312. Community-based Interventions for the Reduction of Maternal Mortality – The Role of Professional Health Associations, Non-governmental Organisations and Community-based Organisations in Delta State, Nigeria – Mininim Oseji
- P313. Organophosphates and Carbamates Intoxication in Pregnancy: A Case Report – Felipe Campanharo
- P314. Maternal Mortality in an Academic Hospital in Sao Paulo, Brazil: 10 Years Experience – Carla Lopes
- P315. Successful Use of Balloon Tamponade to Control PPH due to Vaginal Laceration in a Jehovah's Witness – Arpita Ray
- P316. A Comparison of Severity-of-Illness Indices in Critically Ill Obstetric Patients in Colombia - Jose Antonio Rojas Suarez
- P317. Postpartum Health Care Seeking in Iran – Maryam Rouhi
- P318. Indirect Maternal Mortality in the Netherlands 1993-2005 – Joke Schutte
- P319. Minimizing 2nd Delay in Maternal Mortality and Morbidity for Marginalized Populations through Voucher Supported Emergency Community Transport System in a Rural District of Pakistan – Ghulam Shabbir
- P320. Near-Miss Obstetrics Events and Maternal Deaths in Kathmandu Medical College Teaching Hospital – Nira Singh Shrestha
- P321. Maternal and Fetal Outcome in Pregnant Women with Mechanical Heart Valves - Priya Soma-Pillay
- P322. Maternal Demand for Caesarean Section in a Developing Country: Views of Nigerian Pregnant Women - Stella-Maris Okonkwo
- P323. Cardiac Arrest of Unknown Etiology in Pregnancy – Amber Tahir
- P324. Acute Aortic Dissection in Pregnancy: A Report of Two Cases Fatal Dissection and a Family Relative with Aortic Root Dilatation – Ceren Yildiz
- P325. Dinoprostone Vaginal Insert versus Intravenous Oxytocin to Reduce the Postpartum Blood Loss Following Vaginal or Caesarean Delivery - H. Mete Tanir

- P326. Institutional, Community and Provider Response to Innovation for Reduction of Maternal Mortality in Kano State, Northern Nigeria: A Case Study of Magnesium Sulphate – Jamilu Tukur
- P327. An Epidemiological Approach to Postpartum Problems – Füsün Varol
- P328. Understanding Obstetric Fistula: Findings from Four Districts in Kenya – Charlotte Warren
- P329. Placenta Increta Complicating First Trimester Top Leading to Emergency Hystrectomy - Case Report - Abdalla Yagoub
- P330. Acute Effect of Carbon Monoxide Following Cigarette Smoking on Placental Circulation - A Study by Carbon Monoxide Measure and Doppler Assessment – Janos Zatik
- P331. Improving Birth Outcomes and Creating Demand for Facility Birth in Ethiopia through a Community Based Intervention – Nebreed Zemicheal
- P332. The Prevalence of Anaemia at the First Antenatal Visit in Jos University Teaching Hospital (JUTH), Jos, Nigeria - Amaechi Peter Achara
- P333. Laparoscopic Cholecystectomy during Pregnancy: Is It Safe? - Alireza Barband
- P334. Pregnancy with Cirrhosis and Portal Hypertension – Achla Batra
- P335. Safety of Vaginal Birth after Laparoscopic Myomectomy: A Critical View - Tina Bernardi
- P336. Pregnancy and Exogenous - Constitutional Obesity and Possibilities of Ozone Therapy – Alexander Soshnikov
- P337. Efficiency of Use of Ozone Therapy in Chronic Placental Insufficiency – Sergei Pak
- P338. Fertility and Pregnancy Outcome Following Internal Iliac Artery Ligation: 17 Case Reports over the Last 20 Years: A Retrospective Analysis - Panchanan Das
- P339. Myomectomy during Pregnancy and Caesarian Section – David Davarashvili
- P340. Blood Everywhere Not a Vessel to Ligate - A Case of Post Partum Haemorrhage – Rajesh Dumpala
- P341. Pattern of Perineal Tears during Vaginal Delivery at a Public Sector University Hospital of Sindh - Sumaiya Farooq Arain
- P343. Comparative Efficacy of Parenteral Iron vs Parenteral Iron and Erythropoietin Therapy in Moderate and Severe Anemia of Pregnancy – Prerna Gupta
- P344. Pregnancy and Delivery Outcome in a Patient with Bladder Cystectomy and Ileo Conduit - A Case Report – Chimwemwe Kalumbi
- P345. Hypothyroidism in Pregnancy – Asia Khan
- P346. Guillain-Barre Syndrome in Pregnancy – Fatima Khan
- P347. Prognostic Factors for Prophylactic and Emergency Cerclages - Bruno Langer
- P348. Do Risk Factors Help to Identify Women from Africa with Gestational Diabetes Mellitus? -Hennie Lombaard
- P349. Perinatal Mortality due to Diabetes Mellitus Recorded with the Perinatal Problem Identification Program (Ppip) in South Africa – Hennie Lombaard
- P350. Comparison of Fasting and 15 Min Post Glucose Bolus Insulin Release between Women at High and Low Risk for Gestational Diabetes Mellitus – Hennie Lombaard
- P351. A Rare Case of Gastric Torsion in Pregnancy after Gastric Banding - Channamallikarjuna Swamy Mallappa Saroja
- P352. Intrauterine Fetal Demise (IUFD) and Subsequent Pregnancy Outcomes in Patients with Positive and Negative Thrombophilia Evaluations – Dimitrios Mastrogiannis
- P353. The Association between the Level of Fetal Descent during the Second Stage of Labour and Extension of Caesarean Incision (CS) - Farnaz Montazeri
- P354. Shock Associated Ischemic Colitis Following Massive Obstetric Hemorrhage - Thinagrin Dhasarathun Naidoo
- P355. Pheochromocytoma and Pregnancy: Complications and Solutions - Case Report - Mamuka Nemsadze
- P356. Does Coffee Intake during Pregnancy Prevent Gestational Diabetes Mellitus? - Birgitte Bruun Nielsen
- P357. Perinatal and Maternal Outcomes in Pregnant Women with Sickle Cell Disease and Sickle Cell Trait – Karine Tosta
- P358. Low Apgar's Score at First Minute and Maternal Platelet Count in Pregnancies Complicated by Sickle Cell Disease - Roseli Mieko Yamamoto Nomura

- P359. Placenta Accreta: Comparison of Caesarean Hysterectomies with and without Prophylactic Intravascular Balloon Occlusion of the Internal Iliac Arteries - Eduardo Miyadahira
- P360. Maternal Obesity and Pregnancy Outcome - Radha Bai Prabhu
- P361. Physiologic Skin Changes in Pregnancy – Tanujaa Rajasekaran
- P362. Treatment of Postpartum Depression with Infanticidal Ideation – Andrew Rosenberg
- P363. Outcome of Caesarean Section in Asymptomatic HIV-1 Infection in Kampala, Uganda – Wilberforce Sekirime
- P364. Role of Professional Network in Medication Abortion – Milind Shah
- P365. Prolongation of Pregnancy from 25th to 28th Week of Gestation on Behalf of the Fetus in a Woman who Sustained Brain Death. A Case Report – Ondrej Simetka
- P366. Iron Deficiency Anemia and Iron Deficiency in Adult and Adolescent Women in Pregnancy and after Delivery – Nestor Soares
- P367. Arnold Chiari Malformation in Pregnancy – Maheswari Srinivasan
- P368. Post Partum Haemorrhage Per Rectum Secondary to Dieulafoy Lesion – Vasileios Stamelos
- P369. Insulin Glargin Treatment Seems To Be Safe also during Pregnancy – Helena Strevens
- P370. Euglycaemic Ketoacidosis in Pregnancy - Emeka Ferdinand Orié
- P371. Case Series of Acute Fatty Liver in Pregnancy and Literature Review – Alison Uku
- P372. Placenta Praevia Increta with Caesarean Section Scar Invasion – Izabella Wlodarz-Ulman
- P373. The Effect of Sp6 Acupressure on Primary Dysmenorrhea of Medical Univesity Students in Birjand, 2006-2007 - Farzaneh Kashefi
- P374. The Relationship between Mothers' Body Mass Index with Breastfeeding Duration and Child Weight Gain – Leila Allahgholi
- P375. The Relation between Body Mass Index before Pregnancy and Weaning to the End of the Age of 24 Months – Leila Allahgholi
- P376. Vincristine Teratologic Effect in Newborn Mice – Sajjad Hejazi
- P377. Outcome of Extremely Tiny Babies below 500 Grams – Zbynek Stranak
- P378. Introduction of Live Birth Definition in Uzbekistan: Results and Challenges – Klara Yadgarova
- P379. Fetal Congenital Malformations - An Overview at Referral Centre – Sarita Agrawal
- P380. Evaluation of the Feasibility of a New Device for Performing Chorion Villus Sampling – Cansun Demir
- P381. The Influence of Gestational Age in the Determination of the Fetal Rhd Genotype in Maternal Blood – Luciano Nardoza
- P382. Determination of Fetal Rhd Genotype in Maternal Blood, Using the Real Time Polymerase Chain Reaction Technique - Paulo Chinen
- P383. Comparison of the Effect of Methylprednisolone and Promethazine in the Treatment of Hyperemesis Gravidarum (2001-2002) – Toba Farazmand
- P384. Performance of First-trimester Combined Screening for Trisomy 21, 18 and 13 with the Double Test Taken at a Gestational Age of 8+0 – 13+6 – Ida Kirkegaard
- P385. Ultrasound Findings during Pregnancy in a Woman with Noonan Syndrome: A Case Report - Enrique Cervantes
- P387. Diagnosis and Evolutionary Control of a Nuchal Cord in the First Term of Gestation by Means of Three Dimensional/Four Dimensional (3d/4d) Echography and Angiography – Ana Martínez Aspas
- P388. Acidemia at Birth and Fetal Cardiac Injury in Severe Placental Insufficiency before 34th Weeks Gestation – Seizo Miyadahira
- P389. Ductus Venosus Dopplervelocimetry in Twin Pregnancies with Placental Insufficiency - Tatian Bernáth Liao
- P390. Construction of a Database for the Chinese Male Fetal Heart - Qiuyan Pei
- P391. Prenatal Ultrasound Assessment of Development of Fetal Eyeballs and Orbits According to Gestational Age – Marek Pietryga
- P392. Primary Heart Fibroma Complicated with Fetal Hydrops and Fetal Death in Utero – Konstantin Ridnoi

- P393. Identified versus Non-identified Intrauterine Growth Restriction at Term: Neonatal Results - Ingrid Devies
- P394. Selective Fetoscopic Laser Photocoagulation of Superficial Placental Anastomoses for the Treatment of Severe Twin-Twin Transfusion Syndrome – Marcelo Zugaib
- P395. Prenatal Diagnosis and Management of Congenital High Airway Obstruction Syndrome (Chaos) in One of the Fetuses of a Monochorionic Twin Pregnancy – Marta Santorum Perez
- P396. Pre-pregnancy Underweight and the Risk of Spontaneous Abortion – Leila Sekhavat
- P397. Step-wise First and Second Trimester Screening for Down Syndrome – Dagmar Smetanova
- P398. Cytogenetic and Clinical Analysis of Midtrimester Amniocentesis - Seong-Taek Mun
- P399. Sex Ratio and Pregnancy Outcomes after Bam Earthquake – Tahereh Ashrafganjooei
- P400. Interleukin – 8 in Maternal Serum as Possible Marker of Infection in Patients with Clinical Symptoms of Preterm Delivery – Mirjana Bogavac
- P401. Does Fetal Fibronectin Testing Change Patient Management in Women at Risk of Pre-Term Labour? – Lauren Bolt
- P402. Qualitative Bhcg Assay in Cervicovaginal Secretions: A Potential Predictor of Preterm Birth in Low Resource Setting – Kiran Guleria
- P403. Selected Cytokine Gene Polymorphisms and the Risk of Pprom Followed by Preterm Delivery in the Population of Polish Women – Jaroslaw Kalinka
- P404. High Amniotic Fluid Concentration of Prostaglandin F2a Is Associated with Funisitis in Preterm Premature Rupture of Membranes - Seung Mi Lee
- P405. Search of Peptides as Biomarkers of Preterm Premature Rupture of the Membranes in Amniotic Fluid - Egle Machtejeviene
- P406. Conization vs Cervical Pathology: Which Is the Real Risk Factor for Prematurity? – Fernando Mozo De Rosales
- P407. Success Rate and Pregnancy Outcome of Cervical Cerclage in Srinagarind Hospital, Thailand – Witoon Prasertcharoensuk
- P408. Randomised Clinical Trial of Fish Oil for Prevention of Preterm Birth in High Risk Women - Jannie Dalby Salvig
- P410. Ovarian Hyperstimulation Syndrome: Outcome of Singleton and Multiple Pregnancies – Lali Sichinava
- P411. Comparison of Conventional Methods (Nitrazine Test, Ferning Test) and Placental Alpha-Microglobulin-1 (Pamg-1) in Cervicovaginal Discharge for the Diagnosis of Rupture of Membranes – Ceren Yildiz
- P412. Maternal BMI and Preterm Birth: A Systematic Review of the Literature with Meta-analysis – Mario Meriardi
- P413. Management of Cervical Cerclage after Preterm Premature Rupture of Membranes - Yan Zhang
- P1132. The Role of Selective and Emergency McDonalds Encirclage in Cervical Incompetence in Preventing Preterm Birth - Javed Ali
- P1135. Comparison of an Improvised Circumferential Abdominal - Pelvic Pressure Device to a Neoprene Non-inflatable Anti-shock Garment for Control of Pelvic Blood Flow – Nancy Kerr
- P209. Predictability of Morphologic Scoring Systems in the Sonographic Characterization of Ovarian Masses - Maria Regina Vitug

## **General Gynaecology**

- P414. Assessment of Conservative Management of First Trimester Miscarriage in Sudanese Women – Mazar Abul Gasim
- P415. Ectopic Pregnancy in Nnewi, Nigeria: A 5–Year Study at a Tertiary Health Care Institution – Sunday Mbamara
- P416. Secondary Ectopic Omental Conjoined Twin Pregnancy Case Report and Review of Literature - Nahed Al Tabash
- P417. The Experience in the Diagnosis and Management of Ectopic Pregnancy in Taif Maternity Hospital – Nahed Al Tabash
- P418. Presentation and Management of Ectopic Pregnancy at Diana Princess of Wales Hospital, United Kingdom – Lilian Alabi-Isama

- P419. The Immunohistochemical Expression of Vegf as an Angiogenesis Marker in Early Pregnancy – Alexandru Comanescu
- P420. A Randomised Controlled Trial of Oral versus Vaginal Misoprostol for Medical Management of Early Fetal Demise – John Anderson
- P421. Vaginal Misoprostol as a Medical Management in Early Pregnancy Loss – Gulshan Ara
- P422. Correlations Between Trophoblast Thickness and Spontaneous Abortion - Statistical Study – Nicolae Cernea
- P423. State of Lipid Peroxidation and Antioxidant Defense System in Patients with Autoimmune Miscarriages after Ozone Therapy – Jesus Clemente
- P424. Medical Management of Ectopic Pregnancy: Our Experience in the North West of England – Spyridon Chouliaras
- P425. Prospective Obstetric Outcome Following Preconceptual Transabdominal Cerclage - Roy Gibb Farquharson
- P426. Increased Risk of Adverse Obstetric Outcome in Women with Acquired APCR and Recurrent Miscarriage – Feroza Dawood
- P427. Trophoblastic Invasion of the Unruptured Tubal Pregnancy by Histopathology, Serum Marker and Immunohistochemical – Julio Elito Jr.
- P428. Ectopic Pregnancy: Correlation between Ultrasound Scan Findings and Outcome – Samira Furara
- P429. The Use of Progesterone in the Management of Pregnancy of Unknown Location - Elizabeth Glanville
- P430. Maternal Nutritional Status and Perinatal Outcomes in Adult and Adolescent Pregnancies in Brazil – Cristina Guazzelli
- P431. Is Transvaginal Ultrasound a Reliable Test in the Diagnosis of Early Embryonic Demise? Outcomes of Embryos Less than 6mm in Crown-Rump Length without Cardiac Activity – Rudaina Hassan
- P432. Management of Ectopic Pregnancy in Previous Lower Segment Caesarean Section Scar: 2 Case Reports - Sze Ching Hong
- P433. The Unk Cell in Human Decidua of Normal Pregnancy and Spontaneous Abortion in the First Trimester Pregnancy and Its Angiogenic Function Regulated by Progesterone and Il-15 – Wei Huang
- P434. Ectopic Pregnancy Post Hysterectomy – Sangeeta Jha
- P435. Partil Mole with Live Fetus of the Seconda and Third Trimester – Azpilcueta Juarez
- P436. The Investigation on the Value of Repeat and Combination Test of Aca and Anti-B2-Gpi Antibody in Women with Recurrent Spontaneous Abortion – Qide Lin
- P437. Ultrasound Follow Up on Ectopic Pregnancy Treated with Multiple Doses of Methotrexate: A Case Report of Ultrasonographic Monitoring in the Resolution of Ectopic Pregnancy - Ricardo Alberto Lopez
- P438. Intrauterine Pregnancy after Endometrial Ablation – Raquel Rodriguez Rabanal
- P439. Ovarian Ectopic Pregnancy - Oscar Augusto Oviedo Moreno
- P440. Ruptured Interstitial Ectopic Pregnancy in a Spontaneous Conception Cycle Following Ipsilateral Salpingectomy - Lovina Machado
- P441. Association of Il-10 Promoter Genotypes and Haplotypes with Idiopathic Recurrent Spontaneous Miscarriage – Touhami Mahjoub
- P442. Comparison: The Effect of Vaginal Misoprostol and Prostaglandin E2 Suppository in Pregnancy Termination before 20 Weeks of Gestational Age – Parvin Mostafa-Gharabaghi
- P443. Steroid Usage in Recurrent Miscarriage – Is It of Benefit? – Vivek Nama
- P444. What for Early Pregnancy Failure Manual Vacuum Aspiration (MVA) with Small Dose Misoprostol or Misoprostol Alone? - Zinnat Ara Nasreen
- P445. Combined Maternal Serum Inhibin A and Embryonic/Fetal Heart Rate Is Not Better than Embryonic/Fetal Heart Rate for Prediction of Pregnancy Outcome in First-trimester Threatened Abortion – Vorapong Phupong
- P446. What Is the Optimal Management for Ectopic Pregnancies in Uncommon Locations? More Medical or Surgical Treatment? That Is the Question? – Mahmoud Rahimi
- P447. Ectopic Pregnancy and Subsequent Obstetric Outcome – Gautam Rajee
- P449. Is Hyperemesis Gravidarum due to Social Problems? – Rosdinom Razali
- P450. Markers in Failed Implantation and Abortion after IVF – Razvan Capitanescu

- P451. Efficacy of Vaginal Misoprostol in Missed Abortion - Abu Saleh Sadat
- P452. Changing Perceptions and Women's Preferences in the Management of Incomplete Miscarriage: Observational Study between 1998-2008 in a Tertiary Hospital – Lakshmi Sandu Aana
- P453. A Survey to Assess the Efficiency of an Early Pregnancy Unit - Kasi Viswanathan Sellappan
- P454. Role of Methotrexate in Unruptured Tubal Ectopic Pregnancy - Shagufta Seyal
- P455. The Substantiation of the Administration of Natural Progesterone for Prophylaxis of Recurrent Pregnancy Loss in Patients with Antiphospholipid Syndrome – Ekaterina Shakhovskaya
- P456. Thrombophilia and Adverse Outcome of Pregnancy – Marzieh Shiva
- P457. Association Study of Vascular Endothelial Growth Factor Polymorphisms with the Risk of Ectopic Pregnancy - Marcelo Silva
- P458. A Descriptive Analysis of Women Presenting with Ectopic Pregnancies at King Edward VIII Hospital, Durban, South Africa – Nikhil Singh
- P459. Epidemiologic Profile and Factors Associated with Complications in Patients with Gestational Trophoblastic Disease in a Teaching Hospital (IMIP) in Brazil – Aurélio Costa
- P460. Arteriovenous Malformation of the Uterus - A Cause of Massive Operative Bleeding - Hsun-Han Tang
- P461. The Value of the Early Pregnancy Assessment Clinic in the Management of Early Pregnancy Complications – Modupe Tunde-Byass
- P462. The Clinic Analysis of Four Cases of Pregnancy of Women with Miliary Tuberculosis after In Vitro Fertilization and Embryo Transfer – Wei Yuan
- P463. Clinical Feature and Advances in Diagnosis and Treatment of Fallopian Pregnancy during the Past 10 Years - Hua Xu
- P464. The Effect of Education on Student's Knowledge about Breast Cancer and Breast Self Examination – Masoumeh Abedzadeh
- P465. Outcome of a Survey of Urogynaecology Training in Yorkshire, UK – Ranadeb Acharyya
- P466. Patients' Understanding of Their Diagnoses, Discharge Instructions Plans and Their Subsequent Compliance – Rukhsana Ayub
- P467. Assessment of Self-efficacy among Women with Gestational Diabetes – Farideh Bastani
- P468. Effects of Natural Childbirth Preparation versus Standard Antenatal Education on Epidural Rates, Experience of Childbirth and Parental Stress in Mothers and Fathers: A Randomised Controlled Multicentre Trial – Malin Bergström
- P469. Comparing the Effect of 2 Educational Methods in Increasing of Girls' Knowledge about Their Body Changes and the Aspects of Feminine Puberty - Malek Fakhr
- P470. Postgraduates' Clinical Assessment in Obstetrics and Gynaecology in Sudan: Long Case, Osces or Both - Shahad Mahmoud Hussein
- P471. Comparison Episiotomy in Midwives and Midwifery and Medical Students – Aghdas Karimi
- P472. Medical Education in Family Planning in the United States: Why and How – Uta Landy
- P473. The Use of Cumulative Sum Analysis in the Assessment of Trainee Competence in Fetal Measurements – Hisham Mirghani
- P474. Integrating Private Hospital Assistance in Gynaeco-obstetrics Departments University Training Commitment – IUNIR - Diego Odetto Coscarelli
- P475. Achieving Safety and Success of Operative Vaginal Deliveries at a District Teaching Hospital. A Triumph of Audit and a Targeted Practical Teaching Workshop – Michelle Russell
- P476. The Effect of Antenatal Educational Interventions on State-trait Anxiety in the Parturition Process – Soheila Ahmadian Heris
- P477. Laparoscopic Management of a Rare Case of a Large Multinodular Mucinous Cystadenoma in a 14-Year Old Girl – Anagani Manjula
- P478. New Method of Treatment for Genital Kochs in Infertility: Laparoscopy and Clinical Diagnosis of Kochs - Is It Really Helpful in Rural India? - Kalyan Barmade
- P479. Laparoscopic Cystectomy in a Very Obese (115 kg) Female with a Huge Benign Ovarian Cyst - Rabindra Nath Behera

- P480. The Role of Hydrosalpinx Reconstructive Surgery in the Assisted Reproduction Age – Ana Capurro
- P481. Side-effects Associated to Surgical Management of Non-complex Adnexal Cysts in Asymptomatic Postmenopausal Women – Alvaro Gorostiaga
- P482. Laparoscopic Excision of Adenomatoid Tumour – Madhavi Kalidindi
- P483. Laparoscopically Assisted Vaginal Hysterectomy (LAVH) with Uterine Manipulating Screw Is Effective in Small to Medium Size Uterus (<Or =350 G) – Kovit Khampitak
- P484. Comparison of Clinical Effects: Selective Ligation of Uterine Vessels and Blunt Bipolar Coagulation of Uterine for TLH – Hongbae Kim
- P485. Transumbilical Single Port Total Laparoscopic Hysterectomy: Initial Experience - Sang Wun Kim
- P486. Transvaginal Natural Orifice Transluminal Endoscopic Surgery (Notes) for Ovarian Cyst – Kim Soo Nyung
- P487. 2 Cases of Uterine Perforation during Hysteroscopic Myomectomy - Sung Hwan Park
- P488. Surgical Treatment Outcomes of Tubal and Tuboovarian Abscesses – Teófilo Guerra
- P489. Surgical Approach and Histological Findings in the Management of Adnexal Masses Greater than 70mm – Erika Manzo
- P490. Laparoscopic Management of Large Adnexal Masses - Jose Manuel Menendez
- P491. Transvaginal Ultrasound for Confirmation of Successful Essure® Placement: An Attempt of Validation - Rita Mesquita Pinto
- P492. Minimally Invasive Fetal Surgery for TTTS - Brazilian Perinatal Center Experience - Renato Augusto Moreira De Sa
- P493. Treatment of Symptomatic Uterine Fibroids by Laparoscopic Bipolar Coagulation of Uterine Vessels – Haydeh Samiee
- P494. Total Laparoscopic Hysterectomy (TLH) Using the Ligasure 5mm Sealer/Divider System and the Hohl Uterine Manipulator – Dietmar Seeger
- P495. Total Laparoscopic Hysterectomy - A Case Report of a Modified Technique – Vasile Corina
- P496. A Combination of Misoprostol and Estradiol for Pre-operative Cervical Ripening in Postmenopausal Women: A Randomised Controlled Trial – Kevin Sunde Oppegaard
- P497. Weekly 70mg Oral Alendronate Therapy in Postmenopausal Osteopenic Women – Nutan Agarwal
- P498. Treatment of Dystrophic Diseases of the Vulva with Use of the Ozonized Olive Oil "Superozonid" – Gulnara Fataliyeva
- P499. Quality of Life (QOL) Profile of the Elderly Women Served by the Family Health Program (FHP) in Brazil – Joana Figueira
- P500. Concurrent Chemoradiotherapy or Radiotherapy Alone for Locally Advanced Cervical Cancer in Elderly Women - Young Seok Kim
- P501. The Importance of Gender Specific Medicine in a Changing Demographic – Rudolf Wiborny
- P502. HIV Prevalence and Behaviour Study among Pregnant Women in Georgia – Tengiz Asatiani
- P503. Psychosexual Analysis of HIV Positive Individuals – Sunita Ghike
- P505. Awareness about HIV and Practices Followed by the Beauticians of Nagpur City, India - Laxmi Shrikhande
- P506. Steven Johnson Syndrome Seen in a HIV Positive Pregnant Patient: A Case Report - Hajaratu Umar Sulayman
- P507. Women's Sexual Dysfunction during the First Year after Child Birth – Marjan Ahmad Shirvani
- P508. Comparison of Normative and Menopausal Women by the Brief Index of Sexual Functioning for Women (Bisf-W) - Heung Yeol Kim
- P509. Sexuality Following Laparoscopic Peritoneal Vaginoplasty in Women with Mayer-Rokitansky-Kuster-Hauser Syndrome – Guo Sun-Wei
- P510. Dysorgasmia or Pain at Orgasm: A Case Series – Bini Ajay
- P511. How Does Sexual Satisfaction Relate to Marital Satisfaction among Iranians? – Azam Rahmani
- P512. Sexual Satisfaction in Women One Year after Delivery – Kitirat Teachatrisak

- P513. Risk Factors for Postcaesarean Infections – Fehmi Ahmeti
- P514. Mycoplasma Hominis and Ureaplasma Urealiticum Incidence and Susceptibility to Antimicrobial Agents in Patients with Infertility in the North-East of Romania – Maria Akad
- P515. Pregnancy and Tuberculosis Reemergence. Case Report and Checkup of Literature – Enrique Alvarez-Freites
- P516. Asymptomatic Bacteriuria among HIV Positive Pregnant Women – Olutosin Awolude
- P517. Group B Streptococcus (GBS) and Escherichia Coli (E. Coli) Colonization in Lithuanian Pregnant Women and the Impact of Colonization on Early Onset Neonatal Infections – Egle Barcaite
- P518. Viral Infection and Preterm Delivery – Mirjana Bogavac
- P519. General Magnet Therapy as Part of Treatment of Acute Pelvic Inflammatory Diseases in Women – Rajani Chandra-D'mello
- P520. General Magnet Therapy in the Treatment of Chronic Inflammatory Diseases of Female Internal Genitalia – Gennady Grechkanov
- P521. General Magnet Therapy as a Treatment Method in Inflammatory Diseases of the Lower Sections of Female Genitalia – Nikolai Nikishov
- P522. Human Papillomavirus Types in Low Grade Squamous Intraepithelial Lesions of the Uterine Cervix in Thai Women – Paul Blumenthal
- P523. Prevalence of Bacterial Vaginosis in Pregnant Women and Predictive Value of Clinical Diagnosis – Vatsla Dadhwal
- P524. Microorganisms of the Cervicovaginal Region in Women during Labour: Therapy of Choice in Early Puerperium – Nebojsa Jovanovic
- P525. Genetic Polymorphism of B3-Adrenergic Receptor in Pregnant Women with Excessive Weight Gain – Krzysztof Drews
- P526. Malaria: An Obstetric Emergency – Anita Dutta
- P527. The Association between Chronic Periodontitis and Pre-term Low Birth Weight Infants – Mohamed El-Gharib
- P528. The Effect of Honey on Vulvovaginal Candidiasis – Nasrin Fazel
- P529. Features of Clinical Course and Outcome of Therapy of Mycoplasmal Urogenital Infections during Pregnancy - Irina Fofanova
- P530. Periodontal Disease and Its Relation with Birth Outcomes – Lizmary Garcia Capote
- P531. Cervical Factor in Predicting Preterm Labour – Miroslava Gojnic
- P532. An Audit on the Use of Swabs in the Gynaecology Out-patient Department – Nicole Graham
- P533. Analysis of Measurement of Inflammatory Markers in Intrauterine Infection and Preterm Labour – Martin Petrenko
- P534. Subsequent Risk and Presentation of Cervical Intraepithelial Neoplasia (CIN) 2/3 after a Colposcopic Diagnosis of CIN 1 or Less – Li Geng
- P535. Resurgence of Group-A Streptococcal Infection in Post-partum Period - A Case Report – Pragya Gupta
- P536. Rate of Urinary Tract Infections Following Benign Gynaecological Surgery – Angana Nankani
- P537. Use of Butaconazole in Recurrent Vulvo-vaginal Candidiasis - Case Reports in Singapore - Ling Zhi Heng
- P538. High Detection of High-risk Human Papillomavirus DNA among Pregnant Women of Six Brazilian Cities – Emilia Jalil
- P539. Gynaecology Related Unusual Emergency Cases: Broadspectrum Images - Hae Jeong Jeon
- P540. Risk Factors and Frequency of Occurrence of HPV DNA of High Oncogenic Types in Paraepidermal Epithelium Cells of the Uterine Cervix, in the Trophoblast, and in the Peripheral Blood of Pregnant Patients - Małgorzata Szczepańska
- P541. Chlamydia Screening in Gynaecology – Asia Khan
- P542. The Isolated and Mixed Urogenital Chlamydial Infection (UCHI) in Infertile Females - Jenara Kristesashvili
- P543. Clinical Significance of Torch Titres in High Risk Pregnancy – Vidushi Kulshrestha
- P544. Combined Effects of Trail and Paclitaxel in Growth and Apoptosis of Human Ovarian Carcinoma Cell Line Skov3 and Its Effect on the Expression of Bcl-2/Bax – Li Peiling

- P545. Catastrophic Dilemma of Post Simple Total Hysterectomy Ending Up with King-Sheu's Method and Special Nutritional Supplements - Chau-Tang Liu
- P546. Case Report of Labial Hypertrophy – An Unusual Cause – Rebecca Mallick
- P547. Study of Asymptomatic Bacteriuria during Pregnancy in Nepal Medical College - A Prospective Study – Rita Marahatta
- P548. Cervical Schistosomiasis – An Increasing Presentation in the Developed World – Kirk Chin
- P549. HPV Infection in Anogenital Specimens of Puerto Rican Women: Comparison with Cervical Cytology Results – Keimari Mendez
- P550. Determination of Sexually Transmitted Diseases in Women with Abnormal Cervical Cytology - Jose Manuel Menendez
- P551. Detection of Cytomegalovirus and Parvovirus B19 Infections in Cases of Intrauterine Fetal Death - Fatemeh Mirzaei
- P552. Human Papilloma Virus Infections of the Female Genital System – Anita Mitreski
- P553. Is There any Relation between Meconium-stained Amniotic Fluid and Postpartum Infection? – Nahid Mostaghel
- P554. Parvovirus B19 Infection (PVB19) among Polish Pregnant Women – Dorota Nowakowska
- P555. Reduction of Surgical Site Infection in Caesarean Section after Integrating the Use of a Cyanoacrylate Skin Sealant into the Preoperative Skin Prepping Protocol for a 200 Bed Hospital – Maggie Coyle
- P556. Ovarian Actinomycosis – A Rare Complication of Forgotten IUCD – Rajshree Paladi
- P557. The Effect of HIV on the Outcome of Patients Admitted with Pelvic Inflammatory Disease - Mary Parrish
- P558. Syphilis - A Review of Management and Outcome in a Tertiary Referral Unit – Meenakshi Ramphul
- P559. Study of Malaria in Pregnancy at Coastal State of Karnataka, India – Arun Rao
- P560. Persistence of HPV-Genotypes and Serology among Women with Incident CIN – Marjut Rintala
- P561. Efficacy and Tolerance of Metronidazole 750 Mg and Miconazole Nitrate 200 Mg in Treatment of Vaginitis – Fabricio Rosas
- P562. The Comparison of Maternal Endometritis in Meconium-stained Amniotic Fluid and Clear Amniotic Fluid – Zohreh Salari
- P563. Klebsiella Pneumoniae Septicaemia - Complicated by Pyomyoma in a Diabetic Patient: Case Report and Review of the Literature – Chen San-Nung
- P564. Risk Factors for Surgical Site Infection Complications after Caesarean Section in a Teaching Hospital in Brazil - Aurelio Ribeiro Costa
- P565. Female Genital Schistosomiasis (FGS); An Uncommon Gynaecological Condition in the Western World – Prabath Suraweera
- P566. Recurrent Fournier's Gangrene in Diabetic Patient – A Case Report – Jelena Micic
- P567. Amniotic Fluid Lipopolysaccharide - Binding Protein Levels after Premature Rupture of Membranes in Preterm and Term Labour - Andrzej Torbe
- P568. Frequency of Sexually Transmitted Diseases in Pregnant Women from Brazil – Plínio Turine-Neto
- P569. Puerperal Septic Pelvic Thrombophlebitis – Petr Velebil
- P570. Serotype I, II, III Distribution and Antimicrobial Susceptibility of Streptococcus Agalactiae Among Polish Delivering Women – Bartłomiej Wolski
- P571. The Status and Related Factors of Reproductive Tract Infections among Women Suffered from Various Disasters: Evidence-based Research – Hu Lina
- P572. Interleukin-6 Concentrations in Maternal and Umbilical Cord Plasma and the Early Onset Neonatal Infection – Jolanta Zegarska
- P573. Alteration of the Menstrual Cycle in Adolescence: Early Clinical Manifestation of the Metabolic Syndrome? – Isabel Bouzas
- P574. Survey at the Factors Affecting Delinquent Adolescent Girls Running Away from Their Homes – Masomeh Hashemian
- P575. Uterus Didelphus with Blind Hemivagina and Ipsilateral Renal Agenesis - A Rare Case Report – Joana Faria

- P576. Torsion of a Peritubal Cyst with Associated Tubal Infarction in an Adolescent Girl – Case Report – Mythili Ramalingam
- P577. Bilateral Massive Ovarian Edema - A Rare Cause of Acute Abdomen – Rupinder Ruprai
- P578. Appraisal of Menstrual Awareness Among Female Secondary School Girls in Lagos – Adetokunbo Tayo
- P579. Association between Vaginal Hydrogen Peroxide Producing Lactobacillus Species and Bacterial Vaginosis Related Flora of Pregnant Women in Poland – Malgorzata Wasiela
- P580. Experimental Study Regarding the Antioxidant Effects of Some Natural Products – Adriana Muresan
- P581. Evaluation of Placental Permeability for Toxic and Essential Elements in South African Delivering Women – Cibebe Rudge
- P582. Is Integrin Beta3 Involved in Endometrial Cell Function Regulated by Galectin-3? – Wei Zhang
- P583. Comparison between Abdominal Myomectomy and Abdominal Hysterectomy in Management of Uterine Fibroids - Mustafa Gawass
- P584. A Comparison Made between Peritoneum (Parietal and Visceral) and a Closed One During 100 Case of Caesareans Performed at the Qods Nursery of Zahedan - Faranak Fazel
- P585. B-Lynch - Role in Management of Atonic PPH – Poonam Sachdeva
- P586. Selective Uterine Artery Embolization as a Method of Treatment of Symptomatic Uterine Fibroids - Andrzej Durczynski
- P587. Amenorrhea after Uterine Fibroid Embolization in Women under Age 45 and Women over Age 45 - Maria Luisa Cañete Palomo
- P588. Laparoscopic Approach in High Body Mass Index and Endometrial Cancer - José Manuel Menéndez
- P589. Robot-assisted Laparoscopic Trachelectomy for Benign Indications: A Case Series – Nyia Noel
- P590. Long Acting Steroid Injection for Perineal Scar Pain after Childbirth – James Penny
- P591. Comparison of Laparoscopic-assisted Vaginal Hysterectomy with Traditional Hysterectomy in Omolbanin Hospital (2005 Jan-2007 Sep) – Monireh Pourjavad
- P592. Laparoscopy; Are We Doing the Right Things? – Nitish Raut
- P593. Creation of Neovagina Using Laparoscopically Assisted Mobilized Peritoneum: Report of Two Cases – Adolfo Rechkemmer
- P594. Lletz/Leep Procedure Assisted by the Computerized Planimetry of Uterine Cervix in Treatment of Cervical Intraepithelial Neoplasia (CIN) – Wojciech Rokita
- P595. Manchester (Fothergill) Repair: The Forgotten Procedure – Hassan Abduljabbar
- P596. Endometrium Ablation in Postmenopausal Patients with Endometrium Hyperplasia – Olga Mishieva
- P597. Torsion of Adnexa of Uterus. Possibilities Laparoscopically Treatment – Sergey Shtyrov
- P598. Comparison of the Intra and Post Operatory Results between Two Hysterectomy Techniques in Patients with Benign Diseases in a Teaching Hospital in Brazil. A Randomized Clinical Trial - Ana Thais Vargas
- P599. Conservative Surgical Management of Arteriovenous Malformation of the Uterus - Maria Veronica Taccad
- P600. Uterine Arteries Embolization in Organ Saving Treatment of Leiomyoma – Tetyana Tatarchuk
- P601. Palpation of Healthy Ovarian Follicles in Laparotomy Prevent Iatrogenic Premature Ovarian Failure Rather than Laparoscopy for Bilateral Ovarian Dermoid Cysts – Ahmet Turp
- P602. Vaginal Hysterectomy in Nonprolapsed Large Uterus: Is It Feasible? – Alina Ursuleanu
- P603. Outpatient Hysteroscopy Patient's Anxiety and Experiences - Preliminary Results - Corina Vasile
- P604. Patients Awareness of Post-operative Adhesions: Results from a Multi-centre Study and Online Survey – Markus Wallwiener
- P605. Quality of Care during Second Trimester Abortion Procedures - Suchitra Dalvie
- P606. Mid-trimester Medical Abortions during 2002-2008 – Daniel Driak
- P607. Efficacy of 0.5% vs 1% Lidocaine in Outpatient Elective Abortions: Is There a Difference? – Brian Fitzsimmons

- P608. Expansion and Implementation of the Harm Reduction Model for Unsafe Abortion in Five Latin American Countries – Carrie Tatum
- P609. Maturation of Macrosomic Fetus and Vaginal Delivery – Miroslava Gojnic
- P610. Medical Termination in Previous LSCS Pregnancy – Atul Kalangutkar
- P611. Home Self-administration of Misoprostol for Medical Abortion Up to 63 Days' Gestation - A Review of 395 Consecutive Cases – Helena Kopp Kallner
- P612. Role of the Media in the Prevention of Unsafe Abortions in Zambia – Swebby Macha
- P613. Outpatient Vaginal Misoprostol and Its Effect on Postterm Pregnancy – Nahid Mostaghel
- P614. Induced Abortion: Awareness of Health Professionals Regarding Brazilian Law - Glauca Guerra Benute
- P615. The Law and Induced Abortion: Opinions of Brazilian Physicians - Gláucia Guerra Benute
- P616. Community Use of Misoprostol for the Termination of Pregnancy: The Role of Pharmacy Staff in Kenya – Joachim Osur

# Wednesday 7 October

## 08h00 - 09h00 Wednesday Sessions

### **Auditorium 1**

#### **De Watteville Lecture**

Chairs: Dorothy Shaw, Vancouver, Canada and Joe Leigh Simpson, Houston, USA  
Stem Cells in Drug Discovery and Development - Alan Trounson, San Francisco, USA

### **Auditorium 2**

#### **Managing the Obese Gynaecological Patient**

Chair: Sian Jones, Bradford, UK

1. The Global Obesity Epidemic: Impact on Gynaecological Disorders - Siladitya Bhattacharya, Aberdeen, UK
2. Endoscopic and Abdominal Surgery in the Excessively Obese Surgical Patient - Sian Jones, Bradford, UK

### **Ballroom East**

#### **Post-Partum Haemorrhage: Medical Management**

Chair: Metin Gulmezoglu, Geneva, Switzerland

1. Prevention of Postpartum Haemorrhage - Guillermo Carroli, Rosario, Argentina
2. Medical Management of Postpartum Haemorrhage and Retained Placenta - Metin Gulmezoglu, Geneva, Switzerland

### **Ballroom West**

#### **State of the Art Lecture**

Chair: Liliana Voto, Buenos Aires, Argentina

Pre-term Labour - Prevention and Management - Irene Hoesli, Basel, Switzerland

### **Westin Grand Ballroom**

#### **Uterine Fibroids**

Chair: Isaac Manyonda, London, UK

1. Medical Management of Uterine Fibroids - Isaac Manyonda, London, UK
2. Conservative Surgical Management of Uterine Fibroids - Adam Magos, London, UK
3. Reproductive Implications of Uterine Fibroids - Mary Lumsden, Glasgow, UK

### **Roof Terrace**

#### **WHO/UNFPA Cervical Cancer Prevention**

Chair: Hedia Belhadj, New York, USA and Nathalie Broutet, Geneva, Switzerland

1. Cervical Cancer Prevention: What is Feasible in Developing Countries? What is the Place of New Technologies? - Michael Chirenje, Harare, Zimbabwe
2. Cervical Cancer Prevention and HPV Vaccines: Projected Impact, Cost-effectiveness, Cost, Financing and Global Policy and Opinion - Aisha Jumaan, Seattle, USA
3. HPV Vaccination: Programmatic Opportunities for Integration and for Strengthening Services – WHO Recommendations - Helen Rees, Johannesburg, South Africa

### **Room 1.4**

#### **Video Session III**

Chair: Laxmi Shrikhande, India

1. Cervical Cerclage: Indications and Technique - Vasanthi Jayaraj, Thrissur, India
2. The Technique of Vacuum Assisted Delivery - Aldo Vacca, Brisbane, Australia
3. Forceps Assisted Delivery: Time to Make the Forceps Short and Small - V.P. Paily, Thrissur, India

### **Room 1.6**

#### **Keynote Lecture**

Chair: Elfriede Greimel, Graz, Austria

Women's Sexuality after Breast Cancer - Alessandra Graziottin, Milan, Italy

### **Room 2.4**

#### **Keynote Lecture**

Chair: Gerhard Theron, Cape Town, South Africa

The Limits of Fetal Viability: Ethical and Clinical Considerations - Johan Smith, Cape Town, South Africa

### **Room 2.6**

#### **FNCGM (French Session: Federation Nationale des Colleges de Gynecologie Medicale)**

Chair: Pia de Reilhac, Nantes, France

1. Mission Study: Impact on Breast Cancer and Cardiovascular Disease of HRT in Early Postmenopausal Women - Pia de Reilhac, Nantes, France
2. Mastodynia: Prevalence and Patient Care - Brigitte Letombe, Lille, France
3. Contraception after Breast Cancer - David Serfaty, Paris, France
4. Contraception: Evaluation of Councelling Method for Decrease the Missuse - Pia de Reilhac, Nantes, France

## **09h00 - 10h30 Wednesday Sessions**

### **Auditorium 1**

#### **The Prevention of Unsafe Abortion**

#### ***Session co-sponsored by the Centre for Health and Social Policy and Planned Parenthood Federation***

Chair: Dorothy Shaw, Vancouver, Canada

José Barzellato Lecture: José Barzellato Vision on Abortion - Anibal Faundes, Campinas, Brazil

Discussion:

Sa'diyya Shaikh, Cape Town, South Africa

Ruta Nadisauskiene, Kaunas, Lithuania

Gamal Serour, Cairo, Egypt

### **Auditorium 2**

#### **Family Planning**

Chair: Herbert Peterson, Chapel Hill, USA

1. The Role of Population and Family Planning in Achieving the Millennium Development Goals - Herbert Peterson, Chapel Hill, USA
2. Evidence-based Contraceptive Choices - David Baird, Edinburgh, UK
3. Post-Abortion Contraception - Suneeta Mittal, New Delhi, India

### **Ballroom East**

#### **Post-Partum Haemorrhage: Surgical Management**

Chair: Sabaratnam Arulkumaran, London, UK

1. Uterine Packing and Balloon Tamponade - Sabaratnam Arulkumaran, London, UK
2. Uterine Compression Sutures - Philip Steer, London, UK
3. Major Vessel Ligation - V.P. Paily, Kerala, India

### **Ballroom West**

#### **Diabetes and Pregnancy**

Chair: Kari Teramo, Helsinki, Finland

1. Obesity: The Metabolic Syndrome and Diabetes in Pregnancy - Kari Teramo, Helsinki, Finland
2. Old and New Insulins - Jacob Petersen, Sweden

3. Oral Hypoglycemic Agents - Jo Modder, London, UK

### **Westin Grand Ballroom**

#### **State of the Art Lecture**

Chair: Alan Cameron, Glasgow, UK

First Trimester Screening in Pregnancy - Baskaran Thilaganathan, London, UK

### **Roof Terrace**

#### **Management of Cervical Cancer**

Chair: Gerhard Lindeque, Pretoria, South Africa

1. Role of Imaging in Management of Cervical Cancer - Perry Grigsby, St Louis, USA
2. Chemoradiation versus Chemosurgery - Gerhard Lindeque, Pretoria, South Africa
3. Management of Cervical Cancer in Developing Countries - Khoorsheed Maula, Dhaka, Bangladesh

### **Room 1.4**

#### **Amnesty International: Obstetricians and Gynaecologists Working in Defence of Human Rights**

Chair: Stephanie Schlitt, London, UK

1. Government's Obligation to Prevent and Respond to Violations against Obstetricians and Gynaecologists - Stephanie Schlitt, London, UK
2. Experience of Human Rights Violations as a Result of Providing Sexual and Reproductive Health Services – Darleen Estuart, Davao City, Philippines
3. Policy and Practice of Supporting and Protecting Obstetricians and Gynaecologists in Mexico City in the Face of Public Opposition and Opposition from Co-workers and Institutions - Patricio Sanhueza Smith, Mexico City, Mexico
4. Introduction to the Mandate of the United Nations Special Rapporteur on the Situation of Human Rights Defenders and Possibilities for Obstetricians' and Gynaecologists' Interaction with the Mandate - Margaret Sekkagya, Kampala, Uganda
5. The British Medical Association's Modes and Experiences of Intervention on Behalf of Doctors Subjected to Human Rights Violations because of Their Work in Service Provision or Advocacy - Vivienne Nathanson, London, UK

### **Room 1.6**

#### **Psycho-social and Psycho-sexual Aspects of Gynaecological Cancer**

Chair: Hextan Ngan, Hong Kong, China

1. Quality of Life after Gynaecological Cancer - Michéle Lachowsky, Paris, France
2. Sexual Function after Gynaecological Cancer - Elfriede Greimel, Gratz, Austria
3. Knowledge and Psychosocial Reaction to Cervical Cancer and HPV Vaccine - Hextan Ngan, Hong Kong, China

### **Room 2.4**

#### **International Federation of Paediatric and Adolescent Gynaecology (FIGIJ) and WHO**

Chair: Ramiro Molina Cartes, Santiago, Chile

1. Introduction - Ramiro Molina Cartes, Santiago, Chile
2. What are the Main Gynaecological Problems among Children and Adolescents in Developed and Developing Countries? - Enrique Pons, Uruguay
3. What is Working and not Working in the Prevention of Adolescent Pregnancy? – Charles Sultan, Montpellier, France
4. The Impact of Sexual Education Programmes on Future Sexual and Reproductive Health - Dan Apter, Helsinki, Finland
5. Prevention of Maternal and Perinatal Mortality and Morbidity in Adolescents - Virginia Camacho, Geneva, Switzerland

## **Room 2.6**

### **College Nationale des Gynecologues et Obstetriciens Francais (CNGOF) (In English): Contemporary Management of High Grade Cervical Intraepithelial Neoplasia (CIN)**

Chair: Jean Jacques Baldauf, Strasbourg, France and Jean Leveque, Rennes, France

1. Treatment Methods - Serge Douvier, Dijon, France
2. Post-treatment Complications - Catherine Gay, Belfort, France
3. Comparison of Results with Different Treatment Methods - Jean Leveque, Rennes, France
4. Difficulties for Follow-up after High Grade Treatment - Jean Jacques Baldauf, Strasbourg, France
5. Optimum Follow-up after High Grade Treatment - Jean Gondry, Amiens, France

## **10h30 – 11h00 Refreshment Break**

## **11h00 – 12h00 Wednesday Sessions**

### **Auditorium 1**

#### **HIV/AIDS**

Chair: James McIntyre, Johannesburg, South Africa

1. Global Burden - Doing More with Less - Mitch Besser
2. Guidelines to Reduce Vertical Transmission - James McIntyre, Johannesburg, South Africa
3. Diagnosis and Management of Chronic HIV in the Pregnant Woman - Coceka Mnyani, Durban, South Africa
4. Postpartum Management - Motshedisi Sebitloane, Congella, South Africa

### **Auditorium 2**

#### **Hypertensive Disorders in Pregnancy**

Chair: James Walker, Leeds, UK

1. Female Hormones and Their Relation to the Genesis of Arterial Hypertension - Hector Bolatti, Cordoba, Argentina
2. HELLP Syndrome vs Antiphospholipid Catastrophic Syndrome: Are There Different Predictors? - James Walker, Leeds, UK
3. Antihypertensive Drugs and the Fetus - Germán Campos Perez, Valdivia, Chile
4. Perinatal Mortality in Hypertensive Disorders - Wilhelm Steyn, Stellenbosch, South Africa

### **Ballroom East**

#### **Risk Management in Obstetrics**

Chair: Leroy Edozien, Manchester, UK

1. Strategies to Reduce Error in Obstetrics - Amos Grunebaum, New York, USA
2. Situational Awareness on the Delivery Suite - Leroy Edozien, Manchester, UK
3. Reducing the Risk of Intrapartum Stillbirth and Neonatal Death - Evita Fernandez, Hyderabad, India
4. Impact of a Patient Safety Programme on Obstetric Outcomes - Christian Pettker, New Haven, USA
5. Error Reduction through the Use of Technology - Philip Steer, London, UK

### **Ballroom West**

#### **Keynote Lecture**

Chair: Timothy Johnson, Ann Arbor, USA

Fetal Origins of Adult Disease - Julie Owens, Adelaide, Australia

### **Westin Grand Ballroom**

#### **European Association of Perinatal Medicine: New Developments in Perinatal Medicine**

Chair: Cihat Sen, Istanbul, Turkey and The-Hung Bui, Stockholm, Sweden

1. Amniocentesis and CVS - The Rate of Miscarriage - Ann Tabor, Copenhagen, Denmark

2. Screening for Major Fetal Heart Anomalies in Obstetrics - Cihat Sen, Istanbul, Turkey
3. Rapid Aneuploidy Detection and Micro-arrays (aCGH) in Prenatal Diagnosis - The-Hung Bui, Stockholm, Sweden
4. Advances in Non-invasive Prenatal Diagnosis in Maternal Blood - Gian Carlo Di Renzo, Perugia, Italy

### **Roof Terrace**

#### **WHO: Reproductive Health in Crisis, Conflict, Disaster and Displacement Settings**

Chair: Jonathon Ndzi, Dakar, Senegal

1. Minimum Initial Service Package (MISP) for Reproductive Health in Crisis Situations and Collaborations with Humanitarian Agencies in Acute Emergencies and Disasters - Zaitoon Qazi, Geneva, Switzerland
2. Implementation of the MISP in N Kivi, DRC - Katy Mitchell
3. Experiences from SPRINT Training Initiative: Training of Sexual and Reproductive Health Coordinators and Beyond - Lucien Kouakou, Nairobi, Kenya

### **Room 1.4**

#### **Screening and Borderline Ovarian Tumours**

Chair: Robin Crawford, Cambridge, UK

1. Screening for Ovarian Cancer - Robin Crawford, Cambridge, UK
2. Management of Borderline Ovarian Tumours - Greta Dreyer, Pretoria, South Africa

### **Room 1.6**

#### **Gynaecological Surgery: Vaginal Vault Prolapse**

Chair: Guylaine Lefebvre, Toronto, Canada

1. Prevention - Mohamed Hefni, Benenden, UK
2. Treatment - Guylaine Lefebvre, Toronto, Canada

### **Room 2.4**

#### **Thyroid in Pregnancy**

Chair: Liliana Voto, Buenos Aires

1. Thyroid Function and Pregnancy Outcome - Liliana Voto, Buenos Aires, Argentina
2. Gestational Thyroid Disease: When to Start Treatment - Florencio Casavilla, Buenos Aires, Argentina
3. Fetal Thyroid - Garmán Campos Perez, Valdivia, Chile

### **Room 2.6**

#### **Management of Ovarian Cancer**

Chair: Dineo Khabele, Nashville, USA

1. The Role of Ultra Radical Primary Surgery - Nicholas Spirtos, Las Vegas, USA
2. Neoadjuvant Chemotherapy in Ovarian Cancer - James Nevin, Birmingham, UK
3. The Role of Target Therapy - David Farquharson, Edinburgh, UK
4. Management of Ovarian Cancer in Developing Countries - Uma Devi, Bangalore, India

## **12h00 – 13h00 Wednesday Sessions**

### **Auditorium 1**

**HIV/AIDS** continues

### **Auditorium 2**

**Hypertensive Disorders in Pregnancy** continues

### **Ballroom East**

**Risk Management in Obstetrics** continues

### **Ballroom West**

### **Keynote Lecture**

Chair: Wolfgang Holzgreve, Basel, Switzerland

Update on Preimplantation Genetic Diagnosis - Joyce Harper, London, UK

### **Westin Grand Ballroom**

**European Association of Perinatal Medicine: New Developments in Perinatal Medicine** continues

### **Roof Terrace**

**WHO: Training Health Personnel to Improve Care for Women with FGM**

Chair: Nawal Nour, Boston, USA

1. Training Health Providers as Advocates against the Practice of FGM: The Kenya Experience - Guyo Jaldesa, Nairobi, Kenya
2. Challenges and Struggles in Training Health Professionals on FGM in the UK - Comfort Momoh, London, UK
3. Setting up a Circuit of Clinical Management of FGM Complications in Health Centres in Mali and Training the Personnel - Moustapha Toure, Bamako, Mali

### **Room 1.4**

**Vulval Neoplasm**

Chair: Ronald Jones, Auckland, New Zealand

1. Pre-invasive Vulval Lesions - Ronald Jones, Auckland, New Zealand
2. Advances in the Management of Vulval Cancer - Jacobus Van der Velden, Netherlands

### **Room 1.6**

**The Use of Grafts in Transvaginal Prolapse Surgery**

Chair: Michelle Fynes, London, UK

1. The Science of Grafts - Michelle Fynes, London, UK
2. The Case for Grafts in Transvaginal Prolapse Surgery - Mohamed Hefni, Benenden, UK
3. The Case against Grafts in Transvaginal Prolapse Surgery - Alan Alperstein, Cape Town, South Africa

### **Room 2.4**

**Fetal Therapy**

Chair: Baskaran Thilaganathan, London, UK

1. Management of Fetal Pleural Effusion - Klaus Vetter, Berlin, Germany
2. Management of Congenital Urinary Tract Obstruction - Katie Morris, Birmingham, UK
3. Twin-to-twin Transfusion - Baskaran Thilaganathan, London, UK

### **Room 2.6**

**Management of Ovarian Cancer** continues

**13h00 – 14h00 Lunch**

### **Roof Terrace**

“The Cutting Tradition: Insights into Female Genital Mutilation” – Launch of a FIGO Documentary

**14h00 – 15h30 Wednesday Sessions**

### **Auditorium 1**

**European Society for Human Reproduction and Embryology (ESHRE): Developing Countries and Infertility**

Chair: Willem Ombelet, Genk, Belgium

1. Psychological and Social Aspects of Infertility in Developing Countries - Silke Dyer, Cape Town, South Africa

2. Accessibility of Infertility Diagnosis and Treatment in Developing Countries: Pros and Cons - Oluwole Akande, Ibadan, Nigeria
3. Infertility Treatment in Developing Countries: Documentation, Registration and Quality Control - Fernando Zegers-Hochschild, San Diego, Chile
4. The Arusha Project - William Ombelet, Genk, Belgium

### **Auditorium 2**

#### **Challenges in the Management of the Polycystic Ovary Syndrome (PCOS)**

Chair: Zephne van der Spuy, Cape Town, South Africa

1. Early Pregnancy Loss - Jay Bagratee, Durban, South Africa
2. Treatment of Androgen Excess - Bruce Carr, Dallas, USA
3. Management of PCOS in the Adolescent - George Mastorakos, Athens, Greece
4. The Role of Metformin in the Management of PCOS - Ferdusi Begum, Dhaka, Bangladesh

### **Ballroom East** (from 14h30)

#### **Debate: Where Facilities for Safe Caesarean Section Exist There Is No Role for Term Breech Vaginal Delivery**

Chair: Philip Steer, London, UK

For: Peter Husslein, Vienna, Austria

Against: Colm O'Herlihy, Dublin, Ireland

### **Ballroom West** (from 14h30)

#### **FIGO Committee on Oncology: State of the Art in the Modern Management of Gynaecological Cancers**

Chair: David Mutch, St Louis, USA and Robbert Soeters, Cape Town, South Africa

1. Modern Management of Ovarian Cancer - Sergio Pecorelli, Brescia, Italy
2. Modern Management of Endometrial Cancer - David Mutch, St Louis, USA
3. Modern Management of Vulval Cancer - Neville Hacker, Randwick, Australia

### **Westin Grand Ballroom** (from 14h30)

#### **FIGO Safe Motherhood and Newborn Health Projects: Midpoint Review of the Achievements, Lessons Learned and Challenges (Session II)**

Chair: Shereen Bhutta, Karachi, Pakistan

1. Haiti: Establishing Emergency Obstetric Care in La Croix des Bouquets District, Haiti - Lauré Adrien, Port-au-Prince, Haiti
2. Moldova: Beyond the Numbers: New Approaches in Reviewing Perinatal Deaths in the Republic of Moldova - Stelian Hodoroagea, Chisinau, Moldova
3. Using Standards Based Audit to Improve the Quality of Maternal Care: Experiences from Kenya - Omondi Ogutu, Nairobi, Kenya

### **Roof Terrace**

#### **Federation of Obstetrical and Gynaecological Societies of India (FOGSI)**

Chair: Sanjay Gupte, Pune, India and Adi Dastur, Mumbai, India

1. Cervical Cancer Vaccines: The Indian Perspective - Chittaranjan Purandare, Mumbai, India
2. Management of Congenital Malformations in Young Girl - Alka Kriplani, New Delhi, India
3. Ultrasonography and Nuchal Cord - P.K. Shah, Mumbai, India
4. Corelations of Cystology, Colposcopy, Cervical Biopsy and HPV Testing in Abnormal Cervical Smear - Madhuri Patel, Mumbai, India
5. Role of Hysteroscopy in Infertility - Hrishikesh Pai, Mumbai, India
6. Staging System for Modern Management of Menopause - Behram Anklesaria, Ahmedabad, India

### **Room 1.41**

#### **Free Communication Session (FC84) - Video and Oral Presentations**

Chair: Jennifer Walsh

### Contraception

1. Scaling Up Balanced Counselling Strategy Plus to Improve Quality of Family Planning and HIV Counselling through Linking Counselling and Testing with Family Planning Services, Kenya and South Africa – Matnshi Menziwa

### Early Pregnancy Complications

2. Transvaginal Ultrasound-guided Treatment of Cervical Pregnancy - Cherng-Jye Jeng

### Infections in Obstetrics & Gynaecology

3. Gynaecological Disorders and Eruptions on the Skin of Face in Ascariasis - Valentyna Sklyarova

### Infertility

4. Endoscopic Tubal Cannulation: A Competitive Cost-effective Procedure to IVF? - Morad Seif

5. Ultrasonographic Investigation of Tubal Patency or Laparoscopic Chromopertubation – Ferenc Tamási

### Reproductive Endocrinology

6. Congenital Adrenal Hyperplasia - Cosmetic and Functional Restoration – Milind Shah

### Labour & Delivery

7. Case Series of Post-operative Pelvic Infection Following Uterine Brace Sutures Applied for Major Postpartum Haemorrhage (PPH) - Narmada Katakam

8. The Influence of Ethnicity on Caesarean Section Rates in the Home of Active Management of Labour - Jennifer Walsh

### Endoscopic Surgery

9. A Clinical Analysis of 22 Polypoid Adenomyoma of Uterus Treated by Hysteroscopy - Rong Zhou

## **Room 1.42**

### **Free Communication Session (FC85) – Oral Presentations**

#### Urogynaecology

Chair: Joerg Neymeyer

1. Prospective, Multi-center Trial Evaluating the Perigee (TM) System with Polypropylene Mesh for Cystocele Repair: Estrogenicity and Outcomes – Robert Moore

2. Complication Rates of Ultra-light Titanium Coated Tvt vs Tvt-O Sub-Urethral Meshes - A Prospective Randomized Study among Women Operated on for Stress Urinary Continence - Joerg Neymeyer

3. Transobturator Tape for Stress Urinary Incontinence in Women: An Experience with a Hand-made Kit in Peru - Fredy Paredes

4. "Total Hysterectomy" - An Avoidable Epidemic - R Hymavathi

5. Tension-free Vaginal Tape - Is Cough Test Necessary? - Gautam Rajee

6. Genito-urinary Fistula: A Major Morbidity in Developing Countries - Pushpa Sirichand

7. Incontinence in the Sudan; Magnitude of the Problem - Nasreen Soliman

## **Room 1.43**

### **Free Communication Session (FC86) – Oral Presentations**

#### Prenatal Diagnosis

Chair: Roseli Nomura

1. The Correlation between Sonographic Transverse Diameter of Fetal Thymus and Intraamniotic Infection in Women with Pre-term Pre-labour Rupture of Membranes - Marian Kacerovsky

2. Prenatal Detection of Cardiac Abnormalities on Antenatal Scans and Outcome - Kamakshi Karri

3. Novel Early Prediction of Future Spontaneous Abortion or Pre-term Delivery among Asymptomatic Women - Abraham Kessler

4. Dynamics of Maternal Blood Flow in Human Placenta Assessed by Contrast-enhanced MRI: Characterization of Perfusion Abnormalities in Intra Uterine Growth Restriction - Gabriele Masselli

5. Fetal Cardiac Injury and Ductus Venosus Dopplervelocimetry in Severe Placental Insufficiency Before 34<sup>th</sup> Week's Gestation - Roseli Nomura

6. Fetal Endoscopic Tracheal Occlusion in Severe Congenital Diaphragmatic Hernia Using 1.0 Mm Fetoscope – Preliminary Results of a Randomized Study - Rodrigo Ruano
7. 11003 Cases of Second Trimester Maternal Serum Screening for Down Syndrome - Huixia Yang
8. Multiplex Fluorescent Analysis of Four Short Tandem Repeats for Prenatal Diagnosis of Haemophilia A in China - Yun Zhao

#### **Room 1.44**

##### **Free Communication Session (FC87) – Oral Presentations**

###### *Gynae-Oncology*

Chair: Suzanne Garland

1. Extent of Pelvic Lymphadenectomy in Women with Squamous Cell Carcinoma of the Uterine Cervix: Is There any Prognostic Value? - José Humberto Fregnani
2. Menopause Status: A Possible Predictive Factor for Recurrence in Women with Cancer of the Uterine Cervix without Pelvic Lymph Node Metastasis - José Humberto Fregnani
3. Evaluation of Endometrial Changes in Breast Cancer Patients Treated with Tamoxifen - Arcot Jaishree Gajaraj
4. Estimates of the Global Burden of Cervical Adenocarcinoma: Impact of HPV Vaccination - Xavier Bosch
5. Role of High Risk Human Papilloma Virus DNA Testing as a Secondary Triage to Visual Inspection of Cervix with Acetic Acid in Screening for Cervical Cancer in Low Resource Settings - Neha Gami
6. Cross-protective Efficacy of *Cervarix*® against HPV-45 in a Double Blind Randomized Controlled Phase III Efficacy Trial - Suzanne Garland
7. Agreement of Sonographic and Histopathological Morphometry in Cases of Early-stage Cervical Cancer - Adrius Gaurilcikas
8. S100A8/A9 Effected on Cytoskeleton of Human Cervical Cancer Cell Line Caski - Geng Li
9. S100A8/A9 Induces Apoptosis and Inhibites Metastasis of Human Cervical Cancer Cells Caski - Geng Li

#### **Room 1.61**

##### **Free Communication Session (FC88) – Oral Presentations**

###### *Maternal Mortality and Morbidity*

Chair: Jeroen Van Dillen

1. Setting Priorities for Safe Motherhood Interventions in Resource-scarce Settings - Ndola Prata
2. Birth, Maternal and Perinatal Mortality Trends in Singapore - Kok Hian Tan
3. Malaria and Pregnancy at the Gabriel Toure Teaching Hospital in Bamako (Mali) between 2003 and 2007 - Ibrahima Teguete
4. Spontaneous Rectus Abdominis Muscle Hematoma Mimicking Abruptio Placenta - Sita Singh
5. Metastatic Pulmonary Adenocarcinoma to Placenta and Pleural Fluid: Clinicopathologic Findings - Feei Feei Ung
6. Confidential Review of Maternal Deaths (CRMD) in Kerala, India - Betsy Thomas
7. Saving Mother and Newborns in Morropon Chulucanas, Health Region of Piura, Peru - Juan Trelles
8. Severe Acute Maternal Morbidity and Mode of Delivery in the Netherlands - Jeroen Van Dillen
9. A 12-week Randomised, Multi-centre Study Comparing Intravenous Iron Sucrose versus Oral Ferrous Sulphate for Treatment of Postpartum Anaemia – Stian Westad

#### **Room 1.62**

##### **Free Communication Session (FC89) – Oral Presentations**

###### *Gynae-Oncology*

Chair: Willibald Schroeder

1. Comparison of Peritoneal Carcinomatosis Scoring Methods in Predicting Resectability and Prognosis in Advanced Ovarian Cancer - Roman Rouzier

2. Study on Bladder Function Rehabilitation after Nerve Sparing Radical Hysterectomy - Yang Rui
3. Analysis of New Cases of Cervical Cancer in Regional Hospital Celje, Slovenia in Years 2002-3 and 2007-8 – The Influence of State Program ZORA for Its Early Detection - Uršula Salobir Gajšek
4. The Management of High Grade Cervical Dyskaryosis in Mature Women - Fatai Sanusi
5. Predictive Factors for Resection in Recurrent Ovarian Cancer (ROC). Intergroup Study of Ago Kommission Ovar, Ago-Ovar, Ago Austria, Mito and Noggo - Willibald Schroeder
6. Outcomes of Radiotherapy for Endometrial Cancer - Shiki Yasuhiko
7. Cervical Cancer Screening and HPV Vaccination - Efficacy and Interactions. The Icelandic Experience – Reynir Geirsson
8. Serum Inhibin as a Diagnostic Marker of Ovarian Tumors - Nisha Singh
9. Curcumin Activates ERK and JNK MAPK Pathways to Induce Egr1 Expression for the Inhibition of Cell Growth in Ovarian Cancers – Lee In Ho

### **Room 1.63**

#### **Free Communication Session (FC90) – Oral Presentations**

##### Maternal Mortality and Morbidity

Chair: Sunita Jha

1. Reduction of Maternal Mortality by Preeclampsia, Eclampsia, HELLP Syndrome and Low Birth Weight: A Prospective Study 1998-2008 (N= 378.401) - Julian Herrera
2. Use of Activated Recombinant Factor VII in Massive Postpartum Hemorrhage - Nazli Hossain
3. Maternal Mortality Ratio (MMR) in Baghdad Teaching Hospital for the Years 2006-2008 - Maysoon Jabir
4. The Unbooked Status: A Major Contributor to Maternal Morbidity and Mortality - Israel Jeremiah
5. Intervention on Comprehensive Abortion Care – Impact Observed in Needy State of India (Jharkhand) - Sunita Jha
6. The Study of Improving the Quality of Obstetric Care through Severe Obstetric Complication Audit - Wu Jiuling
7. Omega-3 Fatty Acids are Found to be Low in Sickle Cell Disease Pregnant Women – Julia Kopeika
8. Strengthening District-based Health Systems to Reduce Maternal Mortality: Preliminary Findings and Trends - Razia Korejo
9. CVVH in Critical Ill Pregnant Women with Mods - Jianluang Kuang

### **Room 1.64**

#### **Free Communication Session (FC91) – Oral Presentations**

##### Labour & Delivery

Chair: Birgitta Essen

1. Side Effects Following Misoprostol Administration for Treatment of Primary Postpartum Hemorrhage in Quito, Ecuador – Gustavo Barrera
2. Epidural Analgesia during Labour in Mikołów Public Hospital - Retrospective Evaluation in Postal Questionnaire Survey – Dominika Hudziak
3. The Need for Epidural Analgesia Is Related to Birthweight - A Population-based Register Study – Cecilia Ekéus
4. Epidural Analgesia during Labour among Immigrant Women - A Population-based Swedish Register Study – Cecilia Ekéus
5. Breech in Labour, to Turn or Not to Turn? - Fawaz El-Muzaini Mohamed
6. Active Management of 3<sup>rd</sup> Stage of Lab Using Misoprostol – Mohamed Elmahaishi
7. Ultrasonographic Evaluation of Lower Uterine Segment Thickness in Pregnant Women with Previous Caesarean Section – Diaa Elmoghazy
8. A Study of the Relationship between Visually Estimated Blood Loss during Delivery and Post Partum Hematocrit Change – Ehigha Enabudoso

9. Is Female Genital Cutting the Obstetric Challenge for Obstetricians, Midwives and Somali Women in UK? An Interview Study Regarding Perception and Experiences of Obstetric Care, London 2005-2007 – Birgitta Essén

### **Room 2.41**

Free Communication Session (FC92) – Oral Presentations

#### Preterm Birth

Chair: Prakesh Shah

1. A Comparison between Fetal Fibronectin and Sonographic Cervical Length Measurement for Estimating the Risk of Preterm Birth in Singleton and Twin Pregnancies - Moritz Hartog
2. Markers of Inflammation in the Placenta and Fetal Membranes – A Potential Pathway to Preterm Birth - Bela Szabo
3. Influence of Maternal Birth Status on Her Offspring: A Systematic Review and Meta-Analyses - Prakesh Shah
4. Role of Anxiety during Pregnancy in Preterm Delivery - Zohreh Shahhosseini
5. Twin Pregnancy - Cervical Length Measurement In Prediction of Preterm Delivery - Lali Sichinava
6. The Morphology and Distribution of Microglia (MG) and Astroglia (AG) Populations in the Immature Human Brain: A Combined Magnetic Resonance Imaging (MRI) and Histological Approach - Veena Supramaniam
7. Evaluation of Clinical, Ultrasonographic and Laboratory Predictors of Preterm Labour in a Developing Country: Results of Interim Analysis - Shakun Tyagi
8. Study on Emergency Cervical Cerclage Combined with Tocolytic for Intervention of Early Preterm Labour - Zi Yang

### **Room 2.42**

Free Communication Session (FC93) – Oral Presentations

#### Infections in Obstetrics Gynaecology

Chair: Ernesto Figueiró-Filho

1. Cortisol, Prolactin, Cytokines and the Susceptibility of Pregnant Sudanese Women to Plasmodium Falciparum Malaria - Ishag Adam
2. Comparison of Urinary Retention and Infection after Anterior Colporaphy with and without Catheterization – Ghodsieh Alavi
3. Combined Ozone and Bacteriophage Therapy as a Component of a Multi-pronged Treatment of Chronic Inflammatory Diseases of the Female Internal Genitalia - Rajani Chandra-D'Mello
4. Hepatitis B Virus and Hepatitis C Virus in Pregnant Sudanese Women - Mohamed Ahmed Elsheikh
5. Safety of Artemisinins during Early Pregnancy, Assessed in 62 Sudanese Women - Elhassan Elhassan
6. In Vitro Fluconazole and Nystatin Susceptibility and Clinical Outcome in Vulvovaginal Candidosis - Fan Shangrong
7. Human T-Cell Lymphotropic Virus (HTLV) Infection in Brazilian Pregnant Women - Ernesto Figueiró-Filho
8. Potential Human Papillomavirus (HPV) Screening Test in Sichuan, China - Yang Kaixuan

### **Room 2.43**

Free Communication Session (FC94) – Oral Presentations

#### Neonatology

Chair: Rosana Corrêa

1. Characteristic of Newborns with Congenital Hypothyroidism Detected by Screening Program - Beatriz Paulina Ayala Quintanilla
2. Outcome of Prematurity in Level II Neonatal Unit in Assam - Reeta Bora
3. Gestational Diabetes Mellitus: An Independent Risk Factor for Hyaline Membrane Disease in Neonates Delivered after 34 Weeks – Xavier Carcopino

4. Low Birth Weight Babies at a Tertiary Hospital in Enugu, South East Nigeria - Ezebus Ezugwu
5. Rats with Induced Restriction of Uterine Flow – Effects of Transcutaneous Electrical Nerve Stimulation - Rosana Corrêa
6. The Prevalence Rate of Congenital Hypothyroidism in Kerman, Iran in 2005-2007 - Nahid Eftekhari
7. Factors Affecting Neonatal Death in Fars Province, Southern Iran 2007 - Roksana Janghorban
8. Perinatal Morbidity and Mortality Associated with Eclampsia in a Nigerian Tertiary Hospital - Innocent George
9. Verbal Autopsy in Ascertaining Causes of Perinatal Deaths: Results from a National Study in Zimbabwe - Gwendoline Kandawasvika

#### **Room 2.44**

##### **Free Communication Session (FC95) – Oral Presentations**

##### *Paediatric and Adolescent Gynaecology*

Chair: Vesna Dramusic

1. A Role of Leptin in Pathogenesis of Reproductive Function Disorders at Adolescent Girls with Anorexia Nervosa – Vera Andreeva
2. Outcome of Mirena Intra-Uterine System (IUS) for Menstrual Problems in Adolescents - Nosheen Aslam
3. Adolescent PCOS and Obesity Impact: Singapore Experience - Vesna Dramusic
4. Pattern of Paediatric Gynaecology Cases in Jos University Teaching Hospital, Nigeria - Chinedu Ekwempu
5. Age at Menarche amongst Rural School Girls in Sokoto, Northern Nigeria - Karima Tunau
6. Gestational Diabetes (GD). Ten Years Using ALAD Guidelines - Diego Vargas

#### **Room 2.45**

##### **Free Communication Session (FC96) – Oral Presentations**

##### *Reproductive Endocrinology*

Chair: Bradley Chittenden

1. Spontaneous Ovarian Hyperstimulation Syndrome (OHSS) - Noor Al-Mandhari
2. A Pilot Study Comparing a Low Glycaemic Index Diet with Low Calorie Healthy Eating to Reduce Risk of Endometrial Cancer in Polycystic Ovary Syndrome - William Atiomo
3. A Systematic Review of Proteomic Biomarkers for the Diagnosis and Risk Stratification of Polycystic Ovary Syndrome (PCOS) - An Update - William Atiomo
4. The Membrane Bound G-Protein Coupled Receptor, Gpr30, Mediates the Anti-invasive Effect of Estradiol in Ovarian Cancer Cells - Bertil Casslen
5. Polycystic Ovarian Syndrome and the Risk of Gynaecological Cancer: A Systematic Review - Bradley Chittenden
6. Study of PMSG and HCG Effects on Mice Ovaries Morphology in Preimplantation Period - Yaser Dezhkam
7. Study of PMSG and HCG Effects on Mice Uterus Morphology in Preimplantation Period - Yaser Dezhkam
8. Evidence of Oxidative Stress in Women with Secondary Hypoadrenalism - Vincenzo Di Donna
9. High Levels of Lipoprotein (A) in Women with Polycystic Ovary Syndrome - Antoni Duleba

#### **Room 2.61**

##### **Free Communication Session (FC98) – Oral Presentations**

##### *Information Technology in Obstetrics & Gynaecology*

Chair: Laxmi Shrikhande

1. Evidence Based Healthcare and the WHO - Reproductive Health Library: Is the Common Obstetrician/Gynaecologist Aware? - Pakhee Aggarwal
2. Cytogenetic Aberrations and the Development of Uterine Leiomyomata - Mohamed El-Gharib

3. Preliminary Results of the Semi-quantitative Pregnancy Test and Its Impact on Reproductive Health Service Provision – Kelsey Lynd
4. Two Simple and Cheap Systems for Recording Surgery Digitally – Adam Magos
5. Designing an E-Learning Module for the Management of Pre-eclampsia and Eclampsia in India, Mexico and Nigeria – A Pilot Study – Catriona Murray
6. Role of Web 2.0 in Obstetrics and Gynaecology – Ravimohan Velauthapillai
7. Non-descent Vaginal Hysterectomy - Review of 74 Cases - Laxmi Shrikhande
8. Mat-Dash: A Statistically Informed Automated Maternity Dashboard Tool – Thabani Sibanda
9. A Simple Method for Presenting Laboratory Test Results from Pregnant Women with Gestational Age-specific Reference Values in Laboratory Information Systems, which Usually Only Take Age and Gender into Account – Anna Klajnbard

### **Room 2.62**

#### **Free Communication Session (FC99) – Oral Presentations**

##### Termination of Pregnancy

Chair: Hillary Bracken

1. Misoprostol for Second Trimester Medical Abortion - Sarita Agrawal
2. Legal Unsafe Abortion in South Africa - Jayati Basu
3. Medical Abortion with Misoprostol Only versus Mifepristone Plus Misoprostol: Results from a Randomized Controlled Trial - Nguyen Thi Nhu Ngoc
4. Abortion in Thailand: What Changes in the Past Decade? - Nongluk Boonthai
5. Alternatives to Routine Ultrasound for Eligibility Assessment Prior to Early Medical Abortion - Hillary Bracken
6. Alternatives to a Routine Follow-up Visit for Early Medical Abortion - Hillary Bracken
7. First Trimester Surgical Abortion Practice among Gynaecologists in Denmark – Results from a National Online Questionnaire on Surgical Technique - Birgitte Baldur-Felskov
8. A Randomized Controlled Study of Sublingual vs. Oral Misoprostol (400 µg) Following Mifepristone (200 Mg) for Medical Abortion up to 63 Days L.M.P. in Tunisia – Hela Chelli
9. The Academy Charity Teaching Hospital's Experience in Manual Vacuum Aspirator as a Tool for Intrauterine Manipulation – Khartoum, Sudan - Atif Fazari

### **Room 2.63**

#### **Free Communication Session (FC100) – Oral Presentations**

##### High-Risk Pregnancy

Chair: Dilly Anumba

1. Relationship of Vitamin E Consumption and Pre-eclampsia/Eclampsia in Pregnant Women - Soghra Nikpour
2. Outcome of Monochorionic Twin Pregnancies in a District General Hospital: A 5-Year Experience - Hema Nosib
3. Maternal Obesity in Pregnancy in the UK: A KAP (Knowledge, Attitudes and Practices) Study of Trainees and Midwives - Natalie Nunes
4. Obstetric Outcome in Patients with Autoimmune Connective Tissue Disorders and Primary Apla Patients - Lakshmikant Pandey
5. The Influence of Maternal Body Mass Index on Labour Duration and Perinatal Outcome - Nicole Pope
6. Are Perinatal Outcomes Worse for Older Mothers Attending a Tertiary Hospital for Maternity Care? - Nicole Pope
7. Laparoscopic Surgery of Adnexal Mass in Obstetrics - Lidia Logutova
8. To Study the Effectiveness of Mgso4 for Treatment of Eclampsia in a Peripheral Hospital in India - Kishore Rajurkar

### **Room 2.64**

#### **Free Communication Session (FC101) – Oral Presentations**

##### Imaging in Obstetrics & Gynaecology

Chair: Anagani Manjula

1. Management of Scar Pseudo Aneurysm with Uterine Artery Embolisation in Post Caesarean Delivery Cases - Anagani Manjula
2. Transvaginal Scan, Saline Infusion Sonography and Hysteroscopy in Abnormal Uterine Bleeding - Abhijit Basu
3. Differential Diagnostic Performance of MR in the Detection of Lymph Node Metastases in Early-stage Cervical Cancer Patients - Choi Hyuck Jae
4. 3-Dimensional MR Reconstruction and Evaluation of the Cerebellum to Whole Brain Ratio in IUGR Fetuses - Mellisa Damodaram
5. Role of Colour Doppler in Anticipating Massive Haemorrhage in Pregnancies Associated with Placental Anomalies - Two Rare Case Reports - Kaushik Das
6. Hematocolpos in Double Vagina Associated with Uterus Didelphus and Ipsilateral Renal Agenesis - Nuria Dominguez Palicio
7. Magnetic Resonance Imaging in Female Pelvic Floor Abnormalities - Mohamed El-Gharib
8. The Role of Ultrasound in the Diagnosis and Management of Bleeding in Early Pregnancy Compared to Histopathology Results at Misurata Teaching Hospital over the Years (2006-2007) – Fathi Essadi
9. Squamous Intraepithelial Lesions Associated with AIDS Disease and CD4 Cell Counts in Iranian Women - Farah Farzaneh

### **Room 2.65**

#### **Free Communication Session (FC102) – Oral Presentations**

##### *Women's Health Issues in Developing Countries*

Chair: Mohammad Emam

1. Availability of Accurate Blood Pressure Measuring Devices and Staff Knowledge of Hypertensive Disorders in Pregnancy in Two Rural African Settings - Kate Duhig
2. Uterine Rupture during Pregnancy and Delivery among Women Attending the Al-Tthawra Hospital in Sana'a City, Yemen Republic - Ishraq Dhaifalah
3. Social Immersion Strategy for Reintegration and Empowerment of Obstetric Fistula Survivors - Kasse Yaya
4. Seven Years Consecutive Caesarean Section in Primigravidae: Analysis and Evaluation - Fatheia El Rishi
5. Applicable Precautions for Prevention of Cervical Stump Carcinoma: An Egyptian Experience - Mohammad Emam
6. Why a Thematic Fund for Maternal Health? - Vincent Fauveau
7. Use of Complementary and Alternative Medicine During Pregnancy, Bojnourd, Iran, 2007-8 - Mahboobeh Ghabel
8. A Qualitative Study of Pregnancy in Women in Prostitution in Bogotá, Colombia during 2006: Self-Care and High Risk Practices - Pio Ivan Gomez
9. Efficacy of the Treatment of Overactive Bladder Syndrome In Women Attending a Female Continence Clinic in an African City - Andrea Asare-Bediako

### **15h30 – 16h00 Refreshment Break**

### **16h00 – 17h30 Wednesday Sessions**

#### **Auditorium 1**

##### **Assisted Vaginal Delivery**

Chair: Aldo Vacca, Brisbane, Australia

1. Clinical Assessment Before Instrumental Vaginal Delivery - Leroy Edozien, Manchester, UK
2. Vacuum Assisted Delivery - Aldo Vacca, Brisbane, Australia
3. Forceps Assisted Delivery - Deidre Murphy, Dublin, Ireland

#### **Auditorium 2**

### **Contraception: Where Have We Been and Where Are We Going?**

Chair: Paul Blumenthal, Stanford, USA

1. Family Planning as a Public Health Intervention - Paul Blumenthal, Stanford, USA
2. Long Acting Reversible Contraception – Intrauterine Contraceptive Devices - Philip Darney, San Francisco, USA
3. Subdermal Contraceptive Implants - Ian Fraser, Sydney, Australia
4. Community Based Distribution of Contraceptives and Access for 'Hard to Reach' Populations - Ndola Prata, Berkeley, USA

### **Ballroom East**

#### **Italian Society of Gynecology and Obstetrics (SIGO)**

Chair: Mario Campogrande, Torino, Italy and Giorgio Vittori, Rome, Italy

1. Thalassenia and Prenatal Diagnosis - Giovanni Monni, Cagliari, Italy
2. The Italian Experience of Domestic and Sexual Violence in Family Planning Clinics - Marina Toschi, Perugia, Italy
3. The Posterior Compartment: Surgical and Conservative Treatment? - Mauro Cervigni, Rome, Italy
4. Infertility in Autoimmune Patients - Mauro Costa, Genoa, Italy

### **Ballroom West**

#### **Spanish Society of Obstetrics and Gynecology: The Challenges of Spanish Obstetrics and Gynaecology**

Chair: J. Bajo Arenas, Madrid, Spain and J. Laila Vicens, Barcelona, Spain

1. Obstetrical Challenges - J.C. Melchor, Bilbao, Spain
2. New applications of 3D and 4D Ultrasound - J. Diaz Rescasens, Bilbao, Spain
3. Challenges in Gynaecological Oncology - J. Laila Vicens, Barcelona, Spain
4. New Concepts of Pelvic Floor Management - Montse Espuna, Barcelona, Spain
5. Optics and Endoscopy - T. Perez-Medina, Madrid, Spain
6. Psychological Aspects of Gynaecology – Fermín Criado, Malaga, Spain

### **Westin Grand Ballroom**

#### **Partnership for Maternal Newborn and Child Health (PMNCH): Partnership for the Health of Mothers and Children: The Contribution of Health Care Professionals to the Health of Mothers and Children**

Chairs: Gamal Serour, Cairo, Egypt and Chok-wan Chan, Hong Kong, China

Lead Discussants/Presenters:

Zulfiqar Bhutta, Karachi, Pakistan  
Andre Lalonde, Ottawa, Canada  
Bridget Lynch, The Hague, Netherlands

Panel:

Jean Lankoandé, Ouagadougou, Burkina Faso  
Atf Ghérissi, Tunis, Tunisia  
Nkeiru Onuekwusi, Abuja, Nigeria  
Khursdid Talukder, Dhaka, Bangladesh

### **Roof Terrace**

#### **German Society of Obstetrics and Gynaecology**

Chair: Walter Jonat, Kiel, Germany

1. Guidelines for Diagnosis and Management of Breast Cancer - Rolf Kreienberg, Ulm, Germany
2. Endocrine Therapy of Breast Cancer - Walter Jonat, Kiel, Germany
3. Operative Gynaecology: Standard and Innovation - Diethelm Wallwiener, Tübingen, Germany
4. Ovarian Stimulation and Risk of Cancer - Klaus Diedrich, Lubeck, Germany
5. Delivery Department of the Future - Klaus Vetter, Berlin, Germany

6. HIV and Pregnancy: New Data - Klaus Friese, Munich, Germany

### **Room 1.41**

Free Communication Session (FC104) - Video and Oral Presentations

#### Education

Chair: Regine Unkels

1. Anatomical Study of Attachment of the Rectovaginal Septum to the Pelvic Sidewall - Zbigniew Antosz
2. Pregnancy Gémellaire Mono Amniotique: Series of Three Cases of Deformations - Kazi Aoual Chafik
3. Community of Obstetrics Practice and Knowledge Exchange - A Useful Tool for Collaboration between Obstetricians in an Emerging Country - Renato Augusto Moreira De Sa
4. The Manchester-Fothergill Operation for Genital Prolapse Surgery: A Teaching Video for Low-resource Settings - Regine Unkels

#### Ethics, Law And Obstetrics & Gynaecology

5. Case Report on Medico-legal and Ethical Dilemmas Following Maternal Brain Death - Khanam Khashia

#### Health Care Policy

6. Hysteroscopy Camp in Rural Set Up - Pradip Mitra

#### Molecular Biology

7. Nongenomic Effect of Estrogen on Expression of C-Fos, C-Jun and Cell Proliferation in Endometrial Cancers - Lili Zhang

#### Gynae-Oncology

8. Alcohol Sclerosing Ovarian Cystic Lesions, 20 Years after - Vlastimir Kukura

### **Room 1.42**

Free Communication Session (FC105) – Oral Presentations

#### Urogynaecology

Chair: Qing-Kai Wu

1. Vesicovaginal Fistula at Tertiary Care Centre in Eastern Nepal - Shanti Sunuwar Subedi
2. The Transperineal Three-dimensional (3-D) Ultrasound Characteristics of Pelvic Diaphragm Hiatus in Urinary Incontinence Pregnant Woman - Qing-Kai Wu
3. The Epidemiological Study of Women with Urinary Incontinence and Risk Factors for Stress Urinary Incontinence in China - Zhu Lan
4. Tvt And Tvt-O: A Comparative Randomized Study of These Operative Procedures for the Treatment of Severe Urinary Stress Incontinence - Zhu Lan
5. A Novel Disposable Self-inserted Intra-vaginal Device is Significantly Improving Quality of Life of Women with Urinary Stress Incontinence - Elan Ziv
6. Stem Cell-Seeded Silk Sling for Stress Urinary Incontinence Treatment in a Rat Model - Zou Xiao Hui

#### Geriatric Gynaecology

7. Correlation between Endometrial Thickness and Histopathology in Abnormal Uterine Bleeding among Libyan Women - Nadia Abughila
8. Gynaecological Study of Geriatric Patients. A 10-year Study at St. Martha's Hospital Bangalore - Disha Sridhar

### **Room 1.43**

Free Communication Session (FC106) - Oral Presentations

#### Assisted Reproduction

Chair: Leonardo Almeda

1. Immature Oocytes Harvested in Antagonist Use – Leonardo Almeda
2. The Orientation of the Polar Body during ICSI Influences Fertilization Rate and Embryo Development - Konstantinos Dafopoulos
3. Growth Differentiation Factor-9 (Gdf-9) is Essential for Blastocyst Development - Beatriz Ayala Quintanilla
4. The Effect of Trauma during Embryo Transfer on Pregnancy Rates in IVF-ICSI Cycles - Kaberi Banerjee

5. Antioxidant System in Seminal Plasma and Its Relationship to Clinical Semen Parameters in Infertile Men - Pranab Dasgupta
6. Examination of the Effect of Sphingosine-1-Phosphate on the Developmental Potential of Immature and Mature Oocytes Maintained in Serum Free Culture - Fathi Essadi
7. Complications of Assisted Reproductive Technique among 1400 Intra-Cytoplasmic Sperm Injection Cycles at Azhart Unit - Ahmed Fata

#### **Room 1.44**

##### **Free Communication Session (FC107) - Oral Presentations**

###### Gynae-Oncology

Chair: Charlotte Gerd Hannibal

Co-chair: Kirsten Jensen

1. Trends in Incidence of Borderline Ovarian Tumors in Denmark 1978–2006 - Charlotte Gerd Hannibal
2. Experimental Study on Mechanism of 5-Aminolevulinic Acid Photodynamic Therapy (5-ALA-PDT) in Vitro and in Vivo on Cervical Cancer - Guifang He
3. The Effects of Energy Controllable Steep Pulser on Cell-Mediated Immunity in Tumor Transplanted Wistar Rats - Hu Lina
4. Prognostic Significance of Expression of ER, PR and P53 in Epithelial Ovarian Cancer - Hu Ke
5. Identification of Genomic Alterations of Human Ovarian Carcinoma with Genome-wide Copy Number Analysis - Ruby Yun Ju Huang
6. Cervical Cancer Prevention in Sudan. Barriers and Missed Opportunities - Moawia Hummeida
7. Smoking among HPV Positive Women – A Risk Factor for Subsequent Cervical Lesions - Kirsten Jensen
8. Gemcitabine Plus Cisplatin in Treatment of Recurrent Ovarian Cancer - Luxia Jiao
9. The Analysis of Characteristic of Cervical High-grade Lesion - Li Jingran

#### **Room 1.61**

##### **Free Communication Session (FC108) – Oral Presentations**

###### Labour & Delivery

Chair: Anna Hjelmstedt

1. Risk Factors for Emergency Caesarean Section in a Multi-ethnic Environment - Abiodun Fakokunde
2. Artificial Inducement of Labour on Cicatricial Uteri - Frédéric Coatleven
3. Shoulder Dystocia Audit - Bridget Galebole
4. Operative Vaginal Deliveries - An Experience of Documentation - Nitu Garg
5. A 5-year Trend of Vaginal Birth after Previous Caesarean Section in a UK District General Hospital - Pragya Gupta
6. Acupressure to Reduce Labour Pain - A Randomized Controlled Trial - Anna Hjelmstedt
7. Influence of Obstetrical Analgesia on Active Management of Third Stage of Labour: Comparison between Epidural Analgesia, Intravenous Patient-controlled Analgesia with Morphine and Absence of Analgesia - Lionel Homer
8. ST Depression at Caesarean Section and the Relation to Oxytocin Dose. A Randomised Controlled Trial - Maria Jonsson

#### **Room 1.62**

##### **Free Communication Session (FC109) - Oral Presentations**

###### Gynae-Oncology

Chair: Anne Szarewski

1. The Conservative Management of Patients with Microinvasive Cervical Cancer - Špela Smrkolj
2. Cervical Cytology Screening as Part of Antenatal Care in Pregnant Women - Leon Snyman
3. K-Ras Oncogene Expression and Viral DNA Status in HPV-associated Human Cervical Neoplasia - Anca Daniela Stanescu

4. Comparison of Screening Performance of Menopausal Status, Ultrasound Morphology of the Cyst, Ca 125 > 30u/ml, Ovarian Cyst Size of 5cm and Risk of Malignancy Index (RMI) of 250 and 200 in Predicting Ovarian Cancer - Prabath Suraweera
5. Cross-protective Efficacy of *Cervarix*® against Oncogenic Types Beyond HPV-16/18: Analysis of the According-To-Protocol (ATP) Cohort in a Double Blind, Randomized Controlled Phase III Efficacy Trial - Anne Szarewski
6. From Cervical Cancer Screening to Cervical Dysplasia Management – Electronic Patient Record Data on over 20 000 Patients from Year 2007 in East-Tallinn Central Hospital – Ferenc Szirko
7. Prevalence of Gestational Trophoblastic Disease in Ectopic Pregnancy in O-GUH – Ilir Tasha
8. Sustained Levels of Total and Neutralising Antibodies and Favourable Long Term Safety with the HPV-16/18 AS04-Adjuvanted Vaccine (*Cervarix*®): Follow-up to 7.3 Years - Julio Teixeira
9. Malignant Transformation of Ovarian Mature Cystic Teratoma to Intestinal Adenocarcinoma - Nikos Thomakos

### **Room 1.63**

#### **Free Communication Session (FC110) – Oral Presentations**

##### Maternal Mortality and Morbidity

Chair: Thulani Magwali

1. Concurrent Eclampsia and HELLP Syndrome is a Catastrophic Event - Xiaodan Di
2. The Relative Contribution of Three Phases of Delay to Maternal Mortality in Ife-Ijesa Administrative Health Zone, Nigeria - Olabisi Loto
3. Causes of Perinatal and Maternal Mortality in Kosovo in 2006 - Shefqet Lualj
4. Causes of Perinatal Mortality: Results from a Population-based National Study in Zimbabwe - Tsitsi Magure
5. Assessment of Maternal Death Notification in Zimbabwe: Results from 2006 - Thulani Magwali
6. Prophylaxis of Recurrent Pregnancy Complications in Women with Thrombophilia - Alexander Makatsariya
7. Causes of Maternal Death: Comparison between Clinicians' Reviews of Verbal Autopsies and a Probabilistic Model in Zimbabwe - Ronald Mataya
8. Atypical Severe Postpartum Hemorrhage (PPH) -Investigation and Management – Sarojini Mayadevi
9. Treatment with Non-Pneumatic Anti-Shock Garment (NASG) Improves Outcomes for Women with PPH/Uterine Atony in Egyptian Referral Facilities - Mohammed Mourad-Youssif

### **Room 1.64**

#### **Free Communication Session (FC111) – Oral Presentations**

##### Infertility

Chair: Adriana Arent

1. Prevalence, Clinical Patterns and Major Causes of Infertility among Nigerian Couples - Joseph Ugboaja
2. "Significance of Physiotherapy Interventions in Treatment of Sexual Disorders" - A Critical Review - Tarun Amalnerkar
3. Prognostic Factors for Successful Immune Treatment in Primary Implantation Failure - Adriana Arent
4. Effect of Inseminated Oocytes' Number and Male and Female Ages in ICSI's Results Comparing Testicular Sperm Extraction and Ejaculated Sperm - Mariangela Badalotti
5. Gonadotropin-releasing Hormone Agonists for Prevention of Chemotherapy-induced Ovarian Damage: Prospective Randomized Study – Ahmed Badawy
6. Evaluation of the Factors that Affected the Infertile Couples in Accepting the Adopted Child - Aezam Bagheri
7. To Find Cost Effective Method for Genital Kochs with the Help of Laparoscopy in Infertility in Rural India - Kalyan Barmade

8. Umbilical Artery, Middle Cerebral Artery and Uterine Artery Doppler Indices in Pregnant Women with Hypertensive Disorders and Correlation with Perinatal Outcome - Vandana Chaddha
9. Diagnostic Lapro-hysteroscopy - A Novel Diagnostic Tool in Infertility – Sangeeta Shrivastav

### **Room 2.41**

#### **Free Communication Sessions (FC112) - Oral Presentations**

##### Violence Against Women

Chair: Mathias Onsrud

1. The Dispute Over What is Called Sunna or Islamic Female Circumcision (FGM) - Hag Saad Abdelrahman
2. Gender Violence and Spontaneous Abortion during First Trimester of Pregnancy - Beatriz Paulina Ayala Quintanilla
3. Spousal Abuse during Pregnancy and the Risk of Low Birth Weight - Mufiza Zia Kapadia
4. Rapid Baseline Assessment of Sexual Violence Services in Kwa-Zulu Natal Province, South Africa - Mantshi Elizabeth Menziwa and S.W. Maseko
5. Rape among Female Undergraduates in a Nigerian Tertiary Institution - Olayinka Ogunbode
6. Perceptions of Nigerian Female Undergraduates towards Sexually Coercive Behaviours - Olayinka Ogunbode
7. Sexual Violence-related Fistulas in the Democratic Republic of Congo - Mathias Onsrud
8. Sexual Violence and Unwanted Pregnancy: Clinical Services, Legal and Policy Environment in Kenya - Joachim Osur

### **Room 2.42**

#### **Free Communication Session (FC113) - Oral Presentations**

##### Infections in Obstetrics Gynaecology

Chair: Giampaolo Mainini, Italy

1. The Problem of Virus - Bacterial Infections in Obstetrics Pathology - Vladimir Kuzmin
2. The Clinic Analysis of Severe Obstetric Infection - Li Shi-Lan
3. Loss Expression of DCC in Ovarian Cancer and Its Suppression to Tumor Cell Growth – Li Peiling
4. Results of the French APTIMA HPV Screening Evaluation (FASE Study) – Joseph Monsonogo
5. *Cervarix*® (HPV-16/18 AS04-Adjuvanted Vaccine) Induces Higher HPV-16/18-Specific T Cell Responses Compared to Gardasil® (Human Papillomavirus Quadrivalent (Types 6, 11, 16, 18) Recombinant Vaccine) in Healthy Women Aged 18–45 Years – Philippe Moris
6. Evaluation of Short Term Antibiotic Prophylaxis for Emergency Caesarean Delivery – Smita Rajshkhar
7. Epidural Analgesia during Labour: Effect on Maternal and Neonatal Temperature – Frans Roumen
8. A Common Viral Aetiology to Intrauterine Fetal Deaths? Ljunganvirus - An Emerging Obstetric Pathogen – Annika Samsioe
9. First-line Treatment of Bacterial and Mycotic Vulvovaginitis with a New Topical Medication Based on Lipohydroperoxides and Glycyrrhetic Acid – Giampaolo Mainini

### **Room 2.43**

#### **Free Communication Session (FC114) – Oral Presentations**

##### Neonatology

Chair: Meikan Seki, Japan

1. Identification of Differentially Expressed Genes and Signal Pathways Involved in Diabetes-Induced Embryopathy - MA Xiangdong
2. Obstetric Risk Factors and Neonatal Outcome in Babies with Low 5 Minute Apgar Scores - Hemant Maraj
3. The Anomalities of Japanese Fetal Alcohol Effects (FAE) Infants - Seki Meikan

4. Audit on the Impact of ANTT (Aseptic Non Touch Technique) on Reducing Infection in Neonates with Central Lines - Arun Ramachandran
5. Obstetrical Risk Factors for Asphyxia - Mahnaz Zarshenas

### **Room 2.45**

#### **Free Communication Session (FC116) – Oral Presentations**

##### Reproductive Endocrinology

Chair: Shaughn O'Brien

1. Comparison of Corticoid Substitution versus Combined Oral Contraception Administration in the Treatment of Nonclassic Adrenal Hyperplasia (NCAH) – Michael Fanta
2. High Sensitivity CRP - Is It a Marker of Polycystic Ovarian Syndrome or Obesity? - Vaidyanathan Gowri
3. Psychosocial Aspects of Turner Syndrome – Nomathamsanqa Matebese
4. Analyze Statu of Low Sex Hormone-binding Globulin in Obese Patients with Polycystic Ovary Syndrome (PCOS) – Mounir Ajina
5. Montreal Consensus on Definition, Measurement and Diagnosis of Premenstrual Disorders - Shaughn O'Brien
6. Fertility Before and After Premature Ovarian Failure – Engin Oral
7. National Survey on Management of Weight Reduction in Women with PCOS in the United Kingdom – Aarti Sharma

### **Room 2.62**

#### **Free Communication Session (FC119) – Oral Presentations**

##### Termination of Pregnancy

Chair: Daniel Grossman

1. Evaluation of Ultrasound Needs in First Trimester Medical Abortion with Misoprostol - Rodolfo Gomez De Leon
2. Using Telemedicine for Termination of Pregnancy with Mifepristone and Misoprostol in Settings Where There Is No Access to Safe Services - Rebecca Gomperts
3. The Efficacy, Safety and Acceptability of Medical and Surgical Second Trimester Termination of Pregnancy in Cape Town, South Africa - Naomi Lince
4. Cost-effectiveness of Alternative Strategies for First-trimester Abortion in Mexico and Nigeria - Daniel Grossman
5. Introducing Pre-service Training in Comprehensive Abortion Care (CAC) in a Situation of Restrictive Law - Joseph Karanja
6. Evaluation of the Termination of Pregnancy Services of the Johannesburg Metro District in the Gauteng Province - Jacqueline Mendes
7. Mifepristone–Misoprostol versus Misoprostol Alone for First-trimester Pregnancy Termination - Experience of the Department "A" of the Cmnt, Tunis - Chelli Hela
8. Utility of Manual Vacuum Aspiration (MVA) in a Tunisian Tertiary Referral Center – Chelli Hela
9. Safety of Medical vs. Surgical Abortion in Adolescents - Maarit Niinimäki

### **Room 2.63**

#### **Free Communication Session (FC120) – Oral Presentations**

##### High-Risk Pregnancy

Chair: Serge Douvier

1. Outcome of Pregnancy in Patients with Liver Cirrhosis – Salah Rasheed
2. How Has the Recent RCOG Guideline Affect Practice in Obstetric Cholestasis (OC)?: A Retrospective Observational Study at District General Hospital in UK – Koli Chandra Reddy
3. Thrombophilia Tests in Infertile Patients with PCOS – Fariba Sarrafioun
4. Caesarean Section in Obese Patient: A Supraumbilical Transversal Incision – Serge Douvier
5. Acute Myocardial Infraction during Pregnancy - A Clinical Case – Anabela Serranito
6. Maternal and Foetal Outcome in Pregnancy with Congenital Heart Disease – Manjula Sharma
7. Safe Motherhood in Severe Pre-eclampsia – Azhagammai Kannappa Rajendran

8. Predictive Value of Ultrasonographic Measurement of Myometrial Thickness in Women with Premature Preterm Rupture of Membranes on Latency Period - Nadine Sherif

### **Room 2.64**

Free Communication Session (FC121) – Oral Presentations

#### Imaging in Obstetrics & Gynaecology

Chair: Lisa Story

1. Turner Syndrome with Borderline Ovarian Tumour - Sarwat Fatima
2. Evolution of Ultrasonographically Detected Non-complex Adnexal Cysts in Asymptomatic Postmenopausal Women - Alvaro Gorostiaga
3. Assessment of Ovarian Vascularization in the Polycystic Ovary by Three-dimensional Power Doppler Ultrasonography - Mihaela Grigore
4. Role of MRI in Fetal Intra-abdominal Cyst Detected on Prenatal Sonography: Preliminary Experience - Prerna Gupta
5. MRI Findings in Women with Suspected Tubercular Tubo-ovarian Masses - Debjyoti Karmakar
6. Transvaginal Sonography of the Uterine Cavity with Hysteroscopic Correlation in the Assessment of Infertile Women - Anshu Khamesra
7. Lactate and the Normally Developing Fetal Brain - Lisa Story
8. Doppler Velocimetry and Microscopic Lesions of Placenta in Fetal Growth Restricted Pregnancies - Natalija Vedmedovska
9. Surgical Management of Congenital Uterine Abnormalities: Indications, Techniques and Outcome - Tirso Perez-Medina

### **Room 2.65**

Free Communication Session (FC122) – Oral Presentations

#### Women's Health Issues in Developing Countries

Chair: Solbjørg Sjøveian

1. Community Perception of Safe Motherhood in Kiboga and Kibaale Districts, Uganda: A Qualitative Study - Frank Kaharuza
2. Use of Complementary and Alternative Medicine in Pregnancy, Mashad, Iran, 2005-6 - Talat Khadivzadeh
3. The Effect of Advanced Life Support in Obstetrics Training on Post Partum Haemorrhage at Kagera Regional Hospital, Tanzania: A Prospective Intervention Study - Bjarke Lund Sorensen
4. Creating Two Dignified, Modern Maternity Units through Private Public Partnerships in a Very Low Income Country - Tarek Meguid
5. A Randomized Cluster Trial of the NASG for the Treatment of Obstetric Hemorrhage and Hypovolemic Shock in Zambia: Challenges, Lessons Learned and Proposed Solutions – Christine Kaseba
6. The Reproductive Needs and Desires of HIV Positive Patients on HAART - Nishila Moodley
7. First Steps of Perinatal Centre in Georgia - Zaza Sinauridze
8. Female Genital Fistulas in the Democratic Republic of Congo - Solbjørg Sjøveian
9. Chlorhexidine Vaginal Washing in Labor: A Cost Effective Intervention to Save Maternal and Neonatal Lives in Developing Countries - Amita Pandey

## Wednesday Posters

### **General Gynaecology**

- P617. Pattern and Contribution of Unsafe Abortions to Gynaecological Emergencies and Maternal Mortality - Five-year Experience of a Nigerian Teaching Hospital – Tinuade Oyeboode
- P618. First Trimester Medical Termination of Pregnancy - Indian Scenario – Deepa Thangamani

- P1134. Chemist and Pharmacy Shops are Suitable Outlets for Medication Abortion in Plateau State, Nigeria - Innocent Ujah
- P619. Perigee Mesh Insertion for the Repair of Recurrent or Large Cystocele – Hull Experience - Ranadeb Acharyya
- P620. Short Term Follow-up of Anterior Prolift Mesh Repair for Cystocele – Mohamed Hefni
- P621. TVT-Secur - The New Operation or the New Sling in the TVT-Family? – Vitaly Bezhenar
- P622. Genito Urinary Fistula – Bandana Dasnath
- P623. "Urethro-Vaginoplasty": An Operation Innovated for the Treatment of Stress Urinary Incontinence, SUI and Vaginal Prolapse - Abdel Karim El Hemaly
- P624. Postoperative Pain on Patients Who Underwent TVT-O (Inside-Out) Suburethral Sling for Stress Urinary Incontinence: A Prospective Study of 108 Patients – Brigitte Fatton
- P625. Outcome of Apogee Mesh Insertion for Apical and Posterior Vaginal Wall Prolapse – Jagdish Gandhi
- P626. Reappraisal of Management of Vesicovaginal Fistula – Monika Gupta
- P627. The Efficacy and Safety of New Polypropylene Mesh "Prorepair" for the Treatment of Anterior Pelvic Wall Prolapse – Mohamed Hefni
- P628. Collagen Breakdown and Expression of Subtypes of Estrogen Receptor in Periurethral Connective Tissues of Postmenopausal Stress Incontinent Women – Zheng Huang
- P629. The Extraperitoneal Neofasciogenesis as Pathogenetic Surgical Treatment in High Risk Genital Prolapse Group – Leila Salimova
- P630. Success of Stress Incontinence Treatment by Means of TOT Ureas H System in the Region of Hradec Králové (The Czech Republic) - Ivo Kalousek
- P631. Cord Blood Cells in Stress Urinary Incontinence Treatment – Ludmila Nacu
- P632. Pelvimesh Anterior (Herniamesh S.R.L.) Polipropylene Mesh for Cystocele Repair - Our Experience – Andrzej Malinowski
- P633. Conservative Management of a Case of Post Caesarean Uterovesical Fistula – Hemant Maraj
- P634. Survey of TVT (O) to Analyse the Effectiveness and Patient Satisfaction for the Procedure - Maria Varghese
- P635. Survey of Patients Who Had Colpocleisis in a District General Hospital - Soumendra Nallapeta
- P636. Efficacy and Safety of Transobturator Polypropylene Hernia Mesh (TOT) for Urinary Stress Incontinence: Mean and Large Follow-up - Uruguayan Experience – María Nozar
- P637. Factors Affecting Voiding Function after Tension Free Vaginal Tape Surgery in Women with Urodynamic Urinary Incontinence – Pranathi Reddy
- P638. Physical Therapy Treatment for Female Urinary Incontinence: Icq-Sf Quality of Life - Paulo Cesar Giraldo
- P639. Analysis of the Pelvic Floor Muscle in Women with Different Frequencies of Sexual Relation – A Preliminary Biomechanical Study - Ana Carolina Schmitt
- P640. The Global Posture Reeducation (GPR) as a Novel Therapeutical Method for Stress Urinary Incontinence in Post-menopausal Women – Adriano Tavares
- P641. Success of Different Operative Techniques in the Treatment of Stress Incontinence - Ivana Vukovic
- P642. The Primary Research about Biomechanical Properties of Anterior Vaginal Wall of the Patient with Cystocele - Jian-Liu Wang
- P643. Clinical Observation: The Life Quality of the Patients who Underwent Two Different Total Pelvic Floor Reconstructions - Jian-Liu Wang
- P644. Using Extracoporeal Magnetic Innervation (Exmi) for Early Postnatal Women - Qing-Kai Wu
- P645. TVT and TVT-O: A Comparative Randomized Study of These Operative Procedures for the Treatment of Severe Urinary Stress Incontinence – Zhu Lan
- P646. Impact of Scarred Uterus on Future Pregnancies in a Resource Constrained State of India – Anjoo Agarwal
- P647. Sogon/FIGO Saving Mothers and Newborn Health Project: Trend of Case Fatality Rate over 2 Years – James Akuse

- P648. Maternal Mortality in Basra Hospitals: An Overview of the Last Two Decades - Fouad Hamad Al-Dahhan
- P649. The Strategic Use of Health System for the Prevention of Mother to Child HIV Transmission via Effective Perinatal Care Services in Uzbekistan – Venera Ashurova
- P650. Current Status of Maternal and Child Health in Bangladesh - Laila Banu
- P651. Ectopic Pregnancy Following Total Abdominal Hystrectomy with Unilateral Salpingo Oophorectomy - Kawita Bapat
- P652. Complicated Genital Fistulae – Sonal Bathla
- P653. Quality of Life in Thai Women Diagnosed Low Grade Squamous Intraepithelial Lesions of the Uterine Cervix after Treatments – Bandit Chumworathayi
- P654. Introduction of Automated BP Devices Intended for the Low Resource Setting in Rural Tanzania and Ethiopia – Chloe Baker
- P655. Process Evaluation for the Implementation of a Cervical Cancer See-and-Treat Program in Rural El Salvador - Rachel Masch
- P656. Study of the Effect of Cognitive Behavioral Counseling on Body Image Alterations in Women Undergone Mastectomy - Simin Fadaei
- P657. Acceptability Of HIV/Aids Counseling and Testing of Sudanese Pregnant Women – Atif Fazari
- P658. Ultrasound Fetal Biometry. Multicentric Study in Bogotá, Colombia. Maternal Fetal Medicine Unit Fucs, Hospital San José, Clínica Colsubsidio 2005-2007 – Alejandro Franco Hernández
- P659. Medical and Social Aspects of Reproductive Behaviour of Georgian Population – Alexander Chavchidze
- P660. An Assessment Study of Post-abortion Services in MOH Hospitals In Jordan – Sabry Hamza
- P661. The Real Scenario of a Preventable Defect - Hephzibah Kirubamani Navamani
- P662. Characteristics of Women Seeking Abortion-related Services in Ethiopia – Ndola Prata
- P663. The Development of an Obstetric Fistula Treatment and Surgical Training Program in Eritrea – Amreen Husain
- P664. Network of Clinical Providers Improves Management of Obstetric Fistula Treatment Programmes – Adamu Isah
- P665. Generating Evidence on New Screening Strategies for Cervical Cancer in Low-resource Areas - Jose Jeronimo
- P666. Role of Patronage Visits by Medical Nurses on Improving the Quality of Antenatal Care – Nigora Murotova
- P667. Privat Public Partnership between Kamuzu Central Hospital in Lilongwe, Malawi and the University Women’s Hospital in Bern, Switzerland to Improve Women’s Health - André B. Kind
- P668. Ectopic Pregnancies in Samoa: A Retrospective Study – Abhijit Kulkarni
- P669. Nigeria Non-atonic Gynaecological and Obstetrical Hemorrhage Treated with the Non-Pneumatic Anti-Shock Garment (NASG) – Adetokunbo Fabamwo
- P670. Unmet Needs, Missed Opportunities: Experience with Promotion of Female Condom in Asaba, Nigeria – Mininim Oseji
- P671. Female Genital Cutting - A Survey in Lagos, Nigeria – Olawale Oyeneiyin
- P672. A New Colposcopic Technique in the Uterine Cervical Cancer – Jose Zertuche
- P673. The Profile of Ectopic Pregnancy at Mandaluyong City Medical Center - Karen Daphne Policarpo
- P674. Training Professionals in Sexual and Reproductive Health: A Permanent Challenge - Description of Our Experience at the University in the Development of Human Community Resources in Sexual and Reproductive Health from a Perspective of Rights and Gender – Grazzia Rey
- P675. Breast Cancer Incidence According to Data from Ecuadorian Tumor Records, 2000-2004 – Hugo Sanchez
- P676. Prevention and Treatment of Obstetric Fistula: Community Work Makes a Difference - S. M. Shahidullah
- P677. Re-establishing the Midwifery Workforce in Post-conflict Afghanistan - Jeffrey Michael Smith

- P678. Verbal Autopsy – Effective Tool in Analysing Early Neonatal Death Cases – Petru Stratulat
- P679. The Effect of Antenatal Education on Postpartum Depression - Davood Hoseininasab
- P680. Quality Performance Indicators in Breast Cancer Screening and Treatment in a Brazilian Non-metropolitan Setting - José Humberto Tavares
- P681. HPV Educational Messages and Channel of Delivery for Developing Country with Multi-ethnic Populations - Li-Ping Wong
- P682. Issues Surrounding the Introduction of HPV Vaccines in Multi-ethnic and Multi-cultural Society: Physicians' Perspectives - Li-Ping Wong
- P683. Transition to New Strategies of Maternal Severe Morbidity and Mortality Review in Uzbekistan: Preliminary Results – Klara Yadgarova
- P684. Improving Women's Reproductive Health in Western Kenya: A North American/African Academic Model – Hillary Mabeya
- P685. A Study to Ascertain the Knowledge, Attitude and Practice about Breast Cancer and Its Prevention among a Diverse Group of Pakistani Women – Noreen Zafar
- P686. Creating Enabling Environment at Clinical Learning Site to Increase Access and Provision of Emoc by Mass Production of New Cadres of the "Health Officers", the Case of Ethiopia – Nebreed Zemicheal
- P687. Obstetric Care in Brazilian Private Health Plans – Claudia Zouain
- P1137. Human Papillomavirus Infection and Risk of in situ and Invasive Cervical Adenocarcinoma – Par Sparen, Stockholm, Sweden

## **Reproductive Medicine**

- P688. First Successful Birth in Spain Following Preimplantation Genetic Diagnosis with Human Leukocyte Antigen Typing – Guillermo Antiñolo
- P689. Is There any Negative Influence in ICSI Results by Using Frozen Sperm? - José Luis De Pablo
- P690. Age-related Outcomes of In Vitro Fertilisation – Sonela Basak
- P691. A Simple Sperm Motility Assay of Secretomes From High-potential Human Blastocysts In Vitro – Philip Chan
- P692. Improvements in the Screening of Semen Donors – Carmen Anarte
- P693. TNF Alpha-308 Polymorphism and IVF Response – Mohamed Elsirkasi
- P694. Efficacy of Indole-3-Carbinol and Epigallocatechin-3-Gallat in Women with Associated Pathology of Reproductive Tract and Benign Ovarian Lesions Used as Pathogenetic Pre-IVF Treatment - Rushania Gataulina
- P695. CAH Due to 21-Hydroxylase Deficiency in ART Patients – Zhanna Glinkina
- P696. Hysterosalpingography or Laparoscopy and Dye Test: Which Is Better in Low Risk Infertile Women? – Mohamed Hefni
- P697. Does Delay in Insemination after Thawing of Frozen Semen Lead to Decrease in Pregnancy Rate? – Balasaheb Khadbade
- P698. Outcomes of COH and IVF between Women with Polycystic Ovary Syndrome and Those with Sonographic Polycystic Ovary Only in GnRH Antagonist Cycles: Comparative Study - Yong Jin Kim
- P699. Successful IVF-ICSI Treatment after Conservative Surgery of Cervical Cancer – Ferenc Krizsa
- P701. Hysteroscopic Removal of Retained Fetal Bone Acting as an Intra-Uterine Device - Sucheta Chatterjee
- P702. Intrafollicular Antimüllerian Hormone Concentration Is Positively Associated with Oocyte Competence and Embryo Implantation during IVF - Annalisa Salerno
- P703. IVF in a Developing Country, 18 Months Experience with Batching in an ART Centre in the Niger – Delta Region of Nigeria – Jude Okohue
- P704. Severe Early and Late Ovarian Hyperstimulation Syndrome in IVF/ICSI Patients: Risk Factors and Pregnancy Outcome - Tülin Ozdener
- P705. Factors Affecting Outcome of IVF Treatment: Is It Possible to Predict - Figen Turkcapar
- P706. Only Two Available – Twins Are Still a Concern, Particularly in IVF Patients! - Vui Vun Wong

P707. The Beliefs of Traditional Family Planning Users about the Side Effects of Modern Methods – Marjan Ahmad Shirvani

P708. Intrauterine Devices and the Risk of Uterine Perforations: Interim Results from the Euras-IUD Study – Anita Assmann

P709. Management of Asymptomatic Migration of Mirena-Levonorgestrel-Releasing Intrauterine System: A Case Report – Lucy Baker

P710. Knowledge and Attitudes Towards the IUD before and after a Brief Educational Intervention in a University-based Hospital Setting in Mbarara, Uganda – Amy Bryant

P711. Complex Location of Subdermic Single-Rod Contraceptive Implant: A Case Report – Rafael Buitron

P712. Comparison of US and European OC Users Characteristics – Maureen Cronin

P713. Factors Influencing the VTE Risk Associated with OC Use: Analysis of the Euras Results – Juergen Dinger

P714. Asymptomatic Bacteriuria in Women Using Contraceptive Methods in Family Planning Clinic in Eastern Nigeria – Hyginus Ezegwui

P715. Contraception Experiences of Young Women in Their First Years of Marriage – Nahid Fathizadeh

P716. Knowledge Attitude and Practices of Contraception in Women in Rural Part of India – Sunita Ghike

P717. Evaluation of a Family Planning Programme in the Reduction of Adolescent Pregnancy Recurrence – Cristina Guazzelli

P718. Extended Use of the Vaginal Ring: Effects on Hematimetric Indices – Cristina Guazzelli

P719. Lipid Profile of Women on Extended Regimen of the Vaginal Contraceptive Ring Compared to Oral Hormonal Contraceptives – Cristina Guazzelli

P720. Evaluation of Cardiovascular Risk in a Family Planning Clinic – Cristina Guazzelli

P721. Hormonal Contraceptives in Adolescents: Discontinuity Rates – Cristina Guazzelli

P722. Long-acting Reversible Contraception (LARC) in Zimbabwe: Provider Practices – Cynthia Harper

P723. Ethinylestradiol 20mcg/Drospirenone 3mg Combined Oral Contraceptive Administered in a 24/4 Regimen in the Treatment of Premenstrual Dysphoric Disorder-related Symptoms and Functional Impairment: A Randomized, Multicenter, Double-blind, Parallel Study – Klaas Heinemann

P724. Clinical Experience with Implanon in Czech Republic - Olga Hlavackova

P725. A Novel Non-invasive Management of Contraception with Dysfunctional Uterine Bleeding (DUB): Indomethacin Releasing Copper Device (IR CU IUD) - Mohsen Khairy

P726. Post Partum IUCD - A New Method in Postpartum Contraception - Husne Ara Khatun

P727. A Pooled Analysis of Two Randomized, Placebo-controlled Studies Investigating an Oral Contraceptive Containing Ethinylestradiol 20mcg/Drospirenone 3mg in a 24/4 Regimen in the Treatment of Acne: Lesion Counts and Investigator and Subject Assessments - Michael Kunz

P728. Ethinylestradiol 20mcg/Drospirenone 3mg Oral Contraceptive Administered in 24/4 Regimen in the Treatment of Moderate Acne Vulgaris: A Pooled Analysis of Two Randomized, Double-blind, Placebo-controlled Studies – Michael Kunz

P729. Application of Mirena® during Caesarean Section (CS) - Jose Angel López-Farfan

P730. Unintend Pregnancy – Roger Lara

P731. Use of Balanced Counselling Strategy Tools Enhances Quality of Care among FP Clients: Experiences from HIV/FP Integrated Project in Kenya – Wilson Liambila

P732. Age of First Pregnancy Is an Indicator of Contraceptive Choice and the Total Number of Pregnancies in a Lifetime Perspective – Ingela Lindh

P733. Prevalence of Low Birth Weight, Small for Gestational Age and Prematurity in Relation to Interval Between Pregnancies (A Prospective Research) – Desiree Manlapaz-Gonzales

P734. A Historical Cycle Control Comparison of Two Drospirenone-containing Combined Oral Contraceptives: Ethinylestradiol 30mcg/Drospirenone 3mg Administered in a 21/7 Regimen versus Ethinylestradiol 20mcg/Drospirenone 3mg Administered in a 24/4 Regimen – Joachim Marr

- P735. Contraceptive Efficacy of a Combined Oral Contraceptive Containing Ethinylestradiol 20mcg/Drospirenone 3mg Administered in 24/4 Regimen: A Pooled Analysis of Four, Open-label Studies – Joachim Marr
- P736. Contraceptive Consciousness among Polish Population at the Beginning of 21st Century – Robert Matusiak
- P737. Oral Contraception: Optimization of Patient Information Project - Step 1 of Coralie Study – Pia De Reilhac
- P738. Comparison of Two Regimens of a New Monophasic Oral Contraceptive Combining 17 Beta-Estradiol and Nomegestrol Acetate – David Serfaty
- P739. Relative Frequency of Knowledge of Women about Oral Contraceptive Pills after Attending Family Planning Classes just before Marriage in Iran – Fariba Mirblook
- P740. Psycho-social Support in Labour as a Catalyst for Contraceptive Uptake in Nigeria: Preliminary Analysis of a Randomised Controlled Trial – Imran Morhason-Bello
- P741. Immunohistochemical Characterization in Using of Rigevidon, Marvelon and Exluton – Jenaro Kristesashvili
- P742. Hormonal Contraception in Risk Groups of Adolescents – Zuzana Niznanska
- P743. A 13-Cycle, International, Observational Safety Study with Belara® (0.03 Mg Ethinyl Estradiol/2 Mg Chlormadinone Acetate) in Routine Clinical Practice – Daphnee Pushparajah
- P744. The Influence of Experience on Compliance with the Dosing Scheme of Low-dose Combined Oral Contraceptives among 11.397 Women in Poland - Stanislaw Radowicki
- P745. The Efficiency and Acceptability Microdosed Out of Oral Contraceptive at Women of Reproductive Age – Niso Nazarova
- P746. Contraception. Then and Now – Liliane Somogyi
- P747. Comparative Analysis of the Incidence of Pelvic Inflammatory Disease Caused by Various Types of Intrauterine Contraceptive Devices – Milica Berisavac
- P748. Perspectives from Community Leaders on Family Planning in Pakistan: Qualitative Evidence about Barriers and Solutions – Azmat Syed Khurram
- P749. Mechanisms of IUS Mirena Action – George Tsertsvadze
- P750. Risk of Venous Thromboembolism and Use of Dienogest-containing Oral Contraceptives – Results from a Case-control-Study – Kristina Voigt
- P751. Menstruating from the Umbilicus - Case Report on a Rare Case of Primary Umbilical Endometriosis - Pallavi Bagade
- P752. Myometrial Contractility Patterns in Endometriosis Compared to Menorrhagia – Feroza Dawood
- P753. Analysis of Endometrialcarcinoma, Diagnosed by an Explorative Curettage for a Period of Fourteen Years – Andronika Dimitrovska
- P754. The Efficacy of Low Dose Estrogen Only Add-back Therapy in Ovarian Endometriosis – Choi Dooseok
- P755. Association between Endometriosis and Haplotype Allele of Vascular Endothelial Growth Factor – Kim Jung Gu
- P756. Expression of Nonsteroidal Anti-inflammatory Drug-activated Gene 1 (Nag-1) on the Eutopic Endometrium of the Patients with Endometriosis - Seok Kyo Seo
- P757. Investigating Novel Tumor Markers for Endometriosis – Motowo Nabeta
- P758. A Case of Ruptured Chocolate Cyst with Extremely High Level of Serum Ca125 and Ca19-9 – Hiromasa Nakachi
- P759. An Audit of a Multidisciplinary Pelvic Pain Clinic – Michele Mckenner
- P760. Endometriosis Mimicking Incarcerated Hernia during Menstruation: A Case Report – Ljubica Petkovic
- P761. 4-Hydroxy-2-Nonenal Expression in Endometrial Cysts – Grzegorz Polak
- P762. Superficial Endometriosis: Coagulation or Excision? - Marc Philipp Radosa
- P763. Treatment Laparoscopic of Endometriosis and Fecundity Rebagliati Health Assisting Network, Essalud 2002-2003 - Yessenia Ramos Rivas
- P764. Postoperative Dietary Supplementation with Omega-3 Fatty Acids and Antioxidants after Conservative Surgery for Symptomatic Endometriosis – Francesco Sesti
- P765. Spontaneous Pregnancy Following the Treatment of Endometriosis – Milica Berisavac
- P766. The Assessment of Dendritic Cells in Endometriotic Implants – Rafal Tarkowski

- P767. Triumph: Genome-based Expression Profiles as a Single Standardized Microarray Platform for the Pathogenesis of Endometriosis - Ling-Hong Tseng
- P768. The Effect of Endometriosis on Quality of Life in Patients with a Diagnosis in Their Younger Reproductive Years – Hilary Turnbull
- P769. Preliminary Results of Uterine Artery Embolization for Adenomyosis in Patients of Reproductive Age – Olga Mishiyeva
- P770. Clinical Significance of Dystrophic and Inflammatory Pap Smears: An Analysis of 55,271 Smears - Jean-Jacques Baldauf
- P771. Integrated Approach in Introduction of Reproductive Health Course within the Postgraduate Education Programme of General Practitioners in Uzbekistan – Firuza Fazilova
- P772. The Effect of Education on the Prevention of Cervical Cancer Based on the Health Belief Model - Shahnaz Golian Tehrani
- P773. Prevention of Hbsag Positive Mothers' Newborns against Hepatitis B Infection with Vaccination – Economic View of Countrywide Programme in Hungary – Gabor Hetenyi
- P774. Improving Quality of Abortion Care in Republic of Moldova Applying WHO Strategic Approach to Strengthening Reproductive Health Policies and Programmes – Stelian Hodoroaga
- P775. The Intelligence Quotient of School Aged Children Delivered by Caesarean Section and Vaginal Delivery - Nayyereh Khadem
- P776. Relationship between Family Planning Providers' Counseling Skills and Clients' Satisfaction - Afsaneh Nvavian
- P777. Contraceptive Counselling in Primary Health Care - What Do Young Women Prefer? – Made Laanpere
- P779. Complications of MMR Vaccination in Pregnant Women during Mass Campaign for Measles/ Rubella Vaccination in December 2003 in Iran – Zohreh Shahhosseini
- P780. Spina Bifida... Are We Doing Enough? – Hayfaa Wahabi
- P781. New Directions in the Provision of Acute Gynaecology Services for Non-pregnant Women in the UK - Yee-Loi Wan
- P782. Evaluation of Sure Start Project - Providing Specialised Health Services to Urban Slums in Navi Mumbai – Uday Thanawala
- P783. Effect of Aspirin on Endometrial Receptivity and Success of IUI – Anjoo Agarwal
- P784. Technical Problems of Hysterosalpingography – Firoozeh Ahmadi
- P785. The Role of Metformin in Induction of Ovulation in Obese Infertile Patients with Polycystic Ovary Syndrome - Fouad Hamad Al-Dahhan
- P786. Hysterosalpingography Limits in Tubal-Peritoneal Factor Investigation in Infertility Women – Adriana Arent
- P787. GnRH Agonist versus GnRH Antagonist: What Is the Effect on Pregnancy Rate? – Ercan Bastu
- P788. Our Clinical Experiences with Use of Cabergoline in Treatment of OHSS – Artur Bjelica
- P789. The Protocols of Stimulation in the Programme of IVF/ICSI/ET in Patients with PCOS – Aleksandar Radulovic
- P790. Correlation between Infertility and Rapid Sperm Head Decondensation after Lysis Challenge – Philip Chan
- P791. Ozone Therapy as a Component in the Treatment of Tubal Factor Female Infertility – Gennady Grechkanev
- P792. Correlation of Fatty Acid Composition with Motility in Fresh and Capacitated Human Spermatozoa – Antonia Expósito
- P793. Evaluation of Role of Sildenafil in Improving IUI Success Rates – Vinita Das
- P794. Androgenic Activity of Allium Cepa on Spermatogenesis and Serum Testosterones in Rat – Laya Farzadi
- P795. Evaluation of Endometrial Receptivity by Sonographic Markers and Hormonal Profile in Patients of Unexplained Infertility – Seema Singhal
- P796. Infertility and the Risk of Cancer in Children – Marie Hargreave
- P797. Should We Search for Sperm in All Zoospermic Men with Klinefelter Syndrome? – Ron Hauser
- P798. Reproductive and Neonatal Outcome in a Woman with Didelphic Uterus and Complete Longitudinal Vaginal Septum: A Case Report – Gonzalo Soto

- P799. The Role of a Supplement Containing Mainly (Tribulus Terrestris, Red Ginseng) in the Management of Idiopathic Oligospermia and Astheniospermia in Infertile Men - Samia Tabassum Lughmani
- P800. Extra-Uterine Levonorgestrel Releasing Intra Uterine System and Subfertility – Sue Salleh
- P801. Polycystic Ovarian Disease Treated by Videoendoscopic Ovarian Drilling – Roopa Nagaonkar
- P802. The Expression of Apoptosis in Miscarriages during the First Trimester of Pregnancy – Liliana Novac
- P803. The Impact of Ovarian Stimulation on MUC1 Expression Avid Mouse Endometrium before Implantation – Marzieh Panahi
- P804. Women Prefer to Have Intrauterine Insemination in Their Local Hospital Rather than in a Distant Tertiary Unit – Suma Devi Kodiathodi
- P805. The RFSH Efficiency in the Ovarian Stimulation to the Cases with IUI Failed under Clomifen Citrat Treatment – Ruxandra Dumitrescu
- P806. The Effect of Varicocelelectomy on Success of Intrauterin Insemination (Preliminary Results) – Sezai Sahmay
- P807. Effects of Cigarette Smoking on Intrauterine Insemination Outcomes – Tulay Irez
- P808. Polycystic Ovary Syndrome Resistant to Clomiphene Citrate Associated with Hyperprolactinemia - Case Report – Szidonia Lacziko
- P809. Restoring Gestational Capacity in Women with Recurrent Spontaneous Miscarriages after Clinical Psychotherapy Treatment – Ilenia Mappa
- P810. The Diagnostic Value of Chlamydia Trachomatis Antibody Testing in the Diagnosis of Tubal Pathology among Infertile Patients - Egle Tvarijonaviciene
- P811. Initial Research of Interstitial Magnetic Resonance Lymphography in the Diagnosis of Lymph Nodal Metastases in Cervical Cancer – Ying Hong
- P812. Vaginal Mucosal Keratinocyte Isolation: A Comparative Study on Dispase and Trypsin - Peiyong Lai
- P813. Human Vaginal Mucosa Constructed In Vitro Using Human Vaginal Mucosal Stem Cells - Peiyong Lai
- P814. Recommendation Based on Experience with the Czech On-line IVF Register – Karel Rezabek
- P815. Clinical Experience of Ultrasound-guided Hifu at Inha University Hospital, Incheon, S Korea - Eunseop Song
- P816. Safe and Efficient Reporting of Blood Glucose Values during Pregnancy – Helena Strevens
- P817. Adaptation of Perceived Stress Scale (PSS) for Ukrainian Female Patients – Tetyana Tatarchuk
- P818. The Prevalence of the Falls and Associated Factors in the Postmenopause in the "Health Project of Pindamonhangaba" – Jose Aldrighi
- P819. Prevalence and Associated Factors of the Anxiety in Climacteric in the "Health Project of Pindamonhangaba" (Prosapin) – Jose Aldrighi
- P820. The Excessive Daytime Sleepiness in Women in Premenopausal in the "Health Project of Pindamonhangaba" (Prosapin) – Jose Aldrighi
- P821. Prevalence of the Metabolic Syndrome and Associated Factors in Menopausal Transition and Postmenopause in the "Health Project of Pindamonhangaba" (Prosapin) – Jose Aldrighi
- P822. Supplementation with Fish Oil and Vitamin E on Plasma Lipids in Two Different Ethnic Groups of Dyslipidemic Women in Menopausal Transition and Postmenopause - "Health Project Of Pindamonhangaba" (Prosapin) – Jose Aldrighi
- P823. The Prevalence of the Urinary Incontinence and Associated Factors in Women in Transition and Postmenopause of the "Health Project of Pindamonhangaba" (Prosapin) – Jose Aldrighi
- P824. Use of Black Cohosh (Cimicifuga Racemosa) in Postmenopausal Women: A Randomized Controlled Study – Mansour Aly
- P825. 7alpha Hydroxylase A-204c Polymorphisms Is Associated with Sub Clinical Atherosclerosis in Healthy Postmenopausal Women – I Lambrinoudaki

- P826. The Effect of Hormone Therapy, Tibolone and Raloxifene on Circulating Markers of Chemotaxis in Healthy Postmenopausal Women – G Christodoulakos
- P827. Postpartum Depression Is Associated with Increased CSF and Plasma Cytokines – F Boufidou
- P828. Urinary Incontinence among Menopausal Women: Cross-correlation with Gonadotropins and Endogenous Sex Steroid Hormones – D Sioutis
- P829. The Different Effect of Progestin on Mammographic Breast Density in Women on Low-dose Hormone Therapy – C Panoulis
- P830. Serum Thyroid Hormones and Apolipoprotein E, Paraoxonase 1 Polymorphisms in Postmenopausal Women – F Galapi
- P831. Impact of Genetic Polymorphisms on Serum Lipid Profile in Healthy Postmenopausal Women – I Lambrinouadaki
- P832. Association of Endogenous Androgens with Vascular Markers of Early Atherosclerosis in Healthy Postmenopausal Women – G Georgiopoulos
- P833. Mthfr C677t Polymorphism Is Associated with Increased Androgenicity in Healthy Postmenopausal Women – G Kaparos
- P834. Raloxifene, Tibolone, Hormone Therapy and E-Cadherin Expression in Cervical Epithelial Cells of Postmenopausal Women – V Sioulas
- P835. Prevalence of Hot Flushes among Late Transition and Postmenopausal Women with Insulin Resistance - Natália Bertoni
- P836. Determination of BMD in Healthy Indian Women above 40 Years of Age and Analysis of Factors Affecting BMD – Ashwini Bhalerao-Gandhi
- P837. Tibolone versus Transdermal Oestradiol Gel - Short Term Treatment Effect on Health Related Quality of Life Following Surgical Menopause - Sudhindra Mohan Bhattacharya
- P838. Features of Lipid Peroxidation and Antioxidant Status of Patients with Climacteric Syndrome – Natalya Podgornova
- P839. Several Risk Factors in Relation to Endometrial Adenocarcinoma Diagnosis Features - Vesna Antovska
- P840. The Effects of Red Clover Derived Isoflavones on Serum Lipids, Bone Turnover and Bone Density in Postmenopausal Women – Jelena Dotlic
- P841. Evaluation of the Quality of Life of Women Using an Estradiol and Drospirenone Combined Oral HRT – Georgios Kolios
- P842. Evaluating the Effect of Alendronate on Bone Mineral Density in Romanian Postmenopausal Women – Corina Galesanu
- P843. Hot Flushes Scale in Clinical Practice and Research: Comparison with Two Climacteric Scales – Bruno Hehn
- P844. Menopausal-psychosocial and Health Factors in Rural and Urban Women – Navamani Hephzibah Kirubamani
- P845. Lipid Profile during Menopausal Transition and Its Alteration by Benign Gynaecological Diseases – Kumiko Hosokawa
- P846. Menopause: Pelvic Organ Prolapse (POP) and Stress Urinary Incontinence (SUI) - Laila Mousa
- P847. Prevalence of Bacterial Vaginosis and Vaginal Uropathogens in Postmenopausal Women with and without Oral Hormone Therapy – Srinaree Kaewrudee
- P848. A Randomised Trial of the Effect of Oestrogen and Testosterone on Economic Behaviour – Ljiljana Kocoska-Maras
- P849. Polymorphisms of Vitamin D Receptor, Estrogen Receptor, Tgf-B1, Osteoprotegerin and Lrp5 Gene in Postmenopausal Korean Women - Dong-Jin Kwon
- P850. Systemic Inflammatory Response Syndrome and Thrombophilia in Pathogenesis of Thrombotic Complications of Hormonal Replacement Therapy – Seda Baimuradova
- P851. Climacteric Complaints and Psychological Status in Unmarried Japanese Women Employee with Climacteric Syndrome - Seki Meikan
- P852. The Evaluation of the Effect of Counseling on Life Style of Menopausal Women and Their Husbands: Nutritional Habits and Physical Activities - Seyedeh Tahereh Mirmolaei
- P853. Effect of (Allium Sativum) and (Nigella Sativa) Ingestion on Antioxidant Status in Healthy Postmenopausal Women – Randa Mostafa

- P854. Bone Mineral Density and Lipid Profile in Postmenopausal Patients with Osteoporosis - Cesar E Fernandes
- P855. Comparative Study of Effects of Abrupt versus Progressive Discontinuation of Postmenopausal Hormone Therapy for Vasomotor Symptoms in Climacteric Women - Cesar E Fernandes
- P856. Atrophic Processes of Lower Urogenital Tract in Postmenopausal Women – Vera Prilepskaya
- P857. Premature Ovarian Failure vs Premature Menopause: Are They Different? – Suraiya Rahman
- P858. Physical Activity and Related Factors among Post Menopausal Women – Nahid Sarafraz
- P860. Incidence of Menopause Related Symptoms - A Study from a Suburban Area of Mumbai, India – Megha Shandilya
- P861. The Tissue-selective Effect of Daidzein on Bone, Uterus and Lacteal Gland of the Ovariectomized Rats and the Receptor Mechanism Mediated by Ers and Ppary on Bone - Zou Shi En
- P862. Effects of Hormone Therapy on Blood Homocysteine Levels in Korean Postmenopausal Women - Byung-Koo Yoon
- P863. The Effects of Energy Controllable Steep Pulses on the Calcium Concentration and Cell Membrane Potential – Xiaojing Dong
- P864. Nlrp7 Mutation Analysis in Chinese Patients with Recurrent Hydatidiform Moles – Qian Jianhua
- P865. Oncoprotein Hccr-1 Expression in Breast Cancer Is Well Correlated with Known Breast Cancer Prognostic Factors Including the Her2 Overexpression, P53 Mutation and Er/Pr Status – Jin Kim
- P866. Prolactin Effects Proliferation of the Ovarian Cancer Celline which Have Prolactin Receptor – Kyongjn Kim
- P867. Characteristics of Tuberous Sclerosis Complex 2 Gene Expression in Myometrium and Uterine Leiomyoma – Wanjun Lin
- P868. Microrna Pattern Expression Distinguish Low Malignant Potential (LMP) Ovarian Tumors and Invasive Ovarian Mucinous Carcinomas – Barbara Marzec
- P869. Blood Salvage during Caesarean Section: Minimizing the Risks of Cell Free Fetal DNA Transfusion Using a Cell-Saver System – Céline Osswald
- P870. Endometrial Cancer Invasion Depends on Cancer-derived Tumor Necrosis Factor (TNF)-A and Stromal Derived Hepatocyte Growth Factor (HGF) - Hee-Sug Ryu
- P871. Biochemical Evaluation of Aminotransferase and Gamma-Glutamyltransferase Activities in Women with Polycystic Ovary Syndrome - George Azevedo
- P872. Clinical and Hormonal Profile of Polycystic Ovary Syndrome – Ferdousi Begum
- P873. Study of Mice Endometrium Glands Distribution in Preimplantation Period – Yaser Dezhkam
- P874. Morphological Study of Mice Endometrium in Preimplantation Period – Yaser Dezhkam
- P875. Evaluating Compliance to a Low Glycaemic Index (GI) Diet in Women with PCOS – Nicola Egan
- P876. Prevalence of Nonclassic Adrenal Hyperplasia (NCAH) in Hyperandrogenic Women – Michael Fanta
- P877. The Presence of Hyperinsulinemia as a Major Prognostic Factor of Cardio-metabolic Risk in Women with Polycystic Ovary Syndrome without Comorbidities - Paula Natale Giroto
- P878. Insulin Attenuates Igf-1-Induced Proliferation of Granulosa Cells with an Increase in Pten – Akira Iwase
- P879. Effect Of Cinnamon (Cinnamomum Zeylanicum) on Reproductive System in Male Mice – Mehrdad Modaresi
- P880. The Impact of Oral Contraceptives and Metformin on Antimüllerian Hormone Serum Levels in Women with Polycystic Ovary Syndrome – Jamal Mousatat
- P881. Enlargement of Thyroid Nodule in Pregnancy: A Case Report – Susmita Pankaja
- P882. Klippel-Feil Anomaly Associated, Rokitansky-Küstner Syndrome, Pelvic Kidneys and Bilateral Gonadal Dysgenesis. A Case Report – Nil Atakul
- P883. Assessment of the Predictive Value of Follicular Fluid Insulin, Leptin and Adiponectin in Assisted Reproductive Cycles – Sachiko Takikawa

- P884. Improvement of the Ovarian Function, Follicular Growth and Ovulation Rate Using Metformin in Patients with Polycystic Ovarian Syndrome – Emilija Trajkovska
- P885. Prevalence and Predictors of Metabolic Syndrome in Thai Reproductive Women with Polycystic Ovary Syndrome – Thanyarat Wongwananuruk
- P886. The Prevalence of Domestic Violence and Its Relationship with Pregnancy Side Effects in the Iranian Pregnant Women - Fatemeh Erfanian
- P887. Female Circumcision and Women's Attitude to It, Minab, Iran, 2002-2003 – Talat Khadivzadeh
- P888. One Stop Crisis Center: Role in Violence against Women - Rawshan Ara Khanam
- P889. Necrotizing Fasciitis Complicating Female Genital Mutilation - Abdalla Ali Mohammed
- P890. Domestic Violence, Role of Obstetricians and Gynaecologists - Sindhu Nandini Tripathy
- P891. Study on Dysmenorrheic Patients - Adriana Vilariño
- P892. Factors Associated with Domestic Violence in Women – Madhini Visvanathan
- P893. The Risk Factors of Osteoporosis in Women Referred to Shahid Beheshti Bone Mass Densitometry Center in Kashan – Masoumeh Abedzadeh
- P894. Study on Outcomes of Cervical Glandular Dyskaryosis in a Predominantly Obese Population - T O Adedipe
- P895. The Frequency of Folic Acid Consumption and Its Awareness among Women in Preconceptional and Pregnancy Period in Postnatal Ward, Alzahra Hospital, Rasht, 2008 – Maryam Asgharnia
- P896. Pre-menstrual Syndrome - Comparative Study of Working Women vs. House Wives – Zahida Haq
- P897. Risk Reducing Surgeries for Women Carrying a Gene Mutation for a Hereditary Cancer Syndrome - Rafael Tomacruz
- P898. Changes in QOL Related to the Transition from Hormone Therapy to Raloxifene or Other Anti-osteoporotic Agents Administered to Postmenopausal Women for the Prevention or Treatment of Osteoporosis: The Horthon Observational Study – George Christodoulakos
- P899. The Evaluation of the Causes of 1000 Referral Patients to Breast Clinic of Ghaem Hospital Mashhad University of Medical Sciences (2001-2003) – Toba Farazmand
- P900. Efficacy of Treatment of Osteoporosis Depends on the Quality of Patient's Loyalty Program - Dimitar Georgiev
- P901. Survey of the Attitude Toward Contraceptive Use and the Rate of Contraceptive Use among the Women Referred to the Health Centers during the First Two Years after Child Bear - Shahnaz Golian
- P902. Evaluating Post-abortion Care in 13 Colombian Hospitals - Pio Ivan Gomez
- P903. Frequency of Sexual Dysfunction and Related Factors - Eftekharalsadat Hossainni
- P904. Physical and Mental Handicaps among Women Examined at Center for Victims of Sexual Assault (CFVSA) in Copenhagen – Malene Hilden
- P905. The Effect of Mother - Infant Skin-to-Skin Contact on Mother's Attachment – Aghdas Karimi
- P906. Breastfeeding Duration Related to Life Values, Age and Education – Petr Krepelka
- P907. Pregnancy Outcome According to Maternal Weight Gain Rate by Trimester - Eun Joo Lee
- P908. Controlled Research on Mental Intervention Effects for the HPV Positive Patients – Zhang Li Jie
- P909. Physical Conditioning of Pregnant Women Participating in a Randomized Controlled Trial in Campina Grande, Brazil – Adriana Melo
- P910. Dietary Assessment of Iron And Folate Intake during Pregnancy - Leticia Vieira De Paiva
- P911. Nutrient Habitual Consumption and Nutritional Status among Pregnant Adolescents - Eliener De Souza Fazio
- P912. Pap Smear's Pattern and Its Barriers among Women in Kashan City 2005-2006 – Farzaneh Saberi
- P915. Prevalence of Obesity in a Tertiary Hospital in the UK – Abdalla Yagoub
- P916. Quality of Life in Pregnant Women: Results from Kashan, Iran – Fatemeh Abbaszadeh
- P917. Depression and Quality of Life in Pregnant Women - Fatemeh Kafaei

- P918. The Role of Autoantibodies to Adenosine Deaminase in Diagnosis of Habitual Noncarrying of Pregnancy of Autoimmune Origin – Ninel Alexandrova
- P919. Results of Endovascular Treatment of Uterine Myoma of Patients with Utero-ovarian Arterial Communications - Elena N. Kaukhova
- P920. Is It Appropriate for All Cervical Polyps to Be Referred to Hospital? – Nosheen Aslam
- P921. Education from Conception to Birth and Beyond. The North York General Hospital Pregnancy and Birth Journal: Prenatal Investigations, Education, Fetal Surveillance, Giving Birth and the New Family – Cathie Badeau
- P922. Vulval Crohn's: A Multidisciplinary Approach – Jamila Shahid
- P923. Evidence-based Perinatal Care Technologies and Effect on Improving Quality of Obstetric Care in Georgia – Nino Berdzuli
- P924. Complementary Treatment for Candidal Vaginitis: A Comparison Study of Vinegar and Soda Solution Baths in the Treatment of Candida Vaginitis – Mahin Bodaghabadi
- P1136. Relate Study of First Pregnancy Women with CU-IUD on Copper Content of Serum and Uterus Deciduas etc. – Xiangying Gu

# Thursday 8 October

## 08h00 – 09h00 Thursday Sessions

### **Auditorium 1**

#### **The Ovidon Trust Lecture**

Chair: Dorothy Shaw, Vancouver, Canada

Cervical Cancer: From Basic Studies to Papilloma Virus Vaccination - Harald Zur Hausen, Heidelberg, Germany

### **Auditorium 2**

#### **State of the Art Lecture**

Chair: Anthony Koller, Johannesburg, South Africa

Intrapartum Related Cerebral Palsy: Causes and Prevention - Sabaratnam Arulkumaran, London, UK

### **Ballroom East**

#### **Female Sexual Dysfunction (FSD): Key Issues for the Gynaecologist I: How to Address FSD in the Office**

Chair: Alessandra Graziottin, Milan, Italy

1. Neurobiology of Sexual Desire and Desire Disorders: Therapeutic Issues - Andrea Genazzani, Pisa, Italy
2. Arousal Disorders, Clinical Implications for the Physician - Santiago Palacios, Madrid, Spain
3. Orgasmic Disorders: What is Relevant for the Gynaecologist - Anneliese Schwenkhagen, Hamburg, Germany
4. Dyspareunia and Vaginismus: What the Gynaecologist should Not Miss - Alessandra Graziottin, Milan, Italy

### **Ballroom West**

#### **Keynote Lecture**

Chair: Jerker Liljestrand, Phnom Penh, Cambodia

Breast Cancer Control in Developing Countries - Alfredo Barros, Sao Paulo, Brazil

### **Westin Grand Ballroom**

#### **Emergency Obstetric Hysterectomy**

Chair: Michael Turner, Dublin, Ireland

1. Epidemiology and Indications - Michael Turner, Dublin, Ireland
2. Surgical Technique - Suchitra Pandit, Mumbai, India

### **Roof Terrace**

#### **Keynote Lecture**

Chair: Mercedes Ruiz Flores, Santiago, Chile

Cervical Cancer in Pregnancy - Amadeo Aldini, Buenos Aires, Argentina

### **Room 1.4**

#### **Male Infertility I**

Chair: Thinus Kruger, Stellenbosch, South Africa

1. Sperm Morphology and its Impact on Fertilization – What Have We Learned over the Last 20 Years? - Thinus Kruger, Stellenbosch, South Africa
2. Sperm Morphology: Training and Quality Control Programmes are Essential for Clinically Relevant Results - Daniel Franken, Stellenbosch, South Africa

### **Room 1.6**

#### **The Older Mother**

Chair: William Ledger, Sheffield, UK

1. Impact of Aging on Female Fertility - William Ledger, Sheffield, UK
2. Obstetrical Management of the Older Parturient – Maximilian Franz, Vienna, Austria and Peter Husslein, Vienna, Austria

### **Room 2.4**

#### **Robotic Surgery in Gynaecology**

Chair: Angelo Maggioni, Milan, Italy

Co-chair: Samir Farghaly, New York, USA

1. Robotic Surgery in Benign Gynaecology - Liselotte Mettler, Kiel, Germany
2. Robotic Surgery in Gynaecological Oncology - Angelo Maggioni, Milan, Italy

### **Room 2.6**

#### **Keynote Lecture**

Chair: Tony Falconer, Derriford, UK

The Limited Influence of Modern Technology on Perinatal Outcome - Gerard Visser, Utrecht, Netherlands

## **09h00 – 10h30 Thursday Sessions**

### **Auditorium 1**

#### **Stress Incontinence Surgery: Minimally Invasive Slings**

Chair: Steven Schraffordt, Netherlands

Co-chair: Bozo Kralj, Ljubljana, Slovenia

1. Patient Selection for Minimally Invasive Sling Surgery - Peter Sand, Chicago, USA
2. Retropubic or Transobturator Sling? - Steven Schraffordt, Netherlands
3. Dealing with Complications - Michelle Fynes, London, UK

### **Auditorium 2**

#### **International Paediatric Association Lecture**

Chair: Hamid Rushwan, London, UK

Maternal, Newborn and Child Health: The Role of Paediatrics in the Continuum of Care - Chok-wan Chan, Hong Kong, China

### **Ballroom East**

#### **Female Sexual Dysfunction (FSD): Key Issues for the Gynaecologist I: How to Address FSD in the Office continues**

### **Ballroom West**

#### **Breast Cancer Screening**

Chair: Stephanos Zervoudis, Athens, Greece

1. Breast Cancer Mass Screening Guidelines and Results - Serge Rozenberg, Brussels, Belgium
2. Molecular and Genetic Screening in Breast Cancer - Joëlle Desreux, Liege, Belgium
3. Mammographic Density and Breast Cancer - Eva Lundström, Stockholm, Sweden
4. Nipple Discharge Screening and Precancerous Lesions - Stephanos Zervoudis, Athens, Greece

### **Westin Grand Ballroom**

#### **Placenta Praevia Accreta**

Chair: Jose Palacios Jaraquemada, Buenos Aires, Argentina

1. Epidemiology - Jose Palacios Jaraquemada, Buenos Aires, Argentina
2. Current Advances in the Prenatal Diagnosis of Placenta Accreta - Min Chou, Taiwan
3. Conservative Approach with Placenta in situ - Florence Bretelle, Marseille, France

4. Conservative Approach by One-step Surgery and Potential Prevention - Jose Palacios Jaraquemada, Buenos Aires, Argentina

### **Roof Terrace**

#### **Training in Gynaecological Oncology**

Chair: Ian Hammond, Perth, Australia

1. Anatomical Training - Ian Hammond, Perth, Australia
2. Content of Training Programme - Neville Hacker, Randwick, Australia
3. Training in Developing Countries - Efren Domingo, Philippines

### **Room 1.4**

#### **Male Infertility II**

Chair: Daniel Franken, Stellenbosch, South Africa

1. The Place of Sperm Function Tests in Assisted Reproduction - Roelof Menkveld, Cape Town, South Africa
2. DNA Fragmentation and Its Influence on Fertilization and Pregnancy Outcome - Ralf Henkel, Cape Town, South Africa
3. Medical Treatment of Male Infertility - Gerhard Haidl, Bonn, Germany

### **Room 1.6**

#### **Antepartum Fetal Assessment**

Chair: Peter MacDonald, Pretoria, South Africa

1. A Reappraisal of Fetal Movement Counting - Dan Farine, Toronto, Canada
2. Fetal Assessment in the Pre-term Pregnancy - Peter MacDonald, Pretoria, South Africa
3. Fetal Assessment in the Post-term Pregnancy - Colm O'Herlihy, Dublin, Ireland

### **Room 2.4**

#### **Diagnostic and Surgical Hysteroscopy**

Chair: Malcolm Munro, Los Angeles, USA

1. Diagnostic Hysteroscopy in Low Resource Settings - Carlos Salazar, Mexico City, Mexico
2. Training in Hysteroscopic Surgery in Low Resource Centres - Nozer Sheriar, Mumbai, India
3. Surgical Hysteroscopy with Ultrasound Guidance - Kamal Ojha, London, UK

### **Room 2.6**

#### **Assisted Reproductive Technology (ART)**

Chair: Charles Coddington, Rochester, USA

Co-chair: Galal Lotfi, Cairo, Egypt

1. Obstetric Complications Following Successful ART - William Watson, Rochester, USA
2. Onco-fertility: The Realistic Options - Charles Coddington, Rochester, USA
3. Evaluation of the Reproductive Potential of Individual Embryos - Richard Scott, New Jersey, USA
4. Will Sperm Selection for ICSI Improve Pregnancy Outcome? - Thinus Kruger, Stellenbosch, South Africa
5. First Line Fertility Treatment in Women over 40 Years of Age - Neri Laufer, Israel

**10h30 – 11h00 Refreshment Break**

**11h00 – 12h00 Thursday Sessions**

### **Auditorium 1**

#### **UNFPA and FIGO: Advancing Knowledge in Obstetric Fistula: The International Obstetric Fistula Working Group**

Chair: Kate Ramsey, New York, USA

1. Clinical and Quality of Life Outcomes after Fistula Surgery – A Multi-country Study - Rene Genadry, Baltimore, USA

2. Determinants of Post-operative Outcomes in Fistula Repair Surgery – Preliminary Results - Joseph Ruminjo, New York, USA
3. Competency-based Training for Management of Obstetric Fistula - Mulu Muleta, Addis Ababa, Ethiopia
4. Progress in the Campaign to End Fistula – Evaluation Findings - Katherine Gifford, New York, USA

### **Auditorium 2**

#### **Gynuity Health Projects, New York, USA - Misoprostol for Postpartum Haemorrhage: New Evidence-Based Science for Safe Motherhood**

Chair: Beverly Winikoff, New York, USA

1. Misoprostol for Postpartum Hemorrhage: From Research to Reality - Beverly Winikoff, New York, USA
2. Understanding Postpartum Hemorrhage: Its Frequency and Treatment - Jill Durocher, New York, USA
3. Misoprostol for Prevention of Postpartum Hemorrhage: Evidence from an RCT of Homebirths in Northern Pakistan - Nadeem Zuberi, Karachi, Pakistan
4. Treatment of Postpartum Hemorrhage with Sublingual Misoprostol versus Oxytocin: Results from a Randomized, Non-inferiority Trial among Women not Exposed to Oxytocin during Labour - Nguyen Thi Nhu Ngoc, Ho Chi Minh City, Vietnam
5. An RCT of Misoprostol Versus Oxytocin for Treatment of PPH in Women Given Prophylactic Oxytocin - Berna Dilbaz, Ankara, Turkey
6. Putting It All Together: What Does This Mean for Saving Women's Lives - Jennifer Blum, New York, USA

### **Ballroom East**

#### **Female Sexual Dysfunction: Key Issues for the Gynaecologist II: Women's Sexuality: New Facts and Myths about Hormones**

Chair: Alessandra Graziottin, Milan, Italy

1. Desire Disorders, Depression and Hormones: The Missing Link in the Lifespan - Lorraine Dennerstein, Melbourne, Australia
2. Hormonal Contraception, Intimacy and Sexuality: An Update - Johannes Bitzer, Basel, Switzerland
3. Can Androgens Added to Hormonal Contraception Improve Sexuality? - Ellen Laan, Amsterdam, Netherlands
4. Hormones and Women's Sexuality across the Menopause and Beyond - Anneliese Schwenkhagen, Hamburg, Germany

### **Ballroom West**

#### **Gynaecological Endoscopic Surgery**

Chair: Malcolm Munro, Los Angeles, USA

Co-chair: Shyam Desai, India

1. Role of Endoscopic Surgery in Infertility Assessment and Management - Hikmet Hassa, Eskisehir, Turkey
2. New Approaches to Endoscopic Surgery in Gynaecology - Malcolm Munro, Los Angeles, USA

### **Westin Grand Ballroom**

#### **FGM: A Prevailing Harmful Traditional Practice**

Chair: Birgitta Essen, Uppsala, Sweden

1. Introduction - Birgitta Essen, Uppsala, Sweden
2. Global Perspectives: Facts and Trends - Elise Johansen, Geneva, Switzerland
3. FGM and Obstetric Complications: Somaliland Experience - Edna Adan Ismail, Hargeisa, Somaliland
4. FGM and Re-infibulation: Sudan Experience - Lars Almroth, Stockholm, Sweden and Sozan Elmusharaf, Khartoum, Sudan

5. Medicalization of FGM: The Doctors Obligation to Keep Healthy Genital Issue Intact - Johanne Sundby, Oslo, Norway

### **Roof Terrace**

#### **State of the Art Lecture**

Chair: Herbert Peterson, Chapel Hill, USA

The Intrauterine Contraceptive Device in the 21st Century - David Grimes, Chapel Hill, USA

### **Room 1.4**

#### **Society of Obstetricians and Gynaecologists of Canada (SOGC): Capacity Building of Professional Societies**

Chair: Andre Lalonde, Ottawa, Canada

1. SOGC's Framework and Methodology for Building Organisational Capacity - Andre Lalonde, Ottawa, Canada
2. AGOG's Experience in Strengthening Its Organisational Capacity - Hector Menendez, Guatemala
3. AOGU's Experience in Strengthening Its Organisational Capacity - Jolly Beyeza, Kampala, Uganda
4. SHOG's Experience in Strengthening Its Organisational Capacity - Pierre Louis Yves Gérard, Port-au-Prince, Haiti
5. SOGOB's Experience in Strengthening its Organisational Capacity - Jean Lankoandé, Ouagadougou, Burkina Faso

### **Room 1.6**

#### **Keynote Lecture**

Chair: Daniel Surbek, Bern, Switzerland

Clinical Implications of Non-Invasive Prenatal Diagnosis from Maternal Blood - Wolfgang Holzgreve, Basel, Switzerland

### **Room 2.4**

#### **BJOG: An International Journal of Obstetrics and Gynaecology and the International Journal of Gynecology and Obstetrics: How to get your Paper Published**

Chair: Philip Steer, London, UK and Timothy Johnson, Ann Arbor, USA

1. Introduction - Jane Moody, London, UK
2. Understanding the Editorial and Peer Review Process - Emily Jesper, London, UK
3. Understanding the Editorial and Peer Review Process - Clare Addington, London, UK
4. How to Get Your Paper Published - Philip Steer, London, UK
5. How to Get Your Paper Published - Timothy Johnson, Ann Arbor, USA
6. Publisher's Insight - Copyediting, Production Process, Impact Factor and Author Feedback Survey – Martin Sugden, Oxford, UK
7. Publisher's Insight - Copyediting, Production Process, Impact Factor and Author Feedback Survey - Chris Hammond, Amsterdam, Netherlands

### **Room 2.6**

#### **International Federation of Colposcopy and Cervical Pathology: Cervical Cancer Prevention Across Five Continents – Current Successes and Future Challenges**

Chair: Patrick Walker, London, UK

1. Cervical Cancer Prevention: North American Perspective - James Bentley, Halifax, Canada
2. Europe - Christine Bergeron, Paris, France
3. South America - Silvio Tatti, Buenos Aires, Argentina
4. Asia - Neerja Bhatla, New Delhi, India
5. Africa - Lynette Denny, Cape Town, South Africa

Panel Discussion:

Walter Prendiville, Dublin, Ireland

Jeffrey Tan, Melbourne, Australia

## **12h00 – 13h00 Thursday Sessions**

### **Auditorium 1**

**UNFPA and FIGO: Advancing Knowledge in obstetric fistula: The International Obstetric Fistula Working Group** continues

### **Auditorium 2**

**Gynuity Health Projects, New York, USA - Misoprostol for Postpartum Haemorrhage: New Evidence-Based Science for Safe Motherhood** continues

### **Ballroom East**

**Female Sexual Dysfunction: Key Issues for the Gynaecologist II: Women's Sexuality: New Facts and Myths about Hormones** continues

### **Ballroom West**

**Prevention and Management of Complications in Gynaecological Endoscopic Surgery**

Chair: Adam Magos, London, UK

1. Laparoscopic Entry Complications - Artin Ternamian, Toronto, Canada
2. Prevention and Management of Hysteroscopic Complications - Adam Magos, London, UK

### **Westin Grand Ballroom**

**FGM: A Prevailing Harmful Traditional Practice** continues

### **Roof Terrace**

**Knowledge Transfer: Conveying Reproductive Health Risks to the Public in a Responsible Way**

Chair: Robert Reid, Kingston, Canada

1. Lessons from Oral Contraceptive Scares - Angela Mills, London, UK
2. Lessons from the Women's Health Initiative - Serge Rozenberg, Brussels, Belgium
3. Rigour and Responsibility in Knowledge Transfer - Robert Reid, Kingston, Canada

### **Room 1.4**

**Society of Obstetricians and Gynaecologists of Canada (SOGC): Capacity Building of Professional Societies** continues

### **Room 1.6**

**Obstetric Surgery**

Chair: Justus Hofmeyr, East London, South Africa

1. Symphysiotomy: Modern Indications and Technique - Roland Mhlanga, Congella, South Africa
2. Is There Still a Role for Fetal Destructive Operations in Modern Obstetrics? - Suran Ramphal, Durban, South Africa

### **Room 2.4**

**BJOG: An International Journal of Obstetrics and Gynaecology and the International Journal of Gynecology and Obstetrics: How to get your Paper Published** continues

### **Room 2.6**

**International Federation of Colposcopy and Cervical Pathology: Cervical cancer prevention across five continents – current successes and future challenges** continues

## **13h00 – 14h00 Lunch**

## **14h00 – 15h30 Thursday Sessions**

### **Auditorium 1**

#### **'Near-Miss' Audits in Obstetrics**

Chair: Robert Pattinson, Pretoria, South Africa

1. Definition and Criteria for a Maternal 'Near-Miss' - Lale Say, Geneva, Switzerland
2. Value of Near-Miss Audits in a Middle Income Country - José Guilherme Cecatti, Sao Paulo, Brazil
3. The Value of Near-Miss Audits in Poorly Resourced Countries - Veronique Filippi, London, UK
4. Changing Practice Using Near-Miss Audits - Robert Pattinson, Pretoria, South Africa

### **Auditorium 2**

#### **General Assembly (15h00 – 18h30)**

#### **Ballroom East** (from 14h30)

##### **FIGO Working Group on the Prevention of Unsafe Abortion**

Chair: Anibal Faúndes, Campinas, Brazil

1. Working Group Mandate and the Process to Achieve It - Robert Leke, Yaounde, Cameroon
  2. Goals and Activities by the Countries in the Seven Regions - Florence Mirembe, Kampala, Uganda
  3. International Organisation and NGOs. An Example of International Collaboration to Improve Women's Health by Preventing Unsafe Abortion - Shahida Zaidi, Karachi, Pakistan
- Discussion:

Ezzeldin Osman Hassan, Cairo, Egypt

Luis Tavera, Lima, Peru

Marina Padilla de Gil, San Salvador, El Salvador

Stelian Hodorogean, Chisinau, Moldova

#### **Ballroom West** (from 14h30)

##### **Family Health International / Progress and World Health Organization: Task Shifting and Family Planning: New Frontiers for Hormones**

Chair: John Stanback, Durham, USA

1. Task Shifting and Family Planning: Framing the Issue - Iqbal Shah, Geneva, Switzerland
2. Community Based Distribution of Depo Provera: Evidence Base, Africa Programme Experience and Future Directions - Angela Akol, Kampala, Uganda
3. Implants: Expanded Opportunities with Sino-Implant - Marsden Solomon, Nairobi, Kenya

#### **Westin Grand Ballroom** (from 14h30)

##### **Obstetrical Skills and Team Training**

Chair: Tim Draycott, Bristol, UK

1. Effective Training for Obstetric Emergencies - Tim Draycott, Bristol, UK
2. The Characteristics of Effective Teams - Dimitrios Siassakos, Bristol, UK
3. Practical Advice to Organise Local Training - Cathy Winter, Bristol, UK

### **Roof Terrace**

#### **Gestational Trophoblastic Disease (GTN)**

Chair: Sinan Ozalp, Eskisehir, Turkey

Co-chair: PK Sekharan, India

1. Staging and Classification of GTN - Vilmos Fülöp, Budapest, Hungary
2. Management of Low Risk GTN - Sinan Ozalp, Eskisehir, Turkey
3. Management of High Risk Recurrent GTN - Yang Xiang, Beijing, China

### **Room 1.41**

#### **Free Communication Session (FC124) – Oral Presentations**

##### Maternal Mortality and Morbidity

Chair: Khaled Soliman

1. Childbirth in Rural Nepal: Influence of Mothers-in-law and Patriarchy - Kiran Regmi
2. Do We Really Need to Arrange Blood for All Patients Undergoing C-section? - Lubna Riaz Dar
3. Stratified Maternal and Perinatal Care Network – A Successful Program in Brazil - Twelve Years Follow-up: 1995-2006 – Cibele Rudge
4. Implementation of Health Systems in Reducing Maternal Mortality - Mohamed Salman
5. Rise in Maternal Mortality in the Netherlands - Joke Schutte
6. An Assessment Study of Maternal Morbidity and Mortality Statistics Based on Five-year Community Based Data from Lady Health Workers in Ten Rural Districts of Pakistan - Ghulam Shabbir
7. Parietal Peritoneal Closure and Postcaesarean Pain - Ahmed Y. Shahin
8. Quality of Maternal Health System in Eritrea - Mona Sharan
9. Ruptured Renal Artery Aneurysm during Pregnancy - A Clinical Dilemma - Khaled Soliman

### **Room 1.42**

#### **Free Communication Session (FC125) – Oral Presentations**

##### Infertility

Chair: Antonio Mancini

1. Relative Frequency of Depression in Infertile Women, Rasht, Iran - Roya Faraji
2. Two Years Experience of Intrauterine Insemination for the Treatment of Infertility - Mariam Faruqi
3. The Billings Ovulation Method as a Useful Tool in Diagnostic Evaluation of Endocrine and Cervical Pathologies Affecting Fertility – Antonio Mancini
4. Three-dimensional Hysterosalpingo - Contrast Sonography (3D-Hycosy) in Assessing Infertile Women - Mihaela Grigore
5. Use of Fertility Drugs and Risk of Uterine Cancer: Results from a Large Danish Population-based Cohort Study - Allan Jensen
6. The Prevalence of IgG Antibody to Chlamydia in Subfertile Women Presenting at the University of Port Harcourt Teaching Hospital - Ola Okike
7. Primary Care Work Up of Subfertility - Suma Devi Kodiathodi
8. Rare Cases of Sex Development Disorders (SDD) in Patients with Female Phenotype - Jenara Kristesashvili
9. Female Genital Tract Tuberculosis: Hysterosalpingographic Appearances – Fatemeh Zafarani

### **Room 1.43**

#### **Free Communication Session (FC126) - Oral Presentations**

##### Assisted Reproduction

Chair: Farouk Mahmoud

1. Usefulness of G-CSF in the Treatment of Luteinized Unruptured Follicle (LUF) - Hideki Tomizawa
2. Proportion of Azoospermia in Infertile Couples - Ikram Samina
3. The Success Rate of Fertility Treatment in Couples Attending the Infertility Clinic at Inkosi Albert Luthuli Central Hospital (Ialch), Durban. Is There a Need for Assisted Reproductive Technology? - J V Jogessar
4. The Survey of Anti Chlamydia Antibody in Infertile Women Undergoing Diagnostic Laparoscopy in Afzalipour Medical Centre, Kerman- Iran – Zahra Kamyabi
5. Outcome of Twin Pregnancies Conceived after Assisted Reproductive Techniques - Manila Kaushal
6. Islamic Perspectives of Assisted Reproductive Technologies (ART): Implications of Divergences in Shari'a Interpretation – Farouk Mahmoud
7. Effect of Consanguinity on Intracytoplasmic Sperm Injection (ICSI) Outcome - Aziza Mansour

8. The Role of Stimulated Intrauterine Insemination (SIUI) as First Line Management in Selected Cases of Sub Fertile Population – Lamiya Mohiyiddeen

#### **Room 1.44**

Free Communication Session (FC127) - Oral Presentations

##### Gynae-Oncology

Chair: Anthony Koller

1. Does Neoadjuvant Chemotherapy Increase Optimal Cytoreduction Rate in Advanced Ovarian Cancer? Meta-Analysis of 21 Studies - Sokbom Kang
2. A No-cost Breast Cancer Screening Program Promotes Cervical Cancer Screening Services to an Underserved Population of Women - Dineo Khabele
3. Giant Broad Ligament Leiomyoma Weighing 3.7kg. A Case Report - Joseph Kigbu
4. The Comparison of Prognoses and Clinicopathologic Characteristics of FIGO Stage IB-IIA Squamous Cell Carcinoma, Adenosquamous Carcinoma and Adenocarcinoma of the Uterine Cervix - Kim Jong-Hyeok
5. Adjuvant Concurrent Chemoradiotherapy-induced Neutropenia as a Prognostic Indicator of Treatment in Cervical Cancer - Yun Hwan Kim
6. Gestational Age-specific Reference Intervals for Ca 125 During Uncomplicated Pregnancy, Delivery and Early Postpartum Period - Anna Klajnbard
7. Extra-mammary Paget's Disease of the Vulva - An Analysis of the Presentation, Diagnosis and Management of 6 Patients - Anthony Koller
8. A Descriptive Study of Carcinoma Cervix - Revolutionary Therapeutic Approach Needed - Ramavath Krishna Kavita

#### **Room 1.61**

Free Communication Session (FC128) – Oral Presentations

##### Labour & Delivery

Chair: Helena Lindgren

1. The Effect of Increased Body Mass Index and Excessive Weight Gain on Success of Vaginal Birth after Caesarean Delivery - Gabor Juhasz
2. Evaluation of the Effect of Extra-amniotic Normal Saline Infusion (EASI) Alone or in Combination with Dexamethasone for the Induction of Labour - Maryam Kashanian
3. Breech Presentation after Caesarean Section: Is Vaginal Delivery a Safe Alternative? - Anish Keepanasseril
4. Nice Guidelines and Active Management of the Third Stage of Labour: Are Research Results Reproducible in Practice? - Bryn Kemp
5. Shared Learning from Multidisciplinary Review of Emergency Caesarean Sections - Khanam Mulbagal Khashia
6. Effect of Water Birth on Labour Pain during Active Phase of Labour - Kiandokht Kiani
7. Potentially Avoidable Causes of Perinatal Mortality at Muhimbili National Hospital, Dar Es Salaam, Tanzania: A Qualitative Perinatal Audit - Hussein Kidanto
8. Outcome of Planned Home Births Compared with Hospital Births in Sweden between 1992 and 2004 - A Population-based Register Study - Helena Lindgren

#### **Room 1.62**

Free Communication Session (FC129) - Oral Presentations

##### Gynae-Oncology

Chair: Esther Velasco Sánchez

1. Preliminary Findings of a Phase II Trial Studying the Efficacy of Sunitinib as Anti-effusion Agent in Patients with Malignant Effusions - Xuan Bich Trinh
2. Recurrent Endometrial Carcinoma – Esther Velasco Sánchez
3. Gynaecologic Cancer, Thrombophilia and Thrombosis - Alexander Vorobev
4. Clinical Factors Affecting the Diagnostic Accuracy of Assessing Dilution and Curettage versus Frozen Section Specimens for Histologic Grade and Depth of Myometrial Invasion in Endometrial Carcinoma – Xipeng Wang
5. Thrombin Accelerate Invasion of Epithelial Ovarian Cancer along Peritoneum via Educating Monocyte Differentiation toward Tumor Associated Macrophage Like Cells - Ting Zhang

6. The Role of Interaction of Coagulation Factor XII-Monocyte/Macrophages Mediating Peritoneal Metastasis in Epithelial Ovarian Cancer – Ruili Wang
7. Genomic Amplification of the Human Telomerase Gene in the Screening of Cervical Lesions - Li-Hui Wei
8. IR/IGF-1R Hybrid Receptor Mediates the IGF-1, IGF-2 and Insulin Function of Activating the MAPK Signaling Pathway in Endometrial Carcinoma Cells - Lihui Wei
9. Introduction of Human Papilloma Virus Vaccine in a Low Resource Setting: A Survey of the Views of Nigerian Gynaecologists - Imran Oludare Morhason-Bello

### **Room 1.63**

#### **Free Communication Session (FC130) – Oral Presentations**

##### Maternal Mortality and Morbidity

Chair: Suellen Miller

1. Non-Pneumatic Anti-Shock Garment (NASG) Reduces Extreme Adverse Outcomes from Obstetric Hemorrhage and Shock in Egyptian Hospitals - Suellen Miller
2. Non-Atonic Obstetric Hemorrhage: Will the Non-Pneumatic Anti-Shock Garment (NASG) Help? - Mohamed Fathalla
3. Non-Pneumatic Anti-Shock Garment (NASG) Reduces Maternal Mortality in Four Facilities in Nigeria - Oladosu Ojengbede
4. The Non-Pneumatic Anti-Shock Garment (NASG) for Managing Uterine Atony and Hypovolemic Shock: Four Nigerian Hospitals - IO Morhason-Bello
5. A Randomized Cluster Trial of the NASG for the Treatment of Obstetric Hemorrhage and Hypovolemic Shock: Interim Analysis of Patient Outcomes in a Referral Hospital, Lusaka Zambia - Gricelia Mkumba
6. Unsafe Abortion in the East Central South African (ECSA) Region – FIGO Initiative - Florence Mirembe
7. Maternal Mortality Community-based Survey in Kassala State, Eastern Sudan - Abdalla Ali Mohammed
8. Postpartum Haemorrhage, Hospital Experience in High Maternal Mortality Zone in Sudan - Abdalla Ali Mohammed
9. Pregnancy-induced Liver Diseases - Magdy Momen

### **Room 1.64**

#### **Free Communication Session (FC131) - Oral Presentations**

##### Infertility

Chair: Hakan Lindstrom

1. Diagnosis of Genital Tuberculosis in Infertile Women and the Effect of Anti-Tubercular Therapy on Fertility Outcome – AIIMS Experience - Vidushi Kulshrestha
2. Laparoscopic Ovarian Drilling as a Treatment Option for Patients with PCOS - Ibrahim Larbah
3. Combination of Hysteroscopy and Laparoscopy in Treatment 167 Cases of Salpingian Infertility - Changdong Li
4. Fast Track Investigation of Infertility – 4 Years Follow-up - Hakan Lindstrom
5. Infertility Services: Low Level of Priority in the Public Health Sector in Brazil - María Y. Makuch
6. Urinary FSH versus Recombinant FSH Used for Ovulation Induction in Women with Clomifene Citrate Resistant PCOS - Enriketa Kroi
7. Role of Letrozole in IVF - Konkon Mitra
8. Familial Associations between Polycystic Ovarian Syndrome and Common Diseases - Ashraf Moini

### **Room 2.41**

#### **Free Communication Session (FC132) - Oral Presentations**

##### Early Pregnancy Complications

Chair: J Bagratee

1. Does the Volume of Retained Products of Conception and Hormonal Parameters Influence the Success of Conservative Methods of Management of First Trimester Miscarriage? - J Bagratee
2. Increased Expression of Toll-Like Receptor 3 on Decidual Natural Killer Cells in Patients with Unexplained Recurrent Spontaneous Abortion - Shihua Bao
3. Effect of an Initial Ectopic Gestation on the Subsequent Continuing Intrauterine Pregnancy - Sohinee Bhattacharya
4. Medical Treatment of Tubal Ectopic Pregnancy – How Far can We Go with Methotrexate's Use? - Miguel Brito
5. Placental C4d as an Indicator of Antiphospholipid Antibody Mediated Fetal Loss - Danielle Cohen
6. Model for Predicting Pregnancy Demise in Women with Threatened Miscarriage in the First Trimester of Pregnancy - Edmond Edi-Osagie
7. The Role of Cytokines (IL6 And IL8) in the Pathogenesis of Spontaneous Abortions - Georgios Galazios
8. Comparison of Oral and Vaginal Misoprostol for Cervical Ripening Before Evacuation of First Trimester Missed Miscarriage - Maysoon Jabir
9. Recurrent Abortions – Systematic Diagnostics and Evidence-based Therapies can Reduce the Risk of Further Abortions - Markus Nitzschke

### **Room 2.42**

#### **Free Communication Session (FC133) - Oral Presentations**

##### *Infections in Obstetrics Gynaecology*

Chair: Tino Schwarz

1. HPV-16/18 AS04-Adjuvanted Cervical Cancer Vaccine: Correlation between Serum and Mucosal Anti-HPV-16 and Anti-HPV-18 Antibody Levels – Tino Schwarz
2. Torch Test - Is It Mandatory for All Antenatal Patients? – Sabuj Sengupta
3. Abdomino-Peritoneal Tuberculosis Masquerading as Ovarian Cancer: A Retrospective Study of 26 Cases – Jai Sharma
4. Effects of Malaria on Pregnancy in Rwanda (2002-2007) - Study on Pregnancy Outcomes – Stephen Rulisa
5. Toxoplasmosis and Pregnancy: Study of Vertical Transmission Rate and Factors Associated with Fetal and Neonatal Infection – Hélio Henrique Jorge Torres
6. Visceral Leishmaniasis and Pregnancy: A Retrospective Study of Cases Reported in Brazil - Plínio Turine-Neto
7. Comparison of a Single Prophylactic Dose of Ampicillin and Metronidazole Before Caesarean Section with a Multiple Day Regimen of These Antibiotics in Prevention of Postpartum Maternal Infection in a Low Resource Setting; A Randomised Controlled Trial - C.L. Van Velzen
8. Surgical Complication in Women with Genital Kochs – Mohanraj Pushparaj

### **Room 2.43**

#### **Free Communication Session (FC134) - Oral Presentations**

##### *Medical and Surgical Complications of Pregnancy*

Chair: Ronald Rosenberg

1. Maternal Morbidity in Pregnant Women with Sickle Cell Disease - Karine Tosta
2. Acute Splenic Sequestration in Pregnant Woman with Homozygous Sickle Cell Disease - Ana Maria Kondo Igai
3. Women with Major Depression Treated with the Snri Duloxetine Prior to Conception Through Entire Pregnancy - Ronald Rosenberg
4. Case Presentation: 'Postpartum Abdominal Pain - Don't Forget The Appendix!' – Catherine Mammen
5. Pregnancy Outcome in Kidney Transplant Patient - Fakhrolmolouk Yassae
6. The Diagnosis of Appendicitis during Pregnancy and Perinatal Outcome in Late Pregnancy - Yan Zhang

### **Room 2.44**

#### Free Communication Session (FC135) - Oral Presentations

##### Molecular Biology

Chair: Samir Farghaly

1. HPV Genotype Distribution in Adenocarcinomas of the Cervix Uteri from 36 Countries - Silvia De Sanjose
2. The Investigation of Specific Immunohistochemical Markers to Distinguish Basal-like Invasive Breast Carcinoma - Luiz Zeferino
3. Observation on Exosomal MicroRNA's as an Ovarian Epithelial Cancer Inactivation Agents and Biomarkers - Samir Farghaly
4. Folate Supplementation in Pregnancy Can Affect Gene Specific DNA Methylation – Khaled Ismail
5. Transcription Factor: A New Novel Biomarker to Triage Equivocal and Low Grade Abnormal Cytology - Ashfaq Khan
6. Aqp3-Null Mice - Oligohydramnios and FGR Model - Zhengfang Xiong
7. Tricostatin A, A Histone Deacetylase Inhibitor, Reduces Inflammation and Improves Thermal Hypersensitivity in Experimentally Induced Endometriosis in Mice - Yuan Lu
8. Role of Messenger RNA PCR in the Diagnosis of Genital Tuberculosis in Infertile Women - Deepa Maheswari
9. Intrauterine Hyperglycemia and Leptin Resistance of Offsprings - Huixia Yang

### **Room 2.62**

#### Free Communication Session (FC139) – Oral Presentations

##### Termination Of Pregnancy

Chair: Marieke Van Dijk

1. Mifepristone and Misoprostol versus Misoprostol Alone for Mid-trimester Termination of Pregnancy (14–21 Weeks LMP): A Randomized-controlled Double-blinded Trial - Nguyen Thi Nhu Ngoc
2. Two-pill Regimens of Misoprostol after Mifepristone Medical Abortion through 63 Days' LMP: A Randomized Controlled Trial of Buccal and Sublingual Misoprostol - Rodica Comendant
3. The Perception of the Legal, Moral and Religious Status of Induced Abortion among Individuals Accessing Abortion Services in Ghana - Emmanuel Srofenyoh
4. Barriers Facing Adolescents Accessing Legal Abortion Services in Mexico City - Carrie Tatum
5. The Experiences of Women Accessing Legal Abortion in Mexico City - Marieke Van Dijk

### **Room 2.63**

#### Free Communication Session (FC140) – Oral Presentations

##### High-Risk Pregnancy

Chair: Piotr Węgrzyn

1. Domestic Violence during Pregnancy: A Survey in Iran - Behnaz Torkan
2. Managing Restricted Babies – Neonatal and Infant Outcome - Does a Very Preterm Restricted Baby Stand a Chance? - Stefania Tudorache
3. Maternal and Perinatal Outcome of Pregnancies Complicating Severe Renal Impairment: A Study of 38 Pregnancies - Jacob Unuigbo
4. Fetomaternal Outcome of Pregnancy with Cardiac Disease - Tayyiba Wasim
5. Premature Labour after Fetal Endoscopic Tracheal Occlusion for Congenital Diaphragmatic Hernia – Management Problems - Piotr Węgrzyn
6. Bile Acid Transporters Expression Profile in Human Placenta with Intrahepatic Cholestasis of Pregnancy - Aiyun Xing
7. Perinatal Outcomes of 18 Pregnant Women with Pulmonary Hypertension - Ronghua Ye
8. Peculiarities of Duration and Management of the Postpartum Period of Women with Uterine Leiomyomas (UL) - Irina Zhabchenko

## **Room 2.65**

### **Free Communication Session (FC142) – Oral Presentations**

#### **Women's Health Issues in Developing Countries**

Chair: Johanne Sundby

1. Medical Volunteers Delivering Healthcare to the Underserved Women of the World through Medical Mission International - Michael Tesoro
2. An Evaluation of the Expectations and Experiences of Women Having the Routine Midtrimester Ultrasound Examination for Fetal Abnormalities - Malika Patel
3. Adolescent Pregnancy in Upper Egypt: Incentives and Implications - Salah Rasheed
4. A Global Women's Health Care Model Based in Resident Education and Training - Taraneh Shirazian
5. Capacity Building in Maternal Health Research in an African Country - 15 Years of Experience - Johanne Sundby
6. Efficacy and Safety of Parenteral Iron with Total Dose Infusion (TDI) of Low Molecular Weight (LMW) Iron Dextran versus Divided Doses of Intravenous Iron Sucrose in Iron Deficiency Anemia (IDA) during Pregnancy – Nabia Tariq
7. Increasing Access to Safe Abortion through the Introduction of Medical Abortion in Ghana: Results from a Clinical Study Offering Medical Abortion to Women in Ghana - Joseph Taylor
8. Can Visual Inspection of Cervix after Application of Acetic Acid (VIA) Replace Cytology as a Single Screening Test for Cervical Cancer in Developing Countries - Mohini Vachhani

## **15h30 – 16h00 Refreshment Break**

## **16h00 – 17h30 Thursday Sessions**

### **Auditorium 1**

#### **Gestational Diabetes**

Chair: Gian Carlo Di Renzo, Perugia, Italy

1. Hyperglycaemia and Perinatal Outcome - Sergio Fajardo-Duenas, Mexico City, Mexico
2. A Multidisciplinary Approach to Management - Gian Carlo Di Renzo, Perugia, Italy
3. The Mother: The Future Risk of Diabetes - Terence Lao, Hong Kong, China

### **Auditorium 2**

**General Assembly** continues (until 18h30)

### **Westin Grand Ballroom**

#### **Termination of Pregnancy**

Chair: Paul Blumenthal, Stanford, USA

1. First Trimester Medical Abortion - PC Ho, Hong Kong, China
2. Second Trimester Medical Abortion - Allan Templeton, Aberdeen, UK
3. Surgical Termination of Pregnancy - Paul Blumenthal, Stanford, USA

### **Room 1.41**

#### **Free Communication Session (FC144) - Oral Presentations**

##### **Infertility**

Chair: Markus Nitzschke

1. The Value of Hysterosalpingoscintigraphy in Evaluating Fallopian Tube Patency - Agnieszka Nalewczynska
2. AMH and Inhibin B to Determine Ovarian Toxicity of Chemotherapies and Efficiency of GnRH-A in Cancer Patients - Markus Nitzschke
3. The Role of Office Hysteroscopy in Assessment of Infertile Women after Recurrent Failure of ICST Trials - Neveen Nour Eldine

4. Etiology and Outcome of Treatment in 190 Infertile Nigerian Couples - Rosemary Ogu
5. Attitude of Infertile Women to Child Adoption in Nigeria - Adesina Oladokun
6. Sexual Satisfaction and Associated Factors of Infertile Couples - Minoo Pakgohar
7. Diagnostic Value of Endometrial TBC PCR in Detection of Genital Tuberculosis in Infertile Women - Shobhana Patted
8. Can PCR Help in the Early Diagnosis of Genital Tuberculosis? - Radha Bai Prabhu

### **Room 1.43**

Free Communication Session (FC146) - Oral Presentations

#### Assisted Reproduction

Chair: Nasir Umar

1. Consequences of Oocyte Dysmorphism on the Fertilization Rate and Embryo Development after Intracytoplasmic Sperm Injection (ICSI) - Mounir Ajina
2. Barriers to Acceptance of Assisted Reproductive Techniques (ART) in Northern Nigeria. A Single Centre Experience - Nasir Umar
3. Flare-up GnRH Agonist versus GnRH Antagonist Protocol in Poor Responders Undergoing IVF/ICSI: A Randomized Controlled Trial in Vietnam - Nguyen Viet Tien
4. The Efficacy of Low Dose of GnRH Agonist Depot in Combination with Recombinant FSH for Ovarian Stimulation of In Vitro Fertilization: A Prospective Study in Vietnam - Nguyen Xuan Hoi
5. Perception and Attitude of Doctors towards Assisted Reproduction - Gbolahan Obajimi
6. Patients' Preference for Number of Embryos Transferred during IVF/ICSI – A Nigerian Experience - Jude Okohue
7. Impact of Life Style Modification in Obese Polycystic Ovary Syndrome - Monu Pattanayak
8. Pregnancy Outcomes in Two Groups of PCOS Comparing Ovulation Induction with Clomiphene Citrate vs. Letrozole - Pranay Phukan
9. Oxidative Stress in Varicocele Patients: Evaluation of Fast and Slow Components of Total Antioxidant Capacity in Seminal Plasma - Antonio Mancini

### **Room 1.44**

Free Communication Session (FC147) - Oral Presentations

#### Gynae-Oncology

Chair: Yongil Kwon

1. Differentiated Metabolomic Signatures in Urine of Patients with HPV-positive Cervical Dysplasia - Yongil Kwon
2. The Study on Gene Differential Expression in Ovarian Cancer Taxol-resistant Cells of SKOV3/TAX – Hongxia Li
3. Screening Ovarian Cancer Serum Differential Expressing Proteins by Proteomic Techniques – Hongxia Li
4. The Clinical Significance of the Change of Tumor Markers Profiling after Chemotherapy in 48 Patients with Epithelial Ovarian Carcinoma - Xiaoping Li
5. Effects of Ovarian Carcinoma Cells on the Mature and Function of Human Dendritic Cells - Changdong Li
6. Risk Factors for Vaginal Intraepithelial Neoplasia in China - Hua Li
7. Ovarian Malignancies Incidentally Diagnosed during Caesarean Section: Analysis of 13 Cases – Xiao Li
8. Analysis of ABCG2 Expression on Human Epithelial Ovarian Cancer and Its Functional Significance in Tumour Initiating Process – Wang Lin
9. The Data Analysis about 18 Cases of the Pregnancy with Cervical Epithelial Neoplasia - Zhe Liu

### **Room 1.61**

Free Communication Session (FC148) - Oral Presentations

#### Labour & Delivery

Chair: Ratna Deepika Meneni

1. The Obstetric Palm Delivery - A New Method for Assisted Vaginal Delivery - Huishu Liu

2. Vaginal Misoprostol versus Oxytocin Infusion for Labour Induction in Great Grand Multipara. A Randomized Controlled Trial - Samia Tabassum Lughmani
3. Very Early Mobilisation (3 Hours After C.S.) Prevents Complications of Post Operative Caesarian Section - Jariwala Mahesh
4. Sublingual Misoprostol versus Prostaglandin E2 for Induction of Labour - A Retrospective Study - Madhavi Manoharan
5. Induction of Labour with Single Dose of Vaginal Misoprostol (50 microgm) in Women with Prelabour Rupture of Membranes at Term and Bishop's Score <5 - Sujjana Manuel
6. Caesarean Section Rate – Are We Doing Enough to Reduce It? - Ratna Deepika Meneni
7. High Incision of the Lower Uterine Segment to Prevent Unintended Extensions during Caesarean Delivery - Ashraf Nabhan
8. Effect of Amnioinfusion in Meconium Stained Liquor in Term Pregnancy - Azra Naseem
9. Preventable Postpartum Hysterectomy – A Weekend Procedure? – Serban Nastasia

### **Room 1.62**

#### **Free Communication Session (FC149) - Oral Presentations**

##### *Gynae-Oncology*

Chair: Hong Zheng

1. Radical Abdominal Trachelectomy for Cervical Malignancies: Our Experience with 33 Chinese Patients – Jin Li
2. The Clinical Study of the Relationships between Parametrial Infiltration, Lymph-vascular Space Invasion and Prognosis of Cervical Cancer - Ming Rong Xi
3. Analysis of Clinic Staging and Lymph-nodes Metastasis in 508 Patients of Cervical Cancer - Hong Jing Wang
4. Study of Curcumin Combined with Cisplatin on the Sensitization of Chemotherapy in Human Cervical Cancer Cell Line Siha and Its Influences on the Expression of Anti-apoptotic Proteins Bcl-2 Bcl-XL – Hu Lina
5. Angiogenesis, Vasculogenesis and Vasculogenic Mimicry in Ovarian Cancer - Yao Liang Qing
6. The Study of 147 Cases of Cervical Cytology as Atypical Squamous Cell, which cannot Exclude High Grade Squamous Intraepithelial Lesion - Ke You
7. Impact of Hysteroscopy on Endometrial Cancer Cells Dissemination and on the Survival of Endometrial Cancer Patients - Hua Duan
8. Study of the Inhibiting Growth of the Mifepristone on the Xenografted Implants of Endometrial Carcinoma on the Nude Mice - Qiushi Zhang
9. Peri-operative Analysis of Primary Debulking Surgery versus Interval Debulking Surgery Following Neoadjuvant Chemotherapy in Advanced Ovarian Cancer - Hong Zheng

### **Room 1.63**

#### **Free Communication Session (FC150) – Oral Presentations**

##### *Maternal Mortality and Morbidity*

Chair: Stephen Munjanja

1. Uterine Rupture: A Major Contributor to Obstetric Morbidity in Kano, Northern Nigeria - Osondu Agu
2. The Maternal Mortality Ratio of Zimbabwe in 2007 - Stephen Munjanja
3. Assessing Availability of Comprehensive Emergency Obstetric Care in Zimbabwe - Velda Mushangwe
4. The Obstetric Outcomes of Chinese Immigrants Residing in the United Kingdom: A Case Control Study - Joan Melendez
5. Determining Cost-effectiveness of Different Strategies for Post-Partum Hemorrhage (PPH) Prevention - Juno Obedin-Maliver
6. A Review of Maternal Mortality at the Jos University Teaching Hospital, North-Central Nigeria: January 2002 - December 2008 - Amaka Ocheke
7. Blood Transfusion Rates - A True Reflection of the Management of Post-Partum Haemorrhage and Anaemia - Obafemi Ogunlewe
8. Killing the Killer: Eliminating Mortality from PPH – A Real-life SWAT-based Approach from Lublin Province in Poland - Jan Oleszczuk

9. Pattern and Outcome of Induced Illegal Abortion in Abakaliki South East of Nigeria - Robinson Onoh

### **Room 1.64**

Free Communication Session (FC151) – Oral Presentations

#### Maternal Mortality and Morbidity

Chair: Suruchi Pandey

1. The Effect of Antenatal Care on Maternal Mortality in Port Harcourt, Nigeria - Ngozi Orazulike
2. Shortcomings in the Management of Massive Obstetric Haemorrhage - Suruchi Pandey
3. The Use of the Alarm International Program as an Educational Tool in the Kosovar FIGO Project - Ferdinand Pauls
4. An Observational Study on Management of Placenta Accreta/Percreta - Ramasubramanian Pericholli
5. Emergency Obstetric Hysterectomy: Experience in a Tertiary Care Teaching Hospital, Eastern Nepal - Hanoon Pokharel
6. Maternal Near-Miss Morbidity in La Paz, Bolivia: Frequencies and the Importance of Antenatal Care - Mattias Rööst
7. Pulmonary Edema Complicating Pregnancy - Simin Taghavi
8. Feracrylum as a Hemostatic Agent in Obstetric Procedures - Sreekrishna Rao Patri
9. Childbirth Practices in Nepal: A Review of Models for Reducing Adverse Outcomes - Kiran Regmi

### **Room 2.41**

Free Communication Session (FC152) - Oral Presentations

#### Early Pregnancy Complications

Chair: Jantien Visser

1. Using Patterns of Changes in HCG Levels to Predict the Diagnosis of Ectopic/Pregnancy of Unknown Location (PUL) Pregnancies - Sajitha Parveen
2. Grieving after a Miscarriage: Does the Type of Miscarriage Determine the Way a Woman Grieves after a Miscarriage? – Purandare Nikhil
3. Human Cd4+Cd25+ Regulatory T Cells Inhibit Nk Cell Activity in Peripheral Blood and Deciduas in Women with Unexplained Recurrent Spontaneous Abortion - Lihua Qiu
4. Immediate Emotional Response as a Predictor of Subsequent Psychological Problems Following Early Pregnancy Loss - Ruth Roberts
5. Changing Trends in the Management of Ectopic Pregnancies – A Six Year Review at a DGH in UK - Velur Sindhu
6. Observation of Intercultural Differences in Immediate Emotional Response to Early Pregnancy Loss – Louise Speers
7. An Exploration of Perceptions and Attitudes Influencing Decision Making on Health Care Seeking and Acceptability of Treatment for Incomplete Abortion in a Low-resource Rural Setting - Regine Unkels
8. A Randomised Controlled Multicenter Study: The Effect of Enoxaparin and/or Aspirin on Prevention of Recurrent Miscarriage in Women with or without Thrombophilia, Habenox-Study - Jantien Visser

## Thursday Posters

### **Reproductive Medicine**

P925. Hysterectomy at a Referral Hospital in South Africa: Indications, Complications and Histopathology – Jennifer Butt

P926. Modelling the Impact of Different Vaccine Profiles on the Cost-effectiveness of HPV Vaccination in the Chilean Setting – Nadia Demarteau

- P927. Clinical Trials in Obstetrics and Gynaecology – Monali Desai
- P928. Out Patient Management of Patients in a Department of Gynaecology and Obstetrics in the Center of Maternity and Neonatology of Tunis, Tunisia – Faouzia Zouri
- P929. The Impact of Body Mass Index on Metabolic and Reproductive Parameters in Women with Polycystic Ovary Syndrome – Sascha Edelstein
- P930. Insulin Resistance, Insulin-like Growth Factor-1 and Insulin-like Growth Factor - Binding Protein-1 in Obese Females Having Acanthosis Nigrans with or without Polycystic Ovarian Syndrome before and after Metformin Treatment – Maha El-Gayyar
- P931. Peripheral Oxygen Desaturation May Be an Early Predictor of Fluid Overload during Operative Hysteroscopy – Munire Erman Akar
- P932. Prevalence of Weight Gain in the Gynecologic Endocrinopathies - Helena Proni Fonseca
- P933. Diagnosis of Breast Tumors by Examination of Freezing Specimens Obtained by Percutaneous Biopsy - Tereza Maria Pereira Fontes
- P934. Breast Involvement in Rosai-Dorfman Disease: Related Case - Tereza Maria Pereira Fontes
- P935. Study of Prevalence of Intra-operative Adhesions and Its Association with Risk Factors – Ketan Gajjar
- P936. Laparoscopy Aided Ultra-mini Laparotomy in Young Unmarried Girls for Ovarian Cysts – Gursarup Gautam
- P937. Assessment of the Correlation between Asymmetric Dimethylarginine (Adma) Levels and Uteroplacental Circulation in Pregnancy Complicated by Pregestational Diabetes - Preliminary Study – Katarzyna Grewling-Szmit
- P938. Toxicity Effect of Vincristine – Treatment on Mice Testis Tissue – Sajjad Hejazi
- P939. Self-directed Learning in a Course of Gynaecology and Obstetrics at the University of Guanajuato, Campus Leon, Division Of Medicine And Nutrition, Mexico – Esaul Hernandez Arvizu
- P940. Uterine Artery Embolisation in Ectopic Pregnancy - Our Experience – Irina Horhoianu
- P941. "Breast Cancer" – Gynaecologist's Perspective – Hymavathi Kaliki
- P942. Incident of Abdominal Hysterectomies for Uterine Fibromatosis According to Group Etario in a Private Center of a Rural Country of the Carabobo State, from January 2006 until December 2007, Venezuela – Janet Pagnozz
- P943. Reasons of Formula Milk Consumption in Infants in Fars Province, Southern Iran – Rokhsana Janghorban
- P944. A Comparison of the Effect of Cuminum Cyminum vs. Mefenamic Acid on Afterpains in Multiparous at 17 Shahrivar Hospital in Mashad, 2006-2007 - Maryam Khadem
- P945. Long Term Use of the Levonorgestrel Intrauterine System (LNG-IUS) in Abnormal Uterine Bleeding (AUB): Five Years Experience – Alka Kriplani
- P946. Organ-saving Non-invasive Treatment of Uterine Myoma: Mrgfus – Kurashvili Yulia
- P947. Cornual Pregnancy – Successful Management of a Rare Case – Mariam Mathew
- P948. A Case Report of Heparin-induced Thrombocytopenia and Thrombosis Syndrome (Hitts) Post Uterine Fibroid Embolisation at University College Hospital Galway, Ireland, December 2008 - Sieglinde Mullers
- P949. Relationship between Delivery and Dysmenorrhea - Fatemeh Nahidi
- P950. Conservative Management of Cervical Ectopic Pregnancy - Thinagrin Dhasarathun Naidoo
- P951. Colposcope: Will It Be a Useful Tool in Post Hysterectomy Follow Up? – Rajendrasing Pardeshi
- P952. Comparative Study of Maternal and Perinatal Outcome of Vaginal Deliveries versus Caesarean Sections in Primi Breech Patients in a Peripheral Hospital – Kishore Rajurkar
- P953. Fallopian Tube Torsion: A Case Series. The Role of Paratubal Cysts – Aruna Rangasamy
- P954. Development of Internal Female Genitals during the First 22 Weeks of Gestation – Donato Saldívar Rodriguez
- P955. A Study of Patients with Menorrhagia to Establish the Effectiveness of Treatment with Endometrial Ablation and to also Ascertain Patient Satisfaction of the Treatment – Kerri Sallis
- P956. Paracetamol over Dosage in Third Trimester of Pregnancy; A Clinician's Challenge Towards Managing It – Abhijeet Shah

- P957. Perinatal Death Assessment through the Confidential Enquiries in Republic of Moldova – Petru Stratulat
- P958. Effect of Breast Feeding on Pain Relieving during Immunization Injection – Simin Taavoni
- P959. An Analysis of Gait in the Third Trimester of Pregnancy – Gait Analysis of the Single Support Phase in the Frontal Plane – Takeda Kaname
- P960. Closure versus Non-closure of Peritoneum in Caesarean Section - Rizwana Chaudhri
- P961. Impact of Behaviour Change Intervention Programme in Safe Abortion Service in Rural Nepal - Meera Thapa Upadhyay
- P962. Impact of Multiple Pregnancies on Perinatal Care in the Czech Republic during 2004-2008 – Petr Velebil
- P963. Non-pelvic Cause of Menorrhagia - Indian Scenario – Chinnakannu Veni
- P964. Management of Postpartum Hypertension - Cristina Vila Maior
- P965. Effect of Ultrasound on Blastocyst Cell Number in Mouse – Nahid Nasiri
- P966. Uterine Leiomyoma and Arterial Hypertension: Pulse Feeling and Treatment – Sayfutdin Yuldashev

### **Gynae-Oncology**

- P967. Effects of Education on Knowledge, Attitude Female Students on Risk Factors of Breast Cancer in University of Medical Sciences, Kashan, Iran – Fatemeh Abbaszadeh
- P968. Leiomyomatosis Peritonealis Disseminata. A Case Report - Moses Abe
- P969. Knowledge and Perception of Cancer of the Cervix among Women with Invasive Cervical Cancer in Lagos, Nigeria – Maymunah Adegbesan
- P970. Molar Pregnancies in a Nigerian Teaching Hospital – Uchechukwu Ijeneme
- P971. Carcinoma of the Ovary in a Nigerian Tertiary Hospital – Ahizechukwu Chigoziem Eke
- P972. HPV-DNA Persistence after Treatment for Cervical Intraepithelial Neoplasia – Dzenita Ljuca
- P973. Viral Markers for Monitoring Cervical Lesions Progression – Maria Akad
- P974. Gynaecological Cancer Risk in Association with Exposure to Antibiotics – Hanan Al Kadri
- P975. Evaluation Breast and Cervical Screening in Ob-Gyn – Ghodsieh Alavi
- P976. Prognostic Markers of Cervical Squamous Lesions – Alexandru Comanescu
- P977. Core Needle Biopsy as a Diagnostic of Phyllodes Tumor and Fibroadenoma - Paulo Gustavo Amaral
- P978. HPV PCR Typization on Abnormal Cervical Smears – Improvement in Detecting Precancerous and Cancerous Lesions – Irena Andonova
- P979. Review of Results of Positive Lymph Nodes Findings in Cases of Invasive Carcinoma of Vulvae after Radical Vulvectomy – Antonić Zora
- P980. Metachronous Primary Cancers of the Breast and Cervix - A Clinical Case Report – Kalaichelvi Arunachalam
- P981. Cizar Induces Apoptosis on Cervical Carcinoma Cells by P53/Rb-Dependent and Independent Pathway - Seog-Nyoen Bae
- P982. Large Cell Neuroendocrine Cancer (LCNEC) of Uterine Cervix: A Case Study – Gehanath Baral
- P983. Prognostic Factors and Clinical Outcomes in 27 Cases of Mucinous Carcinomas of the Ovary – Ioannis Biliatis
- P984. Endometriosis and Ovarian Cancer - Ahmed Samy Boraei
- P985. Is Cervicography a Useful Screening Test for Cervical Cancer? – Bragança Joana
- P986. Intra-operative Morphologic Characterization of Ovarian Disease: Evaluation of a Proposed Scoring System to Predict Ovarian Malignancy - Richard Ronald Cacho
- P987. Analysis of the Concordance Rates of Hormone Receptor Status between Core Biopsy and Surgical Excision of Invasive Breast Cancer - Daniele Carvalho Calvano
- P988. Paraaortic Lymphadenectomy: When Really Does It Worth to Perform It? - Mihai-Emil Capilna
- P989. Tumor Necrosis Factor Alpha Promoter Polymorphisms in Neuroendocrine Adenocarcinoma of the Uterine Cervix - Chih-Long Chang

- P990. A Huge Cystic Degenerated Broad Ligament Leiomyoma with Intravenous Leiomyomatosis Simulating a Malignant Tumor – A Case Report - Tien-Phui Chen
- P991. The Role of Gog Score to Tailor Adjuvant Pelvic Radiation for Node Negative Patients after Radical Hysterectomy and Pelvic Lymph Node Dissection - Yin Nin Chia
- P992. Mullerian Adenosarcoma of the Uterine Cervix: A Case Series in an Asian Population - Pui See Chin
- P993. Identification of Biomarkers for Epithelial Ovarian Cancer Using Gene and Protein Expression Profiling of Newly Established Cell Lines – Hanbyoul Cho
- P994. Glut-1 as a Biomarker for Epithelial Ovarian Cancer - Young Eun Jeon
- P995. Distribution of High-risk Human Papillomavirus Genotypes among Older Women - Ho Sun Choi
- P996. Effect of Single Visit Via and Cryotherapy Cervical Cancer Prevention Programme in Roi Et, Thailand: A Preliminary Report – Paul Blumenthal
- P998. Intraoperative Assessment of Myometrial Invasion in Endometrioid Adenocarcinoma – Maite Cusido
- P999. Management of Borderline Lesions and Predictors of Underestimation: Analysis from a Brazilian Cancer Center - Nilson Roberto De Melo
- P1000. Serous Borderline Tumor of the Fallopian Tubar Presented as Adnexal Mass: Case Report – Marilyn Dick
- P1001. Carbon Dioxide Laser Vaporization of Cervical Dysplasia - An Effective Method for Human Papillomavirus Clearance – Goran Dimitrov
- P1002. Between Cure and Palliation: Pelvic Exenteration as a Treatment Modality with Limited Morbidity – Greta Dreyer
- P1003. "Open Laparoscopy" in Diagnostics of Advanced Abdomino-Pelvic Malignancies – Daniel Driak
- P1004. Incidence of Histological Types and Immunohistochemical Characteristics of Breast Cancer - Kenan Drljevic
- P1005. The Rare Gestational Trophoblastic Diseases □Placental Site Trophoblastic Tumor (PSTT) and Epithelioid Trophoblastic Tumor (ETT) – Wei Duan
- P1006. Significance of Apoptosis in Endometrial Cancerogenesis – Monika Dvorská
- P1007. An Immunohistochemical Study of the Met/Hepatocyte Growth Factor (HGF) Pathway in Ovarian Cancer: Analysis of Clinical Outcomes – Ann Fisher
- P1008. HPV E6/E7 mRNA Expression as Possible Biomarker in Preneoplastic Cervical Lesions at Risk of Progression – Antonio Frega
- P1009. Risk Factors for Compromised Surgical Margins Following Leep and Prevalence of Residual Lesions after Early Reintervention and Conservative Management - José Humberto Fregnani
- P1010. A Case of Primary Uterine Atypical Polypoid Adenomyoma (APA) Recurring after Pregnancy and Delivery – Satoko Fujita
- P1011. Expression of P21cip1/Waf1 and P27kip1 in Small Cell Neuroendocrine Carcinoma of the Uterine Cervix – Kazuko Fujiwara
- P1012. An Ovarian Steroid Cell Tumor, Not Otherwise Specified with Pregnancy Causing Fetal 46, Xx Disorder of Sex Development – Fukui Akimasa
- P1013. Morbidity and Mortality Associated with the Use of Inferior Vena Caval Filters Prior to Major Gynaecological Oncology Surgery in Patients with Venous Thromboembolism: Experience at the Hammersmith Hospital, London, UK – Laura Fulwell
- P1014. Antiproliferative Effects of Antiestrogens and Inhibitors of Growth Factor Receptor Signaling on Endometrial Cancer Cells – Andreas Günthert
- P1015. The Use of Complementary and Alternative Medicine in Filipino Women with Gynaecologic Malignancy - Victorino Jr. Garcia
- P1016. Tweak Can Inhibit the Activity of Ovarian Cancer via Macrophage – Liying Gu
- P1017. Conservative Treatment with Progestin and Pregnancy Outcomes in Endometrial Cancer - Ho Suap Hahn
- P1018. High Grade Cervical Intraepithelial Neoplasia (CIN) and Glandular Intraepithelial Neoplasia (CGIN) Detection: A Comparison of Liquid Based Cytology and Pap Smears – Krishnayan Haldar

P1019. A Case of Neutrophilia Related to a Cytokine-producing Relapsed Squamous Cell Carcinoma of the Uterine Cervix Arising from Rectovaginal Septum – Han Sei Jun

P1020. Cleaved Forms of the Upa Receptor in Plasma Have Diagnostic Potential and Predict Postoperative Survival in Patients with Ovarian Cancer – Emir Henic

P1021. Successful Radiotherapy Treatment for High Risk Gestational Trophoblastic Disease: A Case Report - Guang Qiong Hou

P1022. Placental Site Trophoblastic Tumor, 4 Cases Report and Review of Literature – Yuanjing Hu

P1023. The Association between Fruit and Vegetable Consumption and HPV Viral Load in High-Risk HPV-positive Women with Cervical Intraepithelial Neoplasia - Jong Ha Hwang

P1024. Increased Risk of Oncogenic Human Papillomavirus Infections and Incident Cervical Lesions – Dominic Iliescu

P1025. Uterine Sarcomas – Correlation between Tumour’s Histology and Surgical Treatment with Adjuvant Chemotherapy and/or Radiotherapy – Sylwia Jedrus

P1026. Delayed Recurrence of Cervical Cancer after Radical Hysterectomy for Carcinoma In Situ - Cherng-Jye Jeng

P1027. Proteomic Analysis of Endometrial Cancer - Dae-Hoon Jeong

P1028. A Study on Inhibition of Cell Growth and Apoptosis in Human Cervical Cancer Cell Line (Caski) by Paclitaxel, Cisplatin, Arsenic Trioxide and Tetraarsenic Oxide - Dae-Hoon Jeong

P1029. Clinical Outcome of Conservative Surgery for Borderline Ovarian Tumors with Noninvasive Implants and Stage I Disease – Chulhoi Jeong

P1030. Paget's Disease of the Vulva - A Review of Our Experience – Katarina Jeremic

P1031. Agreement between Initial Cytology, Cytology Repeated at the Time of Colposcopy and Histopathology – Brena Melo

P1032. Agreement between Cytology, Colposcopy and Histopathology – Adriana Scavuzzi

P1033. Negative Cervical Cone Biopsies: Why and How to Reduce It? – Diptee Khan

P1034. Lymphadenectomy for Low-risk Endometrial Cancer Based on Pre- and Intra-operative Assessment - Kang Woo Dae

P1035. Different Significance of the Number of Metastatic Lymph Nodes between Primary Surgical Treatment and Neoadjuvant Chemotherapy Followed by Surgery in Early-stage Cervical Cancer - Hee Seung Kim

P1036. Efficacy and Toxicity of Belotecan with and without Cisplatin in Patients with Recurrent Ovarian Cancer - Young Tae Kim

P1037. Analysis of Risk Factors for Parametrial Involvement and the Need for Parametrial Resection in Early Stage Cervical Cancer – Kim Jong-Hyeok

P1038. Laparoscopic-assisted Vaginal Hysterectomy vs Abdominal Hysterectomy in Endometrial Cancer – Taejin Kim

P1039. Comparison between L and E Gene Amplification Analytical Methods for Human Papillomavirus Typing - Kyung-Tai Kim

P1040. High Dose Extended-field Irradiation and High-Dose-Rate Brachytherapy with Concurrent Chemotherapy for Cervical Cancer with Positive Para-aortic Lymph Nodes - Young Seok Kim

P1041. Neoadjuvant Chemotherapy for Stage III Or IV Ovarian Cancer: Effects on Optimal Debulking Rates and Survival - Mi-Kyung Kim

P1042. Oncologic and Reproductive Outcome after Fertility-sparing Management of Malignant Germ Cell Tumor of Ovary – Kim Young-Tak

P1043. Analysis of Chemosensitivity in Uterine Cervical Cancer Demonstrated by the Histoculture Drug Response Assay - Yong-Man Kim

P1044. Impact of Tumor Size Reduction by Neoadjuvant Chemotherapy in Locally Advanced Cervical Cancer - Ju Hyun Kim

P1045. Preoperative and Postoperative Agreement of Histopathological Findings in Cases of Endometrial Hyperplasia – Pilaiwan Kleebkaow

P1046. Epithelioid Trophoblastic Tumor of Paracervix and Parametrium - Heung Tae Noh

P1047. Utility of Serum Ca19-9 as a Marker of Recurrence of Endocervical Mucinous Adenocarcinoma with Gastric Phenotype – Atsumi Kojima

- P1048. Effect of Coo-treatment of UIC2 Monoclonal Antibody and PGP Modulators on 99mtc-Mibi and 18fdg Accumulation in Multidrug Resistant and Sensitive Human Ovarian Carcinoma Cells – Zoard Krasznai
- P1049. Soy Intake and Risk of Endocrine-related Gynaecological Cancer: A Meta-analysis - Soo Yoon Lee
- P1050. The Uncertain Primary: Definitive Diagnosis of a Pelvic Malignancy Utilising Immunohistochemistry – Rhea Stephanie Lee
- P1051. A Real Time Optoelectronic Device and Colposcopic Reid Index in Assessment of Cervix - Sung Jong Lee
- P1052. Efficacy for Adenosine Triphosphate Based Chemotherapy Response Assay in Epithelial Ovarian Cancer - Lee Chun June
- P1053. The Dependability of Endometriosis Canceration and Ovaries Clear-Cell Carcinoma - Huan Li
- P1054. Case Report on Chylous Ascites in Recurrent Gynaecological Malignancies - Yong Kuei Timothy Lim
- P1055. Management of Retroperitoneal Lymph Nodes in Advanced Ovarian Cancer - Hyeong Soo Lim
- P1056. Findings at Surgery for Relapsed Ovarian Cancer: Lessons for the Primary Operation – Gerhard Lindeque
- P1057. Activities of the Mytohondric Super-oxide Dismutase in the Normal Tissue of the Endometrium and the Endometrium Carcinoma – Lučić Nenad
- P1058. Vaccination as a Prevention Strategy for Human Papillomavirus-related Diseases – Nacu Ludmila
- P1059. Increased Slit Immunoreactivity as a Biomarker for Recurrence in Endometrial Carcinoma – Ma Shulan
- P1061. Safety Analysis of Oral and Intravenous Treosulfan in Heavily Pretreated Elderly Patients with Recurrent Ovarian Cancer. A Prospective Multicenter Study of the Noggo – Sven Mahner
- P1062. The Breast Cancer in Young Women: Follow-up after Treatment – Susana Maia
- P1063. Knowlegde, Attitude and Perception of Cervical Cancer and Cervical Cancer Screening among HIV Positive Women in Lagos, Nigeria – Christian Makwe
- P1064. Pelvic Ultrasonography and Ca-125 to Predict the Risk of Malignant Ovarian Neoplasm. Comparing the Pre-operative Assessment and the Histological Findings of 123 Cases of Laparoscopic Ovarian Cystectomy – Erika Manzo
- P1065. Cytology Quality in Year 2007 in Slovenian National Cervical Screening Program – Leon Meglic
- P1066. Visual Inspection of Cervix with Acetic Acid (VIA): As a Screening Method for Cervical Neoplasia in Low Resource Setting – Seema Mehrotra
- P1067. Cutaneous Metastasis from Squamous Cell Cervical Cancinoma: An Ominous Prognostic Sign – Seema Mehrotra
- P1068. Benign Abdominal Metastasizing Leiomyoma - A Case Report - Ratna Deepika Meneni
- P1069. Is Blood Enough? A Prospective Randomized Trial Comparing the Use of Blood and Intravenous Iron Therapy in Locally Advanced Cervical Cancer Patients with Iron Deficiency Anemia Prior to Chemoradiation Therapy – Anel Mostert
- P1070. Vulva Cancer in HIV Positive Patients – Arnold Mouton
- P1071. II4 Mutations in Patients Infected with High Risk HPV and Abnormal Cervical Smears – Daniel Muresan
- P1072. Comparison of the Diagnostic Accuracy of Pipelle Biopsy, Dilatation and Curettage and Hysterectomy in Detection of Endometrial Lesions – Taibeh Naderi
- P1073. Prevalence of Cervical Squamous Intraepithelial Lesions among HIV Positive Women in Uganda – Carolyn Nakisige
- P1074. Laparoscopic Transpertioneal Pelvic and Paraaortic Lymphadenectomy in Gynaecologic Malignancies; Analysis of 520 Patients at Single Institution, 1997-2006 – Nam Joo-Hyun
- P1075. Case Report and Review of Literature of Ovarian Fibroma in a 16-year old Girl with Gorlin's Syndrome - Ramapadmavathi Devi Namuduri

- P1076. Radical Abdominal Trachelectomy as Surgical Approach Towards Fertile Capacity Preservation in Young Female Patients with Early Invasive Cervical Carcinoma - Our Experience – Petar Novakovic
- P1077. Gynaecological Deaths in a Tertiary Hospital in Lagos: A 6-year Review – Kingsley Obodo
- P1078. Case Report of Concomitant Invasive Squamous Cell Carcinoma of the Endocervix and Adenocarcinoma of the Endometrium - Kae-Yng Ou
- P1079. A Case of Ovarian Yolk Sac Tumor with Endometrioid Adenocarcinoma in a 35-year old Woman – Won Joon Seong
- P1080. Neoadjuvant Paclitaxel and Cisplatin in Uterine Cervical Cancer: Long-term Results - Dong Choon Park
- P1081. Laparoscopic Radical Trachelectomy in Young Women with Early Cervical Cancer – Park Jeong-Yeol
- P1082. Pattern of Lymphatic Drainage of the Breast, Arm and Upper Chest Wall – Functional Lymphatic Anatomy for Axilla Surgery in Breast Cancer Patient – David Pavlišta
- P1083. The Assessment of a Real-time Optoelectronic Method for the Detection of Cervical Intraepithelial Neoplasia ('CIN') – Dominik Pruski
- P1084. Endometrioid Adenocarcinoma in a Known Case of Endometriosis – Nikhil Purandare
- P1085. The Study of the Inhibitory Effects of All-Trans Retinoic Acid on the Proliferation in Human Ovarian Cancer Cell Lines – Pengpeng Qu
- P1086. Intraperitoneal Chemoport and IP Chemotherapy in Treatment of Advanced Ovarian Cancer - Early Indian Experience - Shobha Rani Rao
- P1087. Tktl1 - A New Biomarker and Its Relevance in the Daily Gynaecological Practice - Andre-Robert Rotmann
- P1088. A Suggested Modification to FIGO Stage III Vulvar Cancer – Roman Rouzier
- P1089. Socio-demographic Factor Associated with HPV Infection from Non-cervical Cancer Women in Southern Selangor, Malaysia – Mokhtarudin Rusinahayati
- P1090. Grouping of Intermediate Risk Factors in FIGO Stage Ib-IIa Postoperative Cervical Cancer - Sang-Young Ryu
- P1091. Antiproliferative Effect of MIS on Cervical Cancers - Hyun Sung Kwack
- P1092. Uro-gynaecological Complications in the Uterine Cervix and Body Cancer Induced by the Radio-surgical Treatment - Elisabeta Banceanu
- P1093. Cancer with Double Topography Genito-mammary and at the Level of Other Organs, Synchrone and Metachrone. Diagnostic, Therapeutical and Evolutive Peculiarities - Elisabeta Maior
- P1094. Primary Abdominal Compartment Syndrome Associated with Meig's Syndrome – Susana Schwarz
- P1095. Human Papilloma Virus (HPV): Burden of the Disease in the General Population in the Extended Middle East and North Africa (Emena): A Comprehensive Review – Muhieddine Seoud
- P1096. Is P16ink4a Expression Useful to Determine the Outcome of Atypical Squamous Cells of Undetermined Significance – Serge Douvier
- P1098. Reproductive Risk Factors of Breast Cancers among Yemeni Women – Khadijah Shamsuddin
- P1099. Differential Diagnosis of Malignant Ovarian Tumors - Use of Advanced Data Mining Systems for Classification Making Processes - Agata Smolen
- P1100. Ca 125 Level as a Predictive Value of Second Look Operation Finding and Prognostic Marker in Epithelial Ovarian Cancer – Tak Kim
- P1101. Primary Squamous Cell Carcinoma Arising from the Pelvic Retroperitoneum: A Case Report - Jae Yun Song
- P1102. Clinical Analysis of Patients with CIN 2/3 Diagnosed by Cervical Punch Biopsy – Eunseop Song
- P1103. Prognosis of Human Papilloma Virus (HPV) L1 Immunocytochemistry Staining of LsII and Ascus Cytology in Women with HPV 16 - Youn Jin Choi
- P1104. Follicular-like Pattern as a Pitfall in Differential Diagnosis of Metastatic Uterine Leiomyosarcoma – Simona Stolnicu

- P1105. Cystic Strumal Carcinoid Tumor of the Ovary - A Pitfall in Diferential Diagnosis – Simona Stolnicu
- P1106. A Case of Uterine Cervical Cancer Developing Extensive Soft Tissue Necrosis Associated with Late Adverse Effect of Chemo-radiation Therapy – Sugita Kenji
- P1107. Prognostic Survival Factors after Piver 3 Radical Hysterectomy for Cervical Cancer – Bela Szabo
- P1108. Photodynamic Diagnosis in Detection of Cervical Intraepithelial Lesions – Agnieszka Szafinska-Dolata
- P1109. Clinical Significance and Timing of HPV DNA Test for Follow Up of Patients with Cervical Intraepithelial Neoplasm after Conization - Taehwa Lee
- P1110. The Prevalence and Risk Factors of Lower Limb Lymphedema in Patients with Gynaecologic Neoplasms - Tae Hwa Lee
- P1111. Human Telomerase Gene Amplification Does Not Correlate with the Grade of Cervical Intraepithelial Neoplasia – Iztok Takac
- P1112. Role of PET scan in Gynaecological Malignancies: Review of Selected Cases – Shahila Tayib
- P1113. Cervical Cancer Screening in Mali: Eight Years Experience and Perspectives – Ibrahima Teguede
- P1114. Vaginal Opening Obstruction by Pelvic Leiomyosarcoma – A Case Report – Milan Terzic
- P1115. Evaluation of Cold Knife Conization in Diagnosis and Treatment of Cervical Intraepithelial Neoplasia III, A 301 Cases Review – Zheng Tu
- P1116. Outcome Research on Clinical Practice and Treatment Strategy of Advanced and Recurrent Epithelial Ovarian Cancer in China – Wang Huaying
- P1117. The Effect of Radiation Therapy in Early Stage Cervical Cancer Patients with Intermediate Risk Factors - Kung-Liang Wang
- P1118. Comparison of Clinical Presentation of Benign and Malignant Ovarian Tumors – Tayyiba Wasim
- P1119. Comparative Study of Neoadjuvant Intravenous versus Intraarterial Chemotherapy versus Brachytherapy Followed by Radical Surgery versus Radical Surgery Alone in Stage Ib2-IIa Bulky Cervical Cancers: A Phase III Randomized Clinical Trial in Shanghai – Xiaohua Wu
- P1120. Management of Ovarian Clear Cell Carcinoma in Pregnancy. A Report of 2 Cases with Review of Literature - Kwai Lam Philip Yam
- P1121. The Significance of Different Management of Primary Cytoreductive Surgery in Advanced Stage Epithelial Ovarian Cancer – Xin Yan
- P1122. The Necessity of High Level Para-aortic Lymph Node Dissection in Endometrial Cancer - Yuh-Cheng Yang
- P1123. Accuracy of Visual Inspection with Acetic Acid (VIA) for Early Etection of Cervical Dysplasia in Tehran, Iran – Fariba Yarandi
- P1124. Alpha-Fetoprotein-Producing Peritoneal Malignant Mixed Müllerian Tumor - Yiu-Tai Li
- P1125. Evaluation of Prognostic Factors in Endometrial Cancer – Koichi Yoneyama
- P1126. Expression of Hypoxia-inducible Factor-1 $\alpha$  in Squamous Cell Carcinomas of Uterine Cervix - Dong Soo Suh
- P1127. Burkitt's Lymphoma Presenting as Heavy Vaginal Bleeding in a 21-year Old; A Very Rare and Unusual Presentation – Naseem Zaidi
- P1128. Possible Relation between Basal-like Breast Carcinoma and Woman's Age - Luiz Carlos Zeferino
- P1129. Expression and Purification of GST-HPV16E7 Fusion Protein – Jian Zhang
- P1130. The Polycomb Group Protein EZH2 Controls Hypermethylation of Socs2 and Dkk2 Genes in Metastatic Ovarian Cancer – Shu Zhang
- P1131. Growth Inhibition Effect of Small Interfering RNA on Tumor Growth of Human Ovarian Carcinoma Skov3 Cells Targeting Phosphoinositide 3-Kinase Regulatory Subunit P85 Alpha – Yingjun Zhu

# Friday 9 October

## 08h00 – 09h00 Friday Sessions

### **Auditorium 1**

#### **The Non-Pneumatic Anti-Shock Garment (NASG) for Obstetric Haemorrhage: Evidence and Questions**

Chair: Suellen Miller, San Francisco, USA

1. Mechanism of Action and Haemodynamic Studies with the NASG - Felicia Lester, San Francisco, USA
2. Experience with NASG in Egypt and Nigeria - Mohammed Fathalla, Assiut, Egypt
3. Implications for Research and Practice - Mario Merialdi, Geneva, Switzerland

### **Auditorium 2**

#### **Ethical Issues in the Prevention of HIV Transmission**

Chair: Glenda Gray, Gauteng, South Africa

1. HIV and the Impact on the Obstetrician Gynaecologist - Zephne van der Spuy, Cape Town, South Africa
2. Male Circumcision - Glenda Gray, Gauteng, South Africa

### **Ballroom East**

#### **Keynote Lecture**

Chair: Sabaratnam Arulkumaran, London, UK

Intrapartum Fetal Monitoring – Why People Make Mistakes and What We Can Do About It - Philip Steer, London, UK

### **Ballroom West**

#### **Keynote Lecture**

Chair: Robert Reid, Kingston, Canada

Is the Pervasive Fear among Practitioners about the Dangers of Hormone Therapy for Menopausal Women Justified? - Sven Skouby, Copenhagen, Denmark

### **Westin Grand Ballroom**

#### **State of the Art Lecture**

Chair: Malikah van der Schyff, Cape Town, South Africa

Stem Cell Research: Where Are We Today - Magnus Westgren, Stockholm, Sweden

### **Roof Terrace**

#### **The Role of Cystourethroscopy in Gynaecological Surgery**

Chair: Peter Dwyer, Melbourne, Australia

1. Training and Technique - Scott Farrell, Halifax, Canada
2. Prevention and Early Detection of Urinary Tract Injury - Peter Dwyer, Melbourne, Australia

### **Room 1.4**

#### **Obstetric Emergencies I**

Chair: Andrew Weeks, Liverpool, UK

Co-chair: Yelikar Avinash, Aurangabad, India

1. Retained Placenta - Andrew Weeks, Liverpool, UK
2. Acute Uterine Inversion - William Stones, Nairobi, Kenya
3. Uterine Rupture - Emmanuel Otolorin, Nigeria

### **Room 1.6**

#### **FIGO Committee on Safe Motherhood and Newborn Health: Task Shifting: A Response to Limited Human Health Resources**

Chair: Andre Lalonde, Ottawa, Canada

1. The World Situation - Andre Lalonde, Ottawa, Canada
2. Human Resources Crisis in Obstetrics - Pius Okong, Kampala, Uganda
3. Challenges in the Implementation of Task-shifting - William Stones, Nairobi, Kenya
4. Experience of Task-shifting in Mozambique - Naffisa Osman, Maputo, Mozambique

### **Room 2.4**

#### **Video Session IV**

Chair: Hara Pattanaik, Cuttack, India

1. Prenatal Interventional Procedures - Seshadri Suresh, Chennai, India
2. Assisted Reproductive Technology: How I Do It - Duru Shah, Mumbai, India
3. Hysteroscopic Procedures – Uma Ram, Chennai, India

### **Room 2.6**

#### **Vulval Medicine**

Chair: Wendy Reid, London, UK

1. Vulval Dermatology - Jennifer Bradford, Sydney, Australia
2. Vulval Pain - Wendy Reid, London, UK
3. When is Surgery Valuable for Localised Vestibulodynia? - Nina Bohm-Starke, Stockholm, Sweden

## **09h00 – 10h30 Friday Sessions**

### **Auditorium 1**

#### **Ectopic Pregnancy**

Chair: Paul Wessels, Bloemfontein, South Africa

1. Epidemiology and Diagnosis of Ectopic Pregnancy – Kamal Ojha, London, UK
2. Medical Management of Ectopic Pregnancy - Paul Wessels, Bloemfontein, South Africa
3. Surgical Management of Ectopic Pregnancy - Artin Ternamian, Toronto, Canada

### **Auditorium 2**

#### **Gynaecological Aspects of HIV Infection**

Chair: Silke Dyer, Cape Town, South Africa

1. Cervical Pathology in HIV Positive Women - Lynnette Denny, Cape Town, South Africa
2. Fertility Management of the HIV Positive Couple - Silke Dyer, Cape Town, South Africa
3. Partners Involvement in HIV Testing - Boshishi Mohlala, London, UK
4. The Use of IUD in HIV Infected Women - Oskari Heikinheimo, Helsinki, Finland

### **Ballroom East**

#### **Intrapartum Fetal Assessment**

Chair: Logie Govender, Durban, South Africa

1. A Critical Review of Electronic Fetal Heart Rate Monitoring in Labour - Hein Odendaal, Stellenbosch, South Africa
2. Computerised Analysis of CTG - Diogo Ayres-de-Campos, Porto, Portugal
3. Adjunctive Techniques of Fetal Assessment in Labour - Logie Govender, Durban, South Africa

### **Ballroom West**

#### **Management and Prevention of Sexual Violence – Hope for the Future**

Chair: Roland Mhlanga, Congella, South Africa and Stephen Munjanja, Harare, Zimbabwe

1. Introduction - Roland Mhlanga, Congella, South Africa
2. Global Perspectives on Sexual Violence - Claudia Garcia Moreno, Geneva, Switzerland
3. Building Service Capacity to Manage Sexual Assault - Diana Galimberti, Buenos Aires, Argentina
4. Creating National Guidelines for Sexual Assault through Ob/Gyn Societies - Yirgu Hiwot, Addis Ababa, Ethiopia
5. Evolving Evidence on Prevention Strategies - Rachel Jewkes, Pretoria, South Africa

### **Westin Grand Ballroom**

#### **Patient Safety – New Paradigm**

Chair: Naren Patel, London, UK

Panel:

Naren Patel, London, UK

Martin Fletcher, WHO, UK

Priya Agarwal, WHO, Switzerland

Doug Kirkpatrick, USA

Andre Lalonde, Ottawa, Canada

Robinah Kaitiritimba, Kampala, Uganda

**(AUDIENCE PARTICIPATION SESSION)**

### **Roof Terrace**

#### **Endometrial Ablation**

Chair: Suran Ramphal, Durban, South Africa

Co-chair: PC Mohapatra, Cuttack, India

1. Patient Selection for Endometrial Ablation - Suran Ramphal, Durban, South Africa
2. Electrosurgical Procedures for Endometrial Ablation – Giorgio Vittori, Rome, Italy
3. Techniques for Global Endometrial Ablation - Sian Jones, Bradford, UK

### **Room 1.4**

#### **Obstetric Emergencies II**

Chair: Tim Draycott, Bristol, UK

Co-chair: Ritu Joshi, Jaipur, India

1. Training for Shoulder Dystocia - Tim Draycott, Bristol, UK
2. The Management of Eclampsia - Bissallah Ekele, Sokoto, Nigeria
3. Septic Miscarriage - Carlos Fuchtnr, Bolivia

### **Room 1.6**

#### **FIGO Committee on Safe Mother-hood and Newborn Health: Task Shifting: A Response to Limited Human Health Resources continues**

### **Room 2.4**

#### **Hormonal Receptors**

Chair: Daniel Grossman, Oakland, USA

1. Contraception and Modulation of Steroid Receptors: New Perspectives – David Baird, Edinburgh, UK
2. Rapid Actions of Steroid Receptors - Bringing the Rhythm of Signaling to a New Pace - Tommaso Simoncini, Pisa, Italy

### **Room 2.6**

#### **WHO: Elimination of Congenital Syphilis as Part of Maternal, Newborn and Child Health**

Chair: Ron Ballard, Atlanta, USA and Nathalie Broutet, Geneva, Switzerland

Progress towards the Elimination of Congenital Syphilis: Country Efforts and Challenges for Implementing Effective and Integrated Programmes:

1. Experience from Country programme in Brazil - Valdir Pinto, Brasilia, Brazil
2. Experience from Pilot Project in Mozambique – Pablo Montoya, Mozambique
3. Which Indicators to Measure Impact of Interventions for Congenital Syphilis Elimination? Revisited Options - Mary Kamb, Atlanta, USA
4. How Many Lives will be Saved by Eliminating Congenital Syphilis: Calculating the Global Burden - Sarah Hawkes, London, UK

**10h30 – 10h45 Refreshment Break**

## **10h45 – 11h45 Friday Sessions**

### **Auditorium 1**

#### **Obesity in Pregnancy**

Chair: Luis Cabero Roura, Spain

1. Epidemiology - Luis Cabero Roura, Spain
2. A National Survey of UK Maternity Service and Standards of Care - Jo Modder, London, UK
3. Obstetrical Management - Louise Kenny, Cork, Ireland
4. Analgesia and Anaesthesia for the Obese Parturient - Krzysztof Kuczkowski, El Paso, USA

### **Auditorium 2**

#### **How Can We Stop Traditional Practices that are Harmful to Reproductive Health?**

Chair: Jerker Liljestrand, Phnom Penh, Cambodia

1. Fistula Pilgrims Film - Nancy Durrell McKenna, London, UK
2. Traditional Practices that are Harmful for Reproductive Health - Nester Moyo, The Hague, Netherlands
3. Raising Age at Marriage and First Birth - Yasmine Haque, Accra, Ghana
4. Combating Gender-based Violence - Naeemah Abrahams, Cape Town, South Africa
5. Societal Interventions to Empower Women - Vathiny Oukvong, Phnom Penh, Cambodia
6. Using Media to Mobilise Awareness - Nancy Durrell McKenna, London, UK

### **Ballroom East**

#### **International Planned Parenthood Federation (IPPF): Challenges and Choices in the Era of HIV and AIDS**

Chair: Ana Langer, New York, USA

1. Advocacy - Gill Greer, London, UK
2. Reproductive Decision-Making for HIV-Positive Parents - Phillip Darney, San Francisco, USA
3. Contraception for Adolescents and Young People in the Era of HIV/AIDS - Elizabeth Bukusi, Nairobi, Kenya
4. Increasing Access to Quality Maternal Health Care: Global and National Priorities - Ana Langer, New York, USA
5. Delivering on the Promise - IPPF's Global Action to Safe Abortion Services - Kelly Culwell, London, UK

### **Ballroom West**

#### **Chronic Pain Syndromes in Women: A Multisystemic Approach**

Chair: Peter Dwyer, Melbourne, Australia

1. Aetiopathogenesis of Endometriosis and CPP – New Insights for an Old Problem - Massimo Candiani, Milan, Italy

3. The Mastcell, Director of Chronic Pelvic Orchestra: Implications for the Gynaecologist - Alessandra Graziottin, Milan, Italy
4. Pudendal Nerve Neuropathy – Fact or Fiction? - Peter Dwyer, Melbourne, Australia

### **Westin Grand Ballroom**

#### **Simulation Training for Gynaecological Surgery**

Chair: Guylaine Lefebvre, Toronto, Canada

1. Challenges of Teaching Gynaecological Surgery: From Bench to Patient - Richard Pittini, Toronto, Canada
2. Adopting Simulation in Training Programmes: Our Experience - Christian Larsen, Copenhagen, Denmark
3. Virtual Reality or Box Trainers: Does the Investment Make a Difference? - Knut Magne Uv, Drammen, Norway
4. Team-based Training: From Low Cost Options to Virtual OR Training, Is This Our Future? - Susan As-Sanie, Ann Arbor, USA

### **Roof Terrace**

#### **Translational Research – Linking Biomarkers to the Clinical Syndrome**

Chair: Peter von Dadelszen, Vancouver, Canada

1. First Trimester Maternal-fetal Immune Origins and Correlates with Epidemiology – James Walker, Leeds, UK
2. Calcium Supplementation - Justus Hofmeyr, East London, South Africa
3. Malaria and Pre-eclampsia - Atis Muehlenbachs, Seattle, USA
4. Maternal Systemic Inflammation and Pre-eclampsia - Peter von Dadelszen, Vancouver, Canada

### **Room 1.4**

#### **Royal College of Obstetricians and Gynaecologists (RCOG): International Session: Women's Health**

Chair: Anthony Falconer, Derriford, UK

1. Global Strategies to Improve MNH - Monir Islam, Geneva, Switzerland
2. Improving Quality of Care for MNH - Robert Pattinson, Pretoria, South Africa
3. Increasing Capacity to Provide Essential Obstetric and Newborn Care - Nynke van den Broek, Liverpool, UK
4. Maternal Morbidity - A Neglected Tragedy - Anthony Falconer, Derriford, UK
5. Role of Technical Assistance to Promote MNH Globally - Nynke van den Broek, Liverpool, UK

### **Room 1.6**

#### **Emergency Contraception**

Chair: David Grimes, Chapel Hill, USA

1. Medical Regimes for Emergency Contraception - David Grimes, Chapel Hill, USA
2. The IUCD for Emergency Contraception - William Watson, Rochester, USA

### **Room 2.4**

#### **HPV Update**

Chair: Gerhard Lindeque, Pretoria, South Africa

1. HPV Carcinogenesis and Testing - Gerhard Lindeque, Pretoria, South Africa
2. HPV Vaccination - Wiebren Tjalma, Antwerp, Belgium
3. HPV and the HIV Infected Woman - Issac Adewole, Ibadan, Nigeria
4. HPV Infection and Men - Evelyn Moshokoa, Pretoria, South Africa

### **Room 2.6**

#### **State of the Future Lectures**

Chair: Naren Patel, London, UK

1. Genomics Medicine – Naren Patel, London, UK
2. Perinatal Genomics – Wolfgang Holzgreve, Basel, Switzerland

## **11h45 – 12h45 Friday Sessions**

### **Auditorium 1**

**Obesity in Pregnancy** continues

### **Auditorium 2**

**How Can We Stop Traditional Practices that are Harmful to Reproductive Health?** continues

### **Ballroom East**

**International Planned Parenthood Federation (IPPF)** continues

### **Ballroom West**

Multisystem Approach to Chronic Pain Syndrome in Women continues

**Westin Grand Ballroom**

**Simulation Training for Gynaecological Surgery** continues

**Roof Terrace**

**Translational Research – Linking Biomarkers to the Clinical Syndrome** continues

**Room 1.4**

**Royal College of Obstetricians and Gynaecologists (RCOG): International Session: Women's Health** continues

**Room 1.6**

**Research on the Origins and Pain of Endometriosis**

Chair: Peter Rogers, Melbourne, Australia

1. Clinical Relevance of the Latest Scientific Research into Endometriosis - Peter Rogers, Melbourne, Australia
2. The Complexity of Endometriosis Pain and Its Management - Ian Fraser, Sydney, Australia

**Room 2.4**

**HPV Update** continues

**Room 2.6**

**State of the Future Lecture** continues

**13h00 – 14h00 Closing Ceremony: Auditorium 1**
